## Dedication

On September twentieth, 1935, the new Algoma High School building was dedicated. It was evening and the people flocked into the spacious auditorium to hear prominent men dedicate a prominent place.

Eight o'clock and the hall was packed. With the band playing, the ceremony opened. The mayor gave a speech and he was followed by the president of the school board. Then the time came for introductions. The various architects and designers were presented to the community. Then the president of the school board rose and introduced the new superintendent of the school, Mr. Joseph F. Bertram. Mr. Bertram made a speech and was accepted amidst much applause. The band played a fitting piece for the occasion and September the twentieth faded away, holding in its memories an event which means much to the young people of Algoma.

## Music

The musical activities in school this year are the result of the interest of the students, combined with the ability of our director, Mr. Schroeder.

### Girl's Glee Club

Early in the year, a Girl's Glee Club was organized. The chorus consists of about thirty voices singing in three part harmony.

The first time they sang was during an intermission of a band concert. They sang at a few more concerts and once during an assembly program.

Some of the songs they sang were: "A Prayer", "Come you Here, Laddie", "An English Garden"; "Summer Is a Comin' In", and "Lo, How a Rose e'er Blooming".

Three times a week this glee club practices and not in vain. From every point of view their singing is a success.

A good beginning has been made and we all hope they will keep it up.

### Orchestra

The first appearance of the orchestra before the public was May 5, 1936.

The concert was composed of:

Marilyn Waltz-----	E. De Lambeta

At the fashion show, Caroline Rider read the names of the girls modeling the dresses, the names of the owners, and the ages of the dresses.

While the girls modeled the garments, Mrs. Clarence Haucke played old fashioned songs, and a girls' chorus sang.

There was an old-fashioned dance by Viola Sibilsky and Laurence Shestock. Viola Sibilsky played songs on her accordian.

After the style show the audience went to the sewing room to see the exhibit.

There was also an exhibit of various hobbies.

The two principle objects of the club are to offer training in journalism, and to encourage interest in school activities. The other reason is to put the school and its activities before the public. The club is for boys as well as for girls. At the present there are only two boys enrolled.

Awards are presented to members doing exceptional work. Junior awards are presented to all members.

## Junior Prom

The gala social event of the high school year, the junior prom, was held June 5, in the high school gymnasium.

The gym was decorated to resemble a ship which was worked out in three shades, blue, gold, and white. The stage on which Harold Penning and his orchestra played resembled a ship deck with a wheel hanging in the back ground. The pennants were strung up, banners were hung on the wall, and ship lanterns dangled from the ceiling. The mass of windows with their ship rail, life saver bottoms and fish net tops gave the ye old salty sea atmosphere.

At 10 o'clock the grand march was formed and was headed by Robert Kraz and his queen, Helen Rose.

Refreshments were served by the band mothers. The advisors under which the committee worked were Miss Higgins, Mr. Canney, and Mr. Schroeder.

## Matinee Dances

Two matinee dances were given in the gym for the benefit of the senior play cast who wanted to go to Green Bay to see the play, "Tiger House", which they are giving. The admission was the small sum of five cents. Instead of hiring an orchestra Viola Silibilsky played her piano accordion and the piano interchangeably. Two of these dances were held.

## CLASS PROPHECY

As I sat in the crew's nest  
With my telescope,  
I looked from east to west  
And met my classmates as I hoped

Jimmy, who was the biggest pest,  
Has got it over all the rest.  
Now he's Prof. and I could hear him say,  
"I'm going fishing so we'll have no school to-day."

Here's Betty with Red,  
Putting all the little REDDIES to bed.

Frank Lidral, the famous maestro, falls in line,  
He's the conductor of New York's Symphony,  
The finest band of the Time.

Pansy-----alias----Lawrence, who was so sweet,  
Is now professionally sweeping streets.

Dulcine with her slide trombone,  
Is taking all the honors home.

Stanley's an artist,  
He sure knows his stuff.  
Why! here's Richy Cmeyla  
The inventor of "Gerry's Snuff."

Harris is the idol of dance-land,  
He's the dancing partner of SALLY RAND.

The idol of Broadway appears in the foot-lights.  
It's Jean Lindeke singing with all her might.

Dick, the lucky son-of-gun,  
Is living high in Hollywood  
Where he's giving Gable the run.

Jean and Phyllis are the dancing queens,  
In a cabaret of gay Paree.  
The jolly proprietors are Nap and Gene,  
And such stepping I never did see.

Curty and Mildred Miller  
Are "See Em and Catch Em" the famous detectives,  
On the trail of a desperate killer.

Laddie's a geologist,  
Fussing with rocks.  
Ray Krueger turned out to be,  
A designer of frocks.

Ralph flys through the air  
With the greatest of ease,  
He took up flying, so he wouldn't have to DODGE TREES.

## Class Will

We, the seniors of Algoma High School, sound in mind and body, or as sound as we ever were or shall be, do here and now bequeath our favorite possessions to the less fortunate members of the student body.

Dal Ackerman, my oratorical ability to Berlin Graf.  
Gordon Hoppe, a pair of shoes to Miss Rideout in return for the generous loan.  
Sylvester Jorgenson, my silver toned voice to Agnes Naze.

HUMOR

FeeFee--Laugh and the class laughs with you.  
Miss Walters--Yes, and you stay after school alone.

Miss Sunde--If the baby is sick what is the first  
thing to do?  
Bright Student--Call the doctor and put him to bed.

Jiray K. (giving an impromptu talk on cats) Cats that  
are meant to maul and tease is called Maltese cats.  
Cats that get mad easy are Angoriecats. Cats that purr  
real loud are fursian cats. I don't like cats.

Doorman at a theater--Admission is one kiss.  
Ruth--Orville will pay for both of us.

A wise person published the following in a school paper.  
"Half of the freshmen are lazy." After being criticized  
for it he remedied it by printing: "Half of the freshmen  
are not lazy!"

Katherine T.--How many shirts can you get out of a yard?  
Miss Sunde--That depends upon whose yard it is.

Ralph P.--I've been married three times and next July  
I'm going to celebrate the fourth.
