School Song

It's your school and it's my school,
We'll fight to bring it fame
And to show we have the spirit,
We'll be at every game.

We fight fair and we play square
And proudly we confess
The man who cowards at defeat
Is not in A. H. S.

J. H.

Forward

Let us in this book pause and look back on the activities and achievements of a year which can never be relived or ever quite forgotten.

Dedication

To our beloved parents, who made every sacrifice in their attempt to give us an education, the 1933

"Scroll of the Wolves"
is appreciatively dedicated.

Board of Education

The success of a school depends indirectly upon the leadership and service of the members of the Board of Education. Their position is a difficult one, one not to be envied, and yet one not to be declined by the loyal citizen. At the present time especially, this duty becomes doubly difficult and the members of the board are to be commended on the fine services rendered. To them in part, credit is due for the progress, the opportunities, and the betterment of our school.

FACULTY

SCROLL of  the WOLVES

PRINCIPAL F. F. SCHLOSSER
Chemistry
UNIVERSITY OF WISCONSIN

First and foremost in our line
Is our dear old prof, sublime,
Our troubles always cease to exist
When he gives advice and a lift.

SCROLL of the WOLVES

W. H. HUNT Science
River Falls State Teachers' College
Mr. Hunt, the athletic man
Is a science wizard we understand.
As a basketball coach he is stern,
But this is the way his boys learn.

ALICE EPPLE English and Latin
Northwestern University
Poetry is Epple's joy,
She reads it, and how—oh boy!
She knows every author and authoress,
But George Bernard Shaw she knows the
best.

BERNICE MUNSON Commercial
University of Wisconsin
Next in line is our teacher Miss Munson
Small in stature, but not too small to
mention
With typing, shorthand and bookkeeping too
She manages to give us plenty to do.

CORA SUNDE Home Economics
Stout Institute
Miss Sunde, you will always find,
Has a smile on her face most of the time.
She teaches Home Ec. I and II
Her pupils are always learning something
new.

MARCUS L. PLANT Social Science
Lawrence College
To make us good citizens is Mr. Plant's aim
1924 will not find us the same,
If you don't believe us, just go in our class
And realize now what you have missed in
the past.

SCROLL of the WOLVES

IRMA MOLZOW English
Lawrence College

Miss Molzow with her winning smile
Knows every library book on file;
As the chief Librarian she is OK,
Also, at English her students say.

JOHN SCHLICHT Mathematics,
Biology, German

River Falls State Teachers' College
Mr. Schlicht with his clever jokes
Puts the right mood in the young folks
But when teaching Geometry, he forgets
That such things as jokes exist.

LOUIS WELK Band
U. S. Navy Band

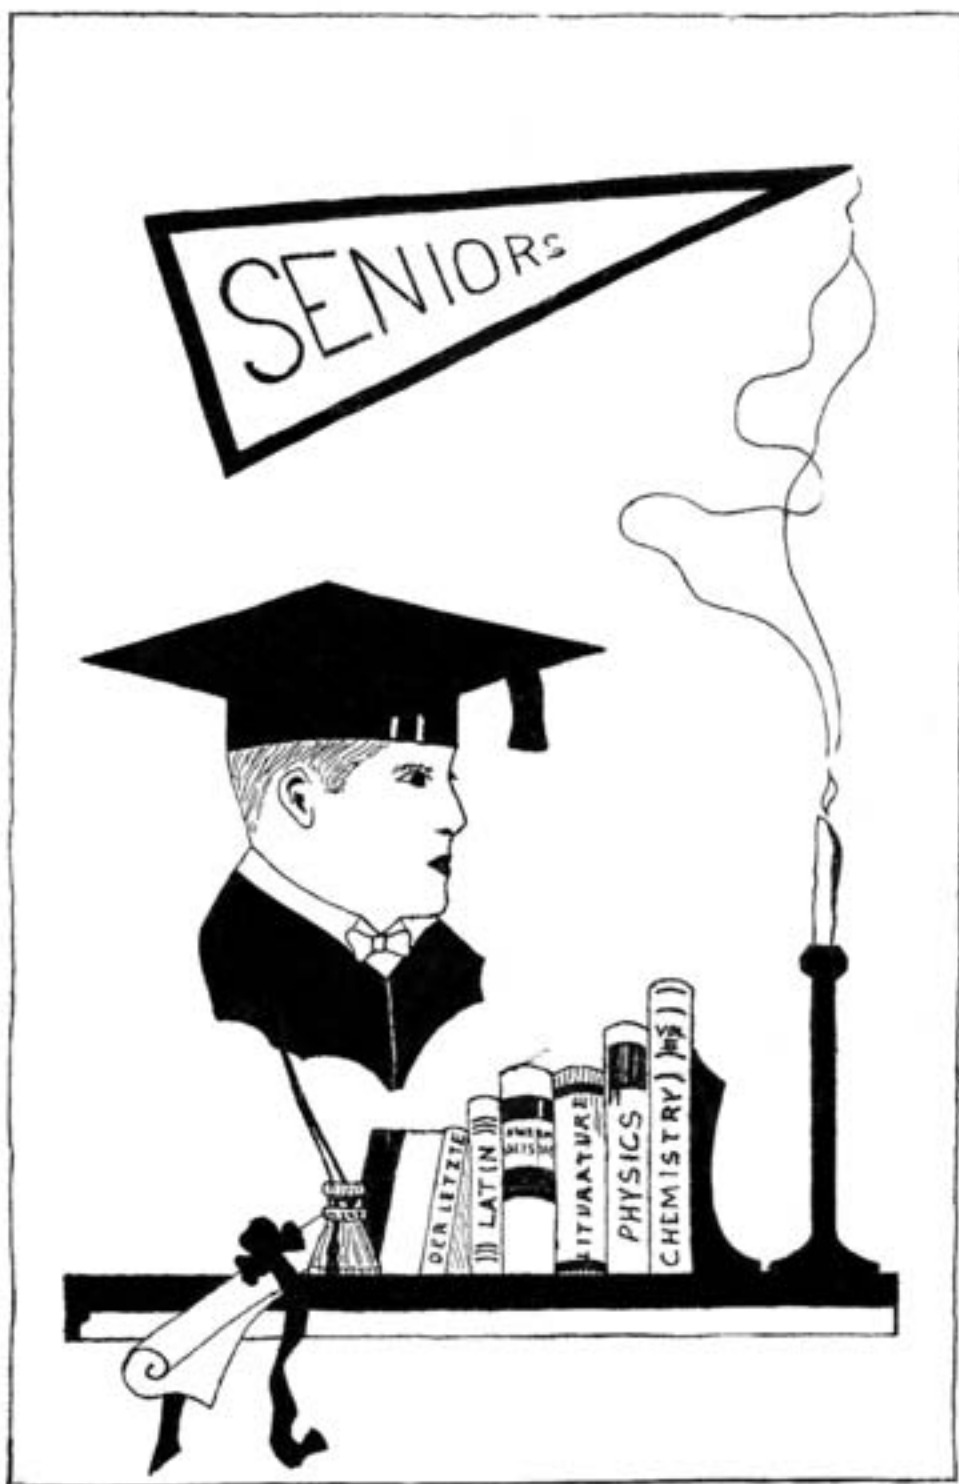

When you arrive in the upper hall,
You'll always hear this same old call,
"Everyone go to your home room."
This is the bandmasters tune at noon.

C. C. CASE Agriculture
River Falls State Teachers' College

Boys, if you wish to know about the farm,
Take "Ag", a study which does no harm;
If there's anything you can't understand,
Mr. Case offers a willing hand.

DOROTHY WALTERS History
Lawrence College

If a subject you cannot find,
Just cast it from your busy mind
As Miss Walters, the historian great,
Teaches four histories up to date.

SCROLL of the WOLVES

Senior Class History

In the year of 1927, fifty-eight bewildered freshmen entered the Algoma High School. Of course, we were looked down upon as all "Freshies" are, but we followed the conventional rules by electing the following officers: Marlin Ross, President; Jeanette Loper, Vice President; Merle Toppe, Secretary; and Lawrence LeCloux, Treasurer. We entertained our upper classmen by giving a party after a basketball game.

We came back the next year as "struggling" sophomores. We elected Gertrude Zimmerman, President; Rosemary Busch, Vice President; and Mabel Krause, Secretary and Treasurer. In the late spring Irene Kott was hostess to the sophomores at a weiner roast, at her home in Alaska, at which we all had a good time.

The next time we were joined in our class by a number of students from Forestville and Maplewood. This year we were sophisticated Juniors, and a great deal happened. We started the year off by electing Marjorie Hyde, President; Myrtle Krause, Vice President; and Grace Johnson, Secretary and Treasurer. In the late spring of '32 we successfully sponsored a Class Play "The Whoofenpoof". Another high-light of events was our Junior Prom, which was a financial as well as social success.

Our Senior year proved to be the most remarkable one in our High School career. We were led by the following officers: Laura Jeanquart, President; Mabel Krause, Vice President; Viola Schmilng, Secretary; and Mildred Rodrian, Treasurer. At our football home-coming game with Sturgeon Bay we won the first prize for our float in the colorful parade. This was a gala affair and will long be remembered by us.

CLASS COLORS: Green and Orchid

CLASS FLOWER: Yellow Tea Rose

CLASS MOTTO: Aim high and hold your aim.

The World to Me

A is for the ardent student body
L is for the lessons taught each day,
G is for the grand old times together,
O is for the zeroes comin' our way,
M is for the million things they tell us,
A is for all of us, inseparable are we
Put them all together, they spell Algoma
The word that means the world to me.

Class Poem

Here's luck to you, class of thirty-three,
 Good luck to you all the way,
 For the roads may be rough and rugged
 When against future trials we will have to play.

But what does it matter to hearts strong and blithe?
 For the sun's behind every cloud,
 If you just have the patience it has to appear
 As it melts through its nebulous shroud.

So don't be down hearted if you should discover
 The fact that you've met with disaster,
 That doesn't matter the tiniest bit
 If you don't let the thing be your master.

No, just fight on, bear the brunt of it all,
 Smiling as on that eve
 When perched on the stage in the footlights glare,
 A diploma, was yours to receive.

Just have the nerve, the grit, the endurance
 To conquer whatever it be,
 With three cheers and a tiger! Good luck to you then;
 O class of thirty-three.

Junior Class History

On one hot day of latter part of August in the year of nineteen hundred and thirty, eighty-one scared and timid looking boys and girls enrolled as "Freshies" in the Algoma High. At first we were greener than grass, but it was not long before we became pretty good imitators of the "uppers."

The next year saw us all back again but for a few. We were a lively bunch, at least so we thought. Parties were given. And many of our brother and sister classmen were leaders of their school and classes.

Still another year has seen us together again in the dear old A. H. S. with many new additions to our class of last year. Our Junior Class Play—three one-act plays—offered to many of us a chance to try our hands at acting, and netted the school a neat sum of dollars in spite of the depression. The Junior Prom, our next important event, was successful in every way.

One more year remains for us in the dear old school, and we hope all the familiar faces will again be present in the Assembly. As it is our last year together and with our teachers, we will try to do our best and leave with a deeper regret at our leaving than ever before.

Going On

We entered this institution
In the term of '30-'31.
We've had three years of hard work
Mixed with hours of fun.

When we were little freshies
We were spoken of as green
The next year we were sophomores
The knocks we got were less, it seems.

But now we form a class of Juniors
We have but one year yet to go,
To become one of those mighty Seniors
Whose progress is nothing slow.

Sophomore Class History

On one of the last days of the month of August, 1931, a group of inexperienced freshmen stepped into the Algoma High School to choose their classes, find their rooms and get acquainted. After a few weeks we followed the example of the upper classmen and held a meeting. We elected Norman Braemer, President; Carl Boedecker, Vice President; Dorothea Toepel, Secretary; and Frank Bohman, Treasurer.

Our second year was much easier and we did our best to make the "Freshies" feel at home. As Sophomores we elected Louis Trainor, President; Maynard Feld, Vice President; Rosebelle Anderegg, Secretary; and Patricia Koch, Treasurer for the first semester. For the second semester we elected Edgar Nell, President; Emily Schmidt, Vice President; Myrtle Schlosser, Secretary; and Esther Braun, Treasurer.

THE SOPHOMORE

The age of psuedo-manly;
 A time of reversion to type;
 When the stamp of a man is a good, round oath,
 And Heaven's the bowl of a pipe.
 There's scorn for those below him,
 Presumption for those above;
 It's a time of contempt for the feminine kind,
 Or a season of puppy love.
 He can be pushed to a higher plane.
 But it calls for a powerful shove.

SONG OF THE FRESHMEN

Sing a song of Freshmen,
 Making goo-goo eyes,
 Oh! how many silly things
 Their verdant minds devise;
 When the school was opened,
 They all began to sing
 Oh! Isn't this a peachy snap?
 We know we're just the thing.

1932 Football Season

Coach John Schlicht's Algoma High gridders began the season with a willing but inexperienced squad that was to be called upon to face a season of six hard games, some with outstanding teams in the Northeastern Wisconsin Conference. The team found the games tough and lost all but the last game. The final tilt resulted in a victory over Sturgeon Bay—the first Algoma win from Sturgeon Bay on the gridiron since 1924.

ALGOMA, 0; EAST DEPERE, 34

East DePere's Redbirds opened the Algoma season by beating the Wolves 34 to 0 at DePere. The punting of Morgan Busch was very good and "Adam" Hettiger handled his end post in good style. "Louie" Kohlbeck performed at guard in great form, considering that this was his first year on the squad.

ALGOMA, 0; OCONTO FALLS, 12

After shaking off nervousness at Oconto Falls the Wolves battled on even terms with their hosts; but the 12 points the "Falls" gained in the first half provided the margin of victory. The Algoma team worked better than it did against East DePere the previous week. The Wolves threatened the "Falls" goal several times during the last half, but the scoring drive was lacking.

ALGOMA, 0; NEW LONDON, 25

After holding the New London team to one touchdown in the first three periods, the Wolves' defense crumbled and allowed New London to score three touchdowns in the last quarter to turn the game into a rout. The final count stood 25 to 0. Algoma threatened several times in the second and third periods, but each time the necessary drive was missing.

SCROLL of the WOLVES

ALGOMA, 0; WEST DEPERE, 20

The Algoma defense fought doggedly throughout the first three quarters of this game and held the strong West DePere aggregation scoreless. However, the Algoma defense again opened up in the last period and the Black Phantoms finally came off the field with the score 20 to 0 for DePere. LaFond played a great game for Algoma at half, and Wulf punted well. Elmer Zirbel stretched several ligaments in his knee and chipped a bone on his knee after playing a good defensive game. This injury kept Zirbel out the rest of the season.

ALGOMA, 0; KEWAUNEE, 20

Kewaunee defeated Algoma at Kewaunee by a 20 to 0 score in a hard fought tilt. Kewaunee scored twice in the first quarter, but despite this advantage the Wolves fought hard the rest of the game and played the Hilltoppers on even terms most of the way down the stretch. Irving's 80-yard dash in the third period definitely decided the issue. The Kewaunee five used a ground attack mainly because of the freezing temperature. "Franny" Zettle's line bucking stood out for Algoma as did Wulf's punting and his jaunts around end. Marvin Zirbel and Morgan Busch played good defensive ball at their respective positions.

ALGOMA, 15; STURGEON BAY, 9

Algoma closed its season in impressive style at Wenniger's park by winning its only game of the year. The Wolves tipped Sturgeon Bay by a 15 to 9 count with a spectacular last minute drive. This was Algoma's only home game of the year. Algoma scored on a safety in the first half and on a long pass from Wulf to Hettiger. Algoma held a 9 to 0 lead at the half. Sturgeon Bay rallied gallantly in the last half and tied the score early in the fourth quarter. With but a minute remaining, Zettle plunged over for Algoma's winning touchdown. Marr, who broke his arm early in the season (he fell out of a tree) was back in uniform, and he played all but a few minutes at the start of the game. Marlin Ross broke his leg in practice for the Sturgeon Bay game and was lost for the last game as well as for basketball. He was a letterman in basketball last year.

1932-'33 Basketball Season

The Algoma High cage outlook for the 1932-'33 season was considered bright by most observers and despite the fact that the Wolves had a schedule before them which was probably the longest and toughest ever undertaken by an Algoma team they were expected to hold their own. They did. The team played 19 games during the season and won ten of them. Considering the strength of the teams played this was unquestionably a good record.

The team, although in games won and lost just climbed over the "even break" mark, crashed through with four victories which would have crowned the season a success then and there no matter what the calibre of their performance in the remaining tilts for they beat both of their old rivals, Kewaunee and Sturgeon Bay, each twice during the season.

ALGOMA BEATS KEWAUNEE, ON RIVAL'S FLOOR, 18 TO 11

Algoma beat its old rival, Kewaunee, at Kewaunee by an 18 to 11 margin. Algoma held the lead from beginning to the end despite several adverse developments. "Franny" Zettle and Capt. Wulf faced the Wolves.

Algoma's arch rivals, Kewaunee, came to town to close Algoma's regular season and went home with their second defeat this season from the Wolves. This time they weren't given a chance. The final count was 21 to 5. Busch scored 10 points in this game.

ALGOMA DEFEATS 1932 CHAMPS

Then came the break Algoma had been working for—they turned back the previous year's conference champs—the DePere Red Birds by a 21 to 19 margin in a hectic battle at the Dug-out. Capt. Wulf's superb defensive work and scoring punch injected in advantageous places by "Moose" Krueger and Kenny Marr made the win possible.

SCROLL of the WOLVES

ALGOMA TOO STRONG FOR STURGEON BAY

Algoma opened its conference wars after the holidays by trimming Sturgeon Bay on the Dug-out court 22 to 11. Algoma gained an early lead and held it all the way with the aid of classy shooting by Zettle. The half score was 12 to 4.

Sturgeon Bay's scrappy five came next for Coach Hunt's Algoma boys and gave the Wolves a lot of trouble at Sturgeon Bay. Algoma trailed in the early part of the game but got acclimated soon enough to pull the game out of the fire, 18 to 16. Sturgeon Bay led 7 to 6 at the half. Heidmann, Busch and Zettle scored 16 of Algoma's total.

NEW LONDON DISTRICT TOURNAMENT

Algoma went to the district meet at New London with high hopes which soared higher when the first game resulted in a 32 to 17 victory over Clintonville. However, in the semi-finals Algoma's high hopes crashed hard when they were beaten by Hortonville 38 to 18. The winners employed their sharpest shooting eyes for the game and their uncanny basket-shooting and height earned the win.

West DePere won the tournament by administering a 24 to 18 beating to Hortonville in the finals.

INTER-CLASS TOURNAMENT

The 1933 inter-class basketball championship again rests with the Juniors after a brief one-year stay with the 1932 Seniors. The team which stood highest before the Junior title aspirations, surprising to note, was none other than Kenny Marr's Freshman team. The Juniors beat the Freshmen in the finals only after a great fight, the final score was 17 to 16. "Spaz" Ullsperger and "Adam" Hettiger along with Richard Cmeyla. "Gib" Schmidt, Dal Ackerman and Paul Fluck gave the Juniors all they could handle.

The consolation honors went to the Seniors, who beat the Sophomores in another hectic game 17 to 15. They earned the right to meet in the finals by trimming the Sophomores 21 to 10. The Juniors got in the finals by walloping the Seniors 24 to 12.

Girls' Basketball

Girls Basketball of the Algoma High school was coached by Miss Bernice Munson, assisted by Miss Ella Westby.

The girls met each Friday during the basketball season from 4:00 to 5:30 at the Dug-out.

The time was spent playing basketball, scrimmage and doing exercises. No outside games were played.

Homecoming

It was on the eleventh of November,
 A cold Armistice Day,
 That our squad in a game of football
 Met their old rivals—Sturgeon Bay.

Our classes had all been busy
 For days ere the game was played
 In an effort to win the prize,
 Given to the best float in the parade.

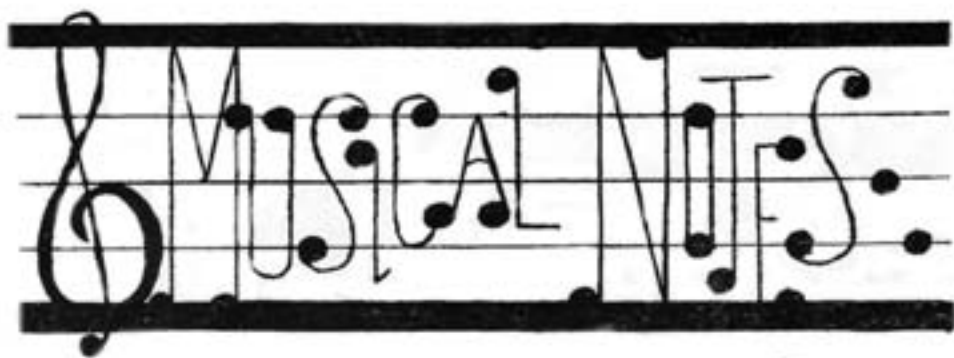

The band made a splendid showing,
 And the floats were nicely dressed;
 But the one, represented by the senior
 class
 Was chosen for the best.

We went eight blocks to the football field
 With the mercury five below
 To show the St. Bay gang
 That our team was nothing slow.

The Bay's had lost their confidence
 Every time Algoma went over the line.
 Victorious, our boys marched off the field
 With a score of 15 to 9.

We rang the old school bell;
 It was heard both far and near
 To tell the folks all over town
 That we beat St. Bay for the first time
 in many a year.

In the evening we gathered together
 again
 And paraded up the street.
 Then back again to the school campus
 Around the bonfire to meet.

State High School Music Tournament

The Algoma High School Band, under the direction of Louis C. Welk, won seven First places at the State High School Music Tournament held at Madison, May 19th and 20th. This is an excellent showing for the local organization considering that it competed in the highest classification, Class "A". Algoma High School Band won first place in Sight Reading, the most difficult in the competitive contests over all of the other contests at the tournament. Algoma received first place in the parade at the tournament. Algoma received second place in the concert contest in Class "A". The band won second place in Maneuvering contest Class "A".

Myrtle Lucille Schlosser and Harold Mraz won first place in Class "A", a clarinet duet; Edward Detjen, first place in Class "B", a cornet solo; Donna Reinhart, first place in Class "A", trombone solo; Lawrence LeCloux, first, Class "A" E \flat clarinet solo; Mabel Krause, first place, Class "B", flute solo.

Second places were won by the following: Marlin Ross, Class "A", cornet solo; Elroy Marquardt, Class "B" trombone solo; Elmer Zirbel, Class "A", E \flat tuba solo; Joe Makovec, Class "A", baritone solo; Harold Mraz, Class "A", clarinet solo; Mabel Krause and Myrtle Krause, Class "A", clarinet and flute duet; Beatrice Schones, Class "B", drum solo; Warren Andre, Class "B", clarinet; Marie Schmidt, Class "B", oboe solo.

Third places were won by Louis Welk, Jr., Class "A", bassoon solo; Ralph Cmeyla, Class "C", drum solo; Howard Hauke, Class "B", BB tuba solo; Marvin Sibilsky, Class "C", baritone solo; Elizabeth Mraz, Class "B", French horn.

Algoma should be proud of the band considering the size of the school and the competition that it encountered in the different contests. Algoma ranked higher than many of the larger schools in the state including such schools as Madison, Milwaukee, West Allis, and others. The tournament was the largest tournament ever held in which there were 964 contests. There were exactly 100 schools participating which included 5,450 student contestants.

The group award system was adopted in the year of 1929 when the State Tournament was held at Stevens Point. Principal F. F. Schlosser, then President of the Association, is given the credit or recognition as the Father of the Group Award System. Since that time the group award system has been adopted by other states.

String Class

In the fall of 1932 a class of string instruments was organized by Mr. Welk, with twelve people signing up. Very satisfactory work was accomplished and the next few years should see the string department in its stride. The following are members of the class:

Richard Mraz
Orville Ross
Joseph Makovec

Myrtle Deprez
Grace Kenney
Harriet Perry
Francis Baumann

The High School Girls' Glee Club was composed of sixty-five members, and under the direction of Miss Lorraine Gunderson, held one or two rehearsals each week.

The following officers were elected for the first semester: President, Camille Kohlbeck; Vice President, Mabel Hoffmann; Secretary and Treasurer, Viola Batke; and Librarian, Doris Schmitz.

Officers elected for the second semester were: President, Violet Sibilsky; Vice President, Viola Batke; Secretary and Treasurer, Mabel Hoffmann; and Librarian, LeNoire Young.

Boys' Glee Club

In the fall of 1932 a Boys' Glee Club was organized under the direction of Mr. Welk. About twenty-five boys signed up and we ended the school year with a chorus of fourteen voices. The first part of the year was spent in learning a few of the rudiments of singing and the last part in practicing actual singing. The club made splendid progress and all signs point to the building up of a large chorus. The following is a list of the membership:

A. H. S. News Staff

Organized in 1926 with Miss Reinke as instructor, the News Staff of the Algoma High school began as a class of three members. In 1927 a larger number of students became members under the direction of Miss Marie Mechler. In 1929 Miss Alice Higgins was instructor of a group of twenty students. This year a class numbering eighteen students were under the direction of Miss Dorothy Walters.

The class met regularly every Monday in the History room. At these meetings a study of journalistic forms was taken up. The articles of news were collected every week and after correction, were published in special columns of the Algoma Record-Herald. At the close of the school term 1931-32 a whole page of the Record-Herald was devoted to a condensed write-up of all activities taken through the year. The editor, Mary Koutsky and the assistant editor, Jean Vandertie, both proved to be able leaders in 1931-32 while the work this year is led by Viola Batke, editor-in-chief, and Mary Braun, assistant editor.

Last spring the group enjoyed a visit to the Algoma Printing company and on May 13 the club journeyed to Green Bay and visited the Green Bay Press-Gazette Printing company.

It has been the duty of the members of the staff, in writing news articles, to always apply the principle of journalism in the most effective way. Not only the student body but also the public becomes acquainted with their work.

The Girl Scouts Organization

OFFICERS

Miss Dorothy Walters	- - -	Captain
Rosemary Busch	- - -	Patrol
Myrtle Schlosser	- - -	Leader

The Girl Scouts were organized in the fall of 1929 under the leadership of Miss Viola Fried, who remained captain for three years.

Each Girl Scout is pledged to live up to the Scout motto; "Be Prepared." and the slogan "Do a Good Turn Daily."

Every Girl Scout promises, on her honor, to try "to do her duty to God and her country, to help people at all times, and to obey the Girl Scout laws."

Each year the Girls work on certain projects. This year they prepared a banquet for their parents during the "National Girl Scout Week."

The Girl Scouts have produced a play every year since they have been organized. The play this year was under the direction of Miss Dorothy Walters, the present Captain.

Besides entertaining, and giving plays the Girl Scouts are required to pass certain tests and work on merit badges.

Library Club

The Library Club was organized during the term of 1931-32 under the direction of Miss Mago Dolan. It was started as a means of taking care of library work in a systematic manner. Each student was assigned a specific duty, which she was to perform.

The Club this year consisted of eighteen students and was under the direction of Miss Irma Molzow. New rules and regulations were added to those made by last year's club. Officers were elected at the beginning of each semester. Those who served during the first semester were: Viola Batke, President, and Esther Sneberk, Secretary and Treasurer. Viola Batke was re-elected as President for the second semester and Rosina Braun was elected as Secretary and Treasurer.

DEBATE TEAMS

BACK ROW: Miss Molzow, Mr. Plant, Fluck, Mraz, Runke.
FRONT ROW: Sneberk, Schlosser, Schmidt, Schones.

Debate

During the past year an unusually active interest has been taken in the field of debating. About twenty students competed for membership on the teams. In order to select the debators, a local debate Tournament was held. A series of debates followed in which, during some time or other, all of the twenty enrolled participated. By the final process of elimination the six regular debators were picked. The debators were picked as follows in the order of speakers:

Affirmative: Beatrice Schones, Harold Mraz, Esther Sneberk.

Negative: Marie Schmidt, Myrtle Schlosser, Paul Fluck.

The teams participated in a total of six debates of which each team won two and lost one. All of the debates were decision debates.

The affirmative teams defeated New London and Menasha by the scores 100-92 and 100-96, respectively. The negative team defeated New London by the score 100-96, and they defeated Oconto Falls by a 30-0 vote.

The two teams entered state and the conference contests. After winning the first set of state contests the debate teams were forced to quit their good work because of lack of finances.

The coaches this year were: Miss Irma Molzow, coach; Mr. Marcus Plant, assistant coach. The Question for debate was: Resolved, That "At least 50 percent of all state and local revenue shall be derived from sources other than tangible property."

Alvin E. O'Konski, the judge of several of the debates, expressed the opinion that the debates were some of the best high school work and that the Algoma participants did some very effective work in rebuttal.

SCROLL of the WOLVES

Oratory

Oratory during the past year has been exceedingly interesting to the students. Approximately twelve ambitious young men and women decided to fit themselves in order that they might compete in the oratorical field. At the elimination contest the following four students were selected to represent Algoma: Esther Sneberk, Fred Wenz, Clarence Eggert and Donald Halada. The Silver-tongued ability of the Algoma contestants was displayed at the state and conference contests. In the state contest Esther placed third. This is her first year out for oratory, so let's watch her next year and see what the ladies can do at oratory. Donald Halada and Fred Wenz were entered in the Scholastic Conference contest held at Two Rivers. Neither contestants received places but Donald still has one more year to "strut his stuff."

Declamatory

Proof of the value of declamatory work and the increase of interest in this activity has been exhibited by the work done in this field during the past year under the direction of Miss Alice Epple and Miss Irma Molzow.

Twenty girls competed for places in the local elimination contest to determine which girls were to represent Algoma in the league contests. At the preliminary contest eight girls were chosen and from this group four were to be finally selected. Because of the unusual amount of close competition it was decided to secure an outside judge for the purpose. Miss McCann of Green Bay acted as critic judge. Myrtle Schlosser, Esther Sneberk, Marie Wodsedalek, and Helen Westfahl were finally selected.

In the State League Contest Myrtle Schlosser won first place with the declamation "Jazz and Minuet" and Marie Wodsedalek won third place with "Mrs. Schnicklefritz und der Four O'clock Train". Myrtle thereby won the right to enter the District Contest at Menasha in which she placed fourth.

Esther Sneberk and Helen Westfahl entered the conference contest held at Two Rivers. In this contest Esther won first place with her selection, "East Lynne". By winning this first place she was qualified to enter the Northeastern Scholastic finals held at East DePere, May 9. At this contest she won first place and thereby won for herself the honor of being the conference champion in declamatory.

Extemporaneous Reading

During the past year a new place for competitors in the extemporaneous reading line has been used. In order to give more students a chance to secure places in this contest, those students who secured place in either the local oratory or declamatory contest were barred from entering this field of competition.

Jeanne Lindeke and Ruth Graan were the Algoma representatives in the State League contest. In this event Ruth Graan placed third. Jean Reinhart and LeNoire Young were the contestants from Algoma in the Conference contest. In this event LeNoire Young placed third.

SCROLL of the WOLVES

Extemporaneous Speaking

In the State League Forensic Contest held at Algoma, Paul Fluck and Dorothy LeCloux represented Algoma. Paul won second and Dorothy was placed fourth.

Beatrice Schones and Rosemary Busch represented the Algoma High school as extemporaneous speakers in the Northeastern Conference League Contest at Two Rivers. Rosemary placed third and Beatrice won second place. Beatrice represented Algoma at the finals. This contest was held at East DePere. Both Beatrice and Paul will be back next year and there are hopes for better results then. Mr. Marcus Plant has had charge of extemporaneous speaking.

Future Farmer's Association Chapter

The local Future Farmer's Association chapter was organized in the fall of 1931. A charter was secured at that time, affiliating our local chapter with the state and national organization.

The Future Farmer organization is composed of a group of boys studying vocational Agriculture.

The local officers elected for the 1931-1932 term included: President, Lynn Baumann; Vice President, Donald Halada; Secretary, Elmer Bushman; Treasurer, Harold Mueller; and Reporter, Arnold Wochos. The officers for the 1932-1933 term included: President, Donald Halada; Vice President, Arnold Wochos; Treasurer, Lynn Baumann; Secretary, Maynard Feld; and Reporter, Harvey Schiesser.

The chief objective of the club is to further the interests of organized and scientific farming. Among the many achievements of the local Future Farmer's Association are as follows: grain treating rings, orchard spraying, pruning demonstrations, poultry culling demonstrations, egg grading and judging contests, grain and forage crop judging, identification contests, directed practice contests, dairy herd improvement, association, horseshoe and kitten ball tournaments.

National Honor Society

The object of the National Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the pupils of Algoma High school.

Members of this chapter are students who have 10 honor points during at least one period of the school year and not less than 6 points during any one period. A great many received this number of points this year and were entitled for membership. This society is under the leadership of Mr. F. F. Schlosser.

A Student Council was formed of the officers and three other members of the Honor Society. Those three members are Mabel Hoffmann, Harold Mraz and Paul Fluck.

The following excuse was received by
Mr. Schlicht:

Dear Mr. Schlicht: Kenny can't cum
to skule this morning because he has to
do his pa's chores. Last nite you gave
him an example: "How long will it take
a man to walk erround a field nine miles
by four miles walking five miles an
hour?" Hiz pa started to walk this
morning and I wish that next time you'd
made it a woman because I can get off
easier and Kenny won't haff to miss
skule.

Respectfully yours,
Kenny's Ma.

A LESSON IN GRAMMAR

You see a beautiful girl walking down
the street. She is, of course, feminine.
If she is singular, you become nomina-
tive. You walk across to her, changing
the verbal and then becoming dative.
You walk home together. Her mother
is accusative and you become impera-
tive. Her brother is an indefinite artical.
You walk in and sit down. You
talk of the future and change to the ob-
ject. Her father becomes present and
you become the past participle.

† † † †

Prof. Schlosser—I would like a pre-
paration of phenylisothiocyanate.
Drug Clerk—Do you mean mustard
oil?
Prof. Schlosser—Yes, I can never think
of that name.

† † † †

Merlin Peterson—Laugh and the class
laughs with you.
Miss Walters—But you stay after
school alone.

† † † †

Harold Heidmann—"You say that Mr.
Welk notifies all fifty members of the
band of meetings, etc., at a cost of only
one cent?"
Marlin Ross—"Yes, he puts the wrong
address of a member on a card. The
member, in turn, after reading it, for-
wards the card to the address of another
member. In this way they all get to
read it."

† † † †

Lloyd Hucek—I'm just as great as
George Washington now.
Ray Novak—Why?
Lloyd Hucek—Because I went down in
History this month.

Miss Epple—Morgan, I'm surprised at
your speech. Which is correct 8 and 6
are 14, or 8 and 6 is 14?
Morgan B.—Why, Miss Epple, 8 and 6
is, am and are 14. Just ask Mr. Plant.
