To encourage all the students to strive for excellency in their courses of study, an award of merit called the scholarship key has been instituted. Each senior qualifying must have a minimum of ten grade points per semester of their attendance at high school. All final averages with the grade of A will receive three points; B, two grade points; and C, one grade point.

FOREWORD

School days at A. H. S. vanish all too quickly, and memories of these days and years, so vivid and so full of work and pleasure, fade as the years go by. In future years may this yearbook help to recall our life at Algoma High School and bring back happy memories of days we spent together.

In this edition of the "Scroll of the Wolves" we have chosen a radio theme in order to feature the new communication system which was installed at our school this year.

On this great stage set for high school life, students attempt to unravel the mysteries of books on many subjects; they experiment; they forever seek the truth--they are LIVING TO LEARN.

They make friends; they dance; they sing; they play; they love their school; they love life--they find themselves LEARNING TO LIVE.

BOARD OF EDUCATION

Have you ever stopped to consider how important the school board is in the life of the school? Unless we come in direct contact with the board most of us are likely to forget what an influential part of the educational system such a body forms.

And so I hereby make a motion that we express our sincere thanks for all the time and effort the board of education has so kindly spent on us. For it is to their initiative that we owe many of the educational opportunities we now enjoy and to their efforts that Algoma has obtained one of the finest schools in the state.

ALMA MATER

By old Michigan's proud waters,
Rolling waves of blue,
Stands Wisconsin's fairest high school,
Alma Mater true.
Sing her praises, let the chorus
Ring o'er land and sea,
Hail, Algoma, Alma Mater,
Hail, all hail to thee!

PRINCIPAL'S MESSAGE

The 1940 Scroll of the Wolves goes to its destination where it will symbolize many pleasant memories of happy high school days.

Some of us have had the opportunity to share these delightful days with those who are leaving the Algoma High School this year.

The inspiration that has issued from our associations with the members of the Class of 1940 has been a great help to us in the work of education.

Therefore, as we join in retrospect with mutual feeling of appreciation, we know that the memory of each kind word, each cooperative effort, each pure emotion, and each unselfish act will live to give all of us faith and reassurance.

SCHOOL SONG

It's your school and it's my school,
We'll fight to bring it fame
And to show we have the spirit,
We'll be at every game.

We fight fair and we play square
And proudly we confess
The man who cowers at defeat
Is not in A. H. S.

SENIOR CLASS PLAY

The laughter, rich lines, and the rollicking situations that occur make "Early to Bed--Early to Rise," the senior class play, an outstanding comedy. The play is a picture of the everyday life of the Fuller family. The entire three acts deal chiefly with the exploits of a young girl of about eleven, Patsy (Dorothy Krause), who spends a great deal of her time at the pet shop of an old German, Otto Kirschmeier (Owen Failey) and who is forever bringing home unwelcome pets--among them a skunk.

The love interest is supplied by Marion Fuller (Nadlie Ehlert) and her employer Jim Griggs (Ralph Feller). The smooth path of love, though, is upset when Laura (Clarice Bogdon), a very beautiful but fragile Southern girl begins to cling to Jim. Bobby (Donald Gordon) a typical American lad, indifferent to anything except the subject of cars, is kept busy trying to persuade his girl friend, Spanky (Agnes Piette), that they can't get married. Everitt Fuller, (James Schwedler), who is a mild, friendly, little man, is forever engaged in perfecting some current invention, his latest being a chicken feather picker. Abbie (Gertrude Cumber) a brisk, well-meaning spinster, is kept busy filling a mother's place.

Real excitement occurs when a young lady of the press, Daisy Fairfax (Caroline Serrahn) announces that Patsy is the winner of the "Cinderella House" In order to help Otto, who is being put out of business by Mr. Conkle (Clinton Halverson) and her sister, Patsy sells the house. Everything turns out for the best, making "Early to Bed--Early to Rise" a grand production. The play, which was presented June 7, was directed by Miss Marion Boedecker.

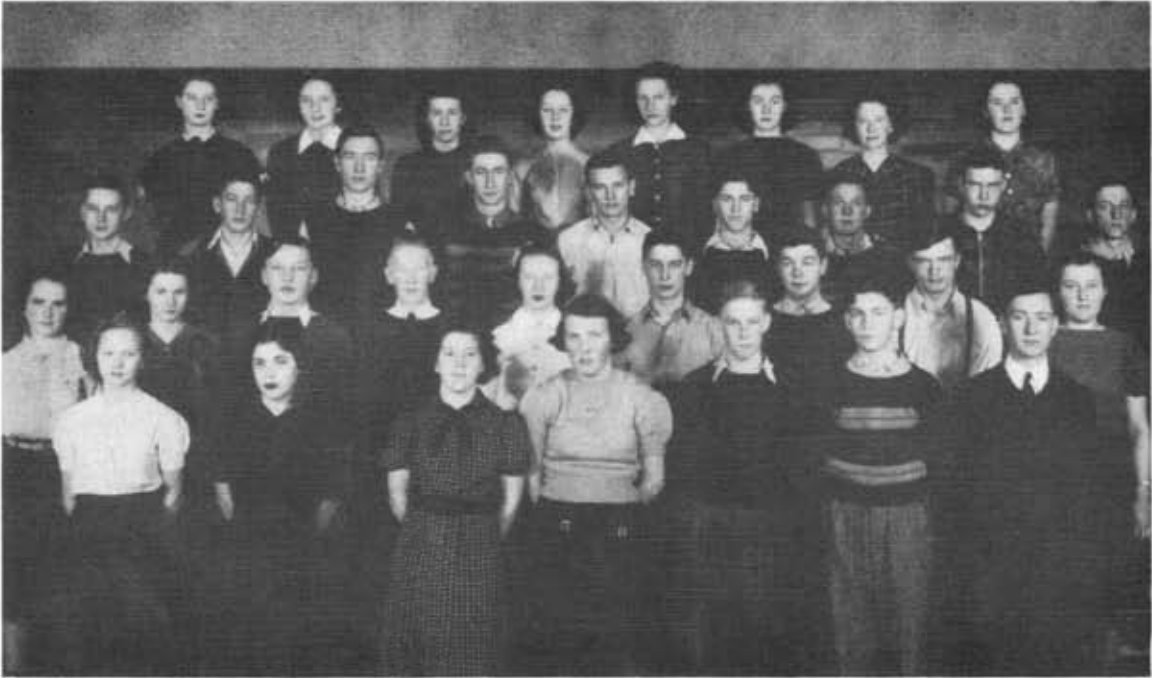

DRAMATICS CLASS PLAY

April 15 was a very important day in the history of the 1939-1940 dramatics class, as it was the time they presented their three-act mystery-comedy in the Algoma High School Auditorium. Because of its well-constructed plot of mystery, romance, and comedy, the play, "The Jade Ring" was enjoyed by everyone who saw it. An afternoon performance, which was attended mostly by grade school children, was given on the same day.

The plot revolved around the hero, Laurence Mitchel (Joe Van Dam), who found himself left with a mortgaged house on his hands and a mother (Vivian Heidmann) and sister (Marion Ponath) to care for at a time when he was in love and wished to get married. Other unexpected complications arrived to maintain the interest of the audience throughout all the three acts.

The characters were: Joe Van Dam, Marion Ponath, Marlyn Flegal, Allen Kirchner, Vionne Poehls, Betty Hruska, Tony Failey, June Poehls, Betty Jerabek, and Vivian Heidmann.

Mr. Berger gave the class his greatly appreciated assistance in making the stage setting. Mr. Leist and his orchestra furnished the enjoyable music between acts. The girls in the dramatics class who made the costumes were assisted by Miss Florin. The play was under the direction of Miss Fayne Tegatz.

JUNIORS

"The Rhapsody in Blue" is a title that might well be used to describe our Junior Prom--the outstanding social event of this year. The affair took place in our school gym on May 31 under a ceiling trimmed with the color scheme of blue and silver. All other decorations enlarged upon this color scheme; thus helping to bring out the beautiful theme previously mentioned as "The Rhapsody in Blue." As the guests arrived, they received programs which also carried out this idea.

From king, Ernest Bero, and his queen, Grace Kenney, led the grand march. The guests danced to the syncopated rhythm of Johnny Nugent and his orchestra. The prom advisers were: Miss Marjorie Pederson, Miss Harriet Olson, Mr. Fred Leist, and Mr. Earle Sanford.

The committees in charge of this grand social event were: Decorating--Vivian Heidmann and Kenneth Hoffman--chairmen, and Blanche Heck, Agnes Hettiger, Betty Jerabek, June Poehls, Marion Ponath, Carol Albro, Loretta Ciha, Pat Dart, Betty Hruska, Anna Mae Schmiling, Edwin Feld, Ruby Gaulke, Stanley Fulwiler, Charles Alexander, Philip Dart, Orville Demeuse, Donald Lemkuhl, Warren Maedke, Margaret Zimmerman, Harold Hucek, Leonard Chaudoir, Harold Anderegg, Harold Sibilsky, and Kathryn Wolf as members; Programs--Sylvia Levin, Chairman, Marie Heldman, Jean Perry, Celia Vandervest, Marion Feller, and Barbara Wehausen; Advertising--Elda Nell, Chairman, Robert Peot, Ernest Post, and Edson Stevens, members.

CLASS OF 1941

"Always be busy," seems to be the motto of this year's lively group of juniors. The apparent reason for this is that they are anxious to take part in every sport or activity offered by our high school.

The first semester election gave them an all boy executive body. Orville Demeuse was elected president; Philip Dart as vice president, Stanley Fulwiler as secretary, and Harold Hucek as treasurer. The faculty advisers are: Miss Marjorie Pederson, Miss Harriet Olson, and Mr. Fred Leist.

Juniors are greatly interested in club work. They have representatives in almost every club in school. Both of the high school cheer leaders are Juniors. Of this fact, they are very proud. They have also had representatives on both the football and basketball team, and in all the types of forensic work.

Always keeping in mind the word "improvement" they earnestly strive to become 1941's outstanding graduates.

SOPHOMORES

Yay! Sophomores. They really are an up and coming class. Whatever isn't done in class work or behavior is made up for in extra-curricular activities. It is an outstanding fact that nearly one third of all band members are sophomores. They were represented on the school football team by Francis Copper-smith and Paul Cihlar. These, however, aren't the only activities in which sophomores have taken part. Included are: Student Forum, Home Ec. Club, Future Farmers, Chorus, (three of them are in the cast of the Mikado) Dance Band, Journalism Club, String Orchestra and others.

Our class officers are: president, Bob Dommer; vice president, Francis Copper-smith; secretary, Edythe Hunsader; treasurer, Alice Leischow.

A verse that suits the sophomore class to perfection:

Sophomores are a jolly bunch
Always ready for fun with you
That's the reason they'll survive
To be the class of "forty-two."

FRESHMEN

Freshies, green but gracious, are one of the most active groups in school and it won't take you long to find this out, if you are on the alert. The first thing they did under the able supervision of their class advisors, Miss Tegatz and Mr. Sanford, was to select the following officers: president, Carl Failey; vice president, Lewis Schwedler; secretary, Edith Birdsall; and treasurer, Edith Slaby. Freshies have been very active in most of the organizations and activities that are open to them.

Several of them went out for debate and they appear to be making a fair amount of progress. Just look at the list of freshies out for basketball and football--Lloyd Kirchman, Bob Hucek, Arnold Freix, Charles Zastrow, Roland Corbisier, Lewis Schwedler, James Lindeke; and we're quite sure that the list will be at least twice as long when they are seniors. A large number of boys who are interested in agriculture have joined the Future Farmers Association; and do not think that all the girls do is study! Many of the girls have joined the Home Economics organization called the "Queen of Clubs." A few of the girls have also participated in basketball. Not content with the above activities only, many of the freshies have developed interesting hobbies.

Besides all these accomplishments, the freshmen put on an assembly program during the fall to give the other classes an idea of their various talents. Most of the selections were musical with the exception of several dialogue poems. The freshies have made a promising start and we certainly hope they will keep it up for they have the makings of a grand class.

PROS AND CONS

This year's question for debate was resolved: That the federal government own and operate the railroads.

The students reporting for debate were divided into two squads, a senior squad and a freshman squad, with Miss Marion Boedecker as coach.

The senior squad participated in six debates in the Northeastern Conference Debate Tournament held at Shawano, on December 18th. Members of this group were Mercedes Hunsader, Marion Ponath, Kathryn Wolf, and Nadlie Ehlert. Mercedes Hunsader and Marion Ponath were awarded the bronze debate medals for two years participation in interscholastic debate, and Nadlie Ehlert and Kathryn Wolf received letters for one year's participation.

The freshman squad, Edith Anne Birdsall, Thomas Lang, Carl Failey, James Evans, and James Lindeke, took part in two practice debates at Kewaunee. These students were awarded debate letters for one year's work in debating.

NEWS OF THE DAY

Let us have a look at the Journalism Club consisting of eighteen members. The meetings are called to order at 3:45 on Monday, under the direction of Miss Dorothy Walters. Our editor, Elda Nell, and our assistant editor, Janice Mateju, take care of business matters brought up by club members. The beats of each reporter are checked or new beats assigned. Our meetings are adjourned at about four o'clock.

During the first few weeks, rules of journalism are taught, followed by a test to determine the acceptance of club members. News and activities of the school are written up by student reporters, typed by advanced students, and published in the Algoma Record Herald.

The activities of the club are numerous. Candy bars were sold at football games, and pop and candy bars at basketball games to raise money for the above picture and club pins. On November 28, a Hallowe'en party was enjoyed by the club.

The club has been growing and we hope it increases, for it's activities are most interesting.

MORNING MELODIES

This year the Algoma High School band consists of sixty members, the largest membership for a number of years.

On April 29, 1939, the solo and ensemble tournament was held at Two Rivers with Algoma taking fourteen first places, nineteen seconds, and five thirds. Vocals were entered for the first time and received excellent rating, taking three first places and one second. The band performed remarkably at the district music festival which was held at Sheboygan. It returned with a first place in concert, a second in marching, and a second in sight-reading.

The band entertained at the Cherry Blossom Festival and also at the Cherry Harvest Festival at Sturgeon Bay during the summer. Everyone enjoyed playing at Kewaunee's Fourth of July celebration and at the Luxemburg County Fair. This year's band played at the football and basketball games. It performed special marching maneuvers and paraded at the homecoming.

The officers of the year were: Dorothy Krause, president; Mildred Levin, vice-president; and Vivian Heidmann, secretary and treasurer.

On December 19 the band gave the annual Christmas concert. Much credit may be given to Mr. Leist for the splendid concerts presented throughout the year, and for his guidance in all the band activities.

HIGH C ... LOW C ... MIDDLE C

The A Capella Choir had another successful year, the membership jumping from last year's membership of sixty-eight to a new high of seventy-eight. This year's officers are: Jeanette Melchoir, president; Reuben Feld, vice president; and Bob Dommer, secretary-treasurer.

The Christmas Concert was effectively performed by candlelight. The program consisted largely of sacred numbers, three of which were Christmas Carols. The program closed with the singing of the popular "High School Alma Mater."

Besides the regular choir program, a new singing group made its initial appearance. The organization, the Girls' Glee Club of thirty-four members, sang a program of several short secular numbers and two Christmas Carols accompanied on the marimba by Marion Ponath and Collette Gerhart. Elaine Lohrey was piano accompanist for this group.

HOUR OF CHARM

Early in September, 1939, the high school students witnessed the first performance of the girls' dance orchestra. This new organization has been doing wonderful work in swing, novelty, and standard arrangements. Each selection of music is beautifully interpreted in correct style. There are twenty-two alternating members--fourteen playing at one time.

With the vocalists, Edwin Feld, Reuben Feld, Bob Zettel, Collette Gerhart, Alice Leischow, and Dorothy Krause, the orchestra has performed for school assemblies and school parties. The two most important social interests were the football home-coming dance in October, and the theater party given at Green Bay for the girls. This theater party was given on December 14. Mr. and Mrs. Bertram, Mr. and Mrs. Zirbel, Mr. Schumerth, and Mr. Leist accompanied them to Green Bay.

Mr. Leist, who directs the girls, meets with them one night every week to rehearse for their programs. All members were selected from the high school band except Helen Dubratz and Grace Kenney who are post-graduates.

The Future Farmers of America is a national organization whose objective is to develop vocational agriculture work. Our chapter had two members who met the requirements of state farmers. They were Edson Stevens and Gerald Kramer. They also participated in the "Facts Contest" where Edson Stevens placed third in the state.

This year the F. F. A. sponsored a bean soup party at which all the school boys were invited. Entertainment was provided for in the form of basketball, boxing, wrestling, tug-of-war, volley ball and was topped with a bowl of delicious bean soup.

The highlight of the year's activities takes place in June, when we take our annual camping trip. We camp on a beautiful secluded spot on the shores of the Peshtigo River. Before sun up, the boys are out on the river trying to be the first to catch a fish. Later in the day, the boys go in for swimming, and kittenball.

Other activities are an exhibition at the state fair, state judging contest, basketball, and kittenball team, "Father and Son Banquet", and a public speaking contest where Gerald Gilson and Reuben Feld represented our chapter.

HOMEMAKERS' HOUR

Keep your dial tuned to station QOC which will broadcast a report of activities in which the Home Economics Club of Algoma participates.

The presiding officers of the club are: president, Ruth Banks; vice president, Mildred Levin; secretary, Vivian Heidmann; treasurer, Elda Nell; reporter, Agnes Hettiger; historian, Trilbe Brandt; and song leader, Collette Gerhart.

Many social activities have been sponsored, and social life has been enjoyed. Some of the social services were giving Thanksgiving baskets to the appreciative families, presenting a "Now and Then" Thanksgiving program for assembly, and spreading Christmas cheer through caroling, decoration of halls, and auditorium. Some social events enjoyed were the faculty and freshmen tea, hikes, and special occasion parties.

The professional activities carried on were: entering a first prize booth at the State and County Fairs, curtaining the clothing laboratory, "Mother and Daughter Banquet", and a money making project. QOC is now signing off until 1941.

MARCH OF TIME

On December 4th a new year of activity began for the thirty-three members of the Students' Forum. At this first meeting they elected their officers and planned a program for discussion in the following weeks. Loretta Ciha was chosen reporter; Edson Stevens, moderator; Kathryn Wolf, vice president; and Margaret Zimmerman, secretary. Everyone agreed the most suitable and interesting topics would be about the nations at war, America's relationship to them, and our trade treaties with Japan and Latin America.

December 18th, two days before Christmas vacation, the club members held a short business meeting to introduce the constitution to new members, and then had a Christmas party in the kindergarten room. After playing games, exchanging gifts, and having refreshments, they had Mr. Canney take a picture of the group beside the fireplace.

For the remainder of the year the students meet every other Monday night to discuss current topics and become acquainted with the rights of Americans to voice their opinions. They fully realize the importance these opinions have on developing citizenship. All over the United States the active youths of high schools and colleges are forming these organizations to exchange their views on present problems and future programs.

Those selected to represent Algoma High School were Bonnie Berg and Carol Albro.

Carol Lehnert, Pearl Gaulke, and Betty Jerabek competed in the serious declamatory contest while Grace Sibilsky and Collette Gerhardt gave humorous declamations. At Oconto Falls, April 3, Betty Jerabek presented "Ashes of Roses" Pearl Gaulke "The Cornhusk Doll", Collette Gerhardt "Bringing Up Baby", and Grace Sibilsky "At the Lace Counter".

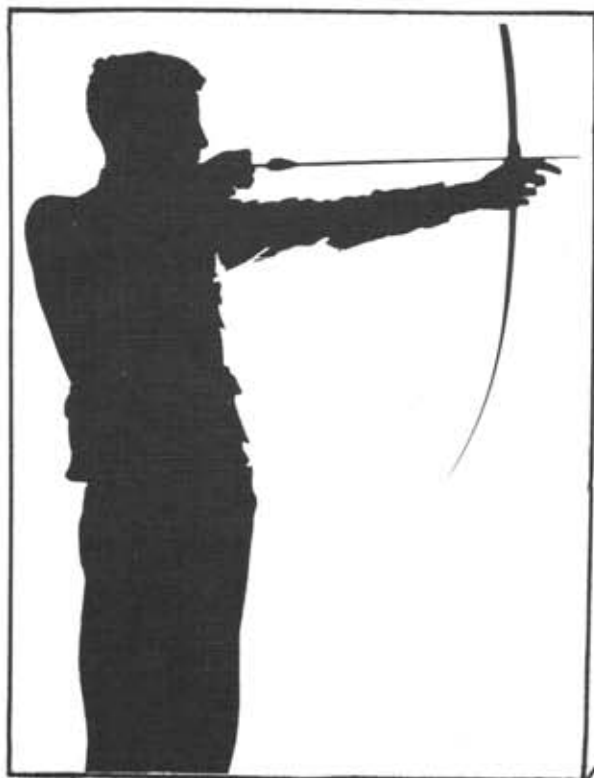

Algoma's orators at the Oconto Falls contest were Eileen Nell and Edwin Feld who gave the "The Hardest Thing in the World" and "The Ramparts We Watch".

F.F.A. SPEAKING CONTEST

On March 27, the Future Farmers' district speaking contest was held at the local high school. Of the six chapters in the district only Kewaunee, Sevastopol, and Algoma participated. Mr. G. Mullendore, county agent from Door County, acted as judge.

Reuben Feld, Algoma's contestant who spoke on "Soil Erosion, the Farmer's Enemy", received first place and went to Waupaca April 9. The Sevastopol speaker gave "Cooperatives as Social Benefits" and received second place. Third place was received by Kewaunee's contestant whose topic was, "It Pays to Advertise Farm Products".

SPORT FLASHES

The homecoming, since it has become an annual feature, has become the highlight of the season to the team and the students. The activities started off in assembly, Friday, October 6, with the team and the coach on the stage. This was the beginning of the spirit building campaign that ended only with the end of Saturday's game. The students gathered Friday night on the lake shore to witness the bonfire and cheer the team. The fire was so large that it is rumored the homecoming rivals, Kewaunee, could see it. The team members made short speeches, and then the Kewaunee "Indian" was burned in effigy, Clint Halverson, the captain for the game, doing the honor by throwing the dummy into the fire. This was the signal for the snake dance through town to begin.

Saturday afternoon, the teams went onto the field with the Indians determined to keep their winning streak and the Wolves with victory their aim. During the first three quarters the visitors piled up a lead of three touchdowns before the Wolves got started. When the Wolves started they went right on to get two touchdowns in rapid succession. The rooters went wild at this show of fight. The team was well on its way to the tying touchdown when the final gun went off. The Indians' early lead had made our homecoming tragic but, nevertheless, exciting.

Their spirits not dampened by defeat, many high school students turned out for the homecoming dance held in the gym in the evening. The music was furnished by the high school orchestra under the direction of Mr. F. Leist.

FROM THE GRIDIRON

SMALL, FAST SQUAD--OUTLOOK-DULL

August 29--Today was the first session of this season. Thirty two boys reported, seven of which are lettermen from last year. The group is strong on speed and fight. The new head coach, Harold Schumerth, plans on capitalizing on this speed by using the Notre Dame system.

SQUAD IN HIGH SPIRITS--WE MAY WIN

September 15--For two weeks, the team has held daily workouts and has been transformed from raw recruits to a snappy football squad. Tomorrow the team opens its season.

WE DID WIN--SQUAD LOOKED GOOD

September 16--Today the Wolves received their first baptism under fire. Their opponents were the Green Bay West "Jayvees". The local boys out played them to the tune of 6 to 0. The team worked well on both defense and offense, scoring on a long pass from Dart to Halverson which netted 70 yards and the victory.

INEXPERIENCE AND SIZE BEGIN TO SHOW--A VERY BAD DAY

September 23--Today the Algoma Wolves were the guests of Sturgeon Bay for the first conference tilt on their schedule. The Bays paced by Paul reached "pay dirt" 6 times to win 38 to 0.

BOYS PLAYED A FINE GAME BUT SIZE AGAIN WAS HANDICAP

September 30--This Saturday was the first home game for the Wolves. They played the Two Rivers Air Patrol. The game was fought hard and fast to the end. The Wolves team was held on the Patrol's three yard stripe while the Patrol made the most of its opportunities to win by 13 to 0.

DEFEAT DUE TO LATE START--SQUAD LOOKS BETTER

October 7--The annual homecoming was held this week-end for the Kew-awnee tilt. The team spoke at the rally last night and today went out to prove what they said. The game was a thriller with the invading Indians scoring the first three touchdowns, then in the last quarter the Wolves scored twice in rapid succession. The game ended with them well on the way to the third and tying marker. Feller and Failey toted the ball over for the Wolves. The final was 19 to 12.

PERHAPS OUR BEST GAME

October 14--The Algoma team invaded enemy territory at DePere where they met the powerful Redbirds. The team went down fighting against great odds. The Wolves threatened but were held by the smart defensive play of the Redbirds. The tilt ended with the DePere team leading, 19 to 0.

TWO WEEK LAY-OFF IS TOO MUCH

October 28--The Wolves are still on the road, having played today at Oconto Falls. The Falls completed an undefeated home season by winning over the Wolves 25 to 0.

SENIORS LOOK GOOD--WE WILL MISS THEM IN 1940

November 1--Today, Wednesday, was the last football action some of the boys on the team will see. The Blue Devils from Oconto were the rivals. The Blue Devils came through scarred, but victorious. Ralph Feller and his fellow seniors, Clinton Halverson, Sidney Hettiger, Allen Kirchman, Millard Prokupek, and Lloyd Hoppe gave outstanding performances. These boys and Joe Van Dam, who was out on injuries, are the players who are graduating and will be lost to the team next season.

FROM THE CAGE

TEAM PLAYED EXCEPTIONALLY WELL

November 29--The Algoma Wolves opened their basketball season by meeting the Oconto Blue Devils. The Wolves roster is made up of the four lettermen from last season: Ralph Feller, Sid Hettiger, Joe Van Dam, and Jim Le Cloux, with newcomers Millard Prokupek, Ernest Bero, Phil Dart, Leonard Chaudoir, Donald Gordon, Clint Halverson, and Gerald Kraemer, filling in the rest of the berths on the squad. The Wolves got off to a good start with an early lead but lost in the closing minutes by the small margin of 19 to 16.

AS IN FOOTBALL, INEXPERIENCE HURT

December 8--The Wolves held their first local contest against the Sturgeon Bay Cagers. The Bays won the rough and tumble match by their "monopoly" on the jump balls and on rebounds. The final gun found the score at 16 with the visiting Bays on the long end.

PURGOLDS TOO FAST AND STRONG FOR US

December 15--The Purgolds of Two Rivers played host to the Algoma five, who came with hopes of defeating the unbeaten rivals. The Wolves drew first blood on a field goal, but the string of victories was not to be broken. The Purgolds maintained their record by winning 32 to 14.

BOYS IN SECOND WEEK OF SLUMP

December 22--The Oconto Falls quintet played on the Wolves' home floor. The invading Panthers won the decision by a 21 to 8 final tally. LeCloux set the pace for the Wolves and led the scoring.

SLUMP CONTINUES--FREE THROWING AND FOULS RAISE HAVOC

January 5--Kewaunee avenged previous defeats at the Wolves' expense on the home court. The Indians clicked to score 33 points to Algoma's 14. Prokupek was high scorer for the invading Wolves.

TEAM SHOWS SIGNS OF IMPROVEMENT

January 12--In a thrilling hard fought home game with DePere's Red Birds, the Wolves gave a good account of themselves, although they ended on the short end of a 24 to 11 score. Captain Feller led the Wolves in scoring four points.

SHOOTING IS BAD, HOWEVER WE WORKED BALL IN FOR SOME NICE TRIES

January 19--Algoma played Oconto on the home grounds for the first return match of the season. The teams both played a mediocre brand of basketball with a total of only five field goals scored. The defensive play was stressed as the score 15 to 3 indicates.

BOYS LOOK MUCH IMPROVED--SPIRIT HIGH

January 26--The Wolves, playing this week at Sturgeon Bay, soon recovered from slump to win a thriller from the Bay five. The action took place during the second quarter when the Wolves took possession and scored several times to build up a lead of seven points. They held to this lead grimly and won when it had dwindled to one point, the score being 24 to 23. Hettiger and Feller shared top honors for the winners, each scoring 9 points.

WE FELL A LITTLE SHORT, BUT IMPROVEMENT CONTINUES

February 2--The conference leader, Two Rivers, had a battle on their hands this week. The Wolves jumped to an early lead over the stunned Purgolds. The teams exchanged the lead eight times during the contest. The Purgolds rallied in the last three minutes of play, when they scored the last four points of a 25 to 19 score.

OFFENSE LOOKS GOOD, BUT DEFENSE WEAKENS

February 9--The Wolves played at Oconto Falls where they surprised the rooters by overcoming the Fall's early lead and tying the score. From then to the final whistle it was a see-saw battle with the Fall's five on the top side of a 35 to 33 score.

Back Row--Coach Schumert, T. Lang, O. Demeuse, C. Halverson, G. Kraemer, P. Dart, D. Gordon, Assistant Coach Canney.
Front Row--J. LeCloux, S. Hettiger, R. Feller, M. Prokupek, Van Dam, Bero.

SPORT FLASHES

February 13--The Wolves played their last home game against their lake-shore rivals, Kewaunee. The locals fought hard and fast, but were beaten by the accuracy of the opponent's "gift" shots. Hettiger once again holds top scoring honors by virtue of two beautiful long shots from the center circle and an "in" shot. Score 27 to 17.

WIND UP CONFERENCE SEASON

February 23--Algoma closed its conference season with a loss to the powerful Redbirds. The DePere boys got off to a good start and grabbed a 10 point lead the first quarter. The game was a down hill fight with the Wolves unable to recover the lead. DePere held the edge in a 34 to 23 decision. This game ended the careers of our fighting forwards, LeCloux and Feller, and their senior team mates Hettiger, Prokupek, Halverson, Van Dam and Gordon. Thus ended a very mediocre season for the Wolves.

INTRAMURAL BASKETBALL

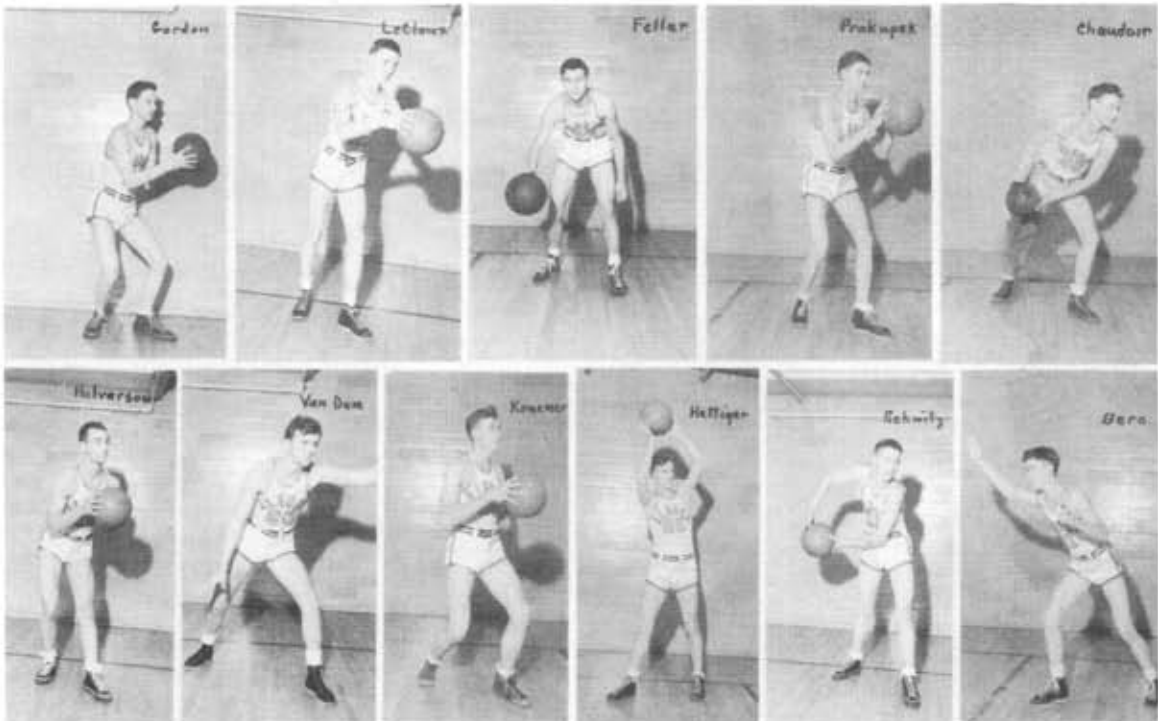

Coach Harold Schumerth issued a call for all boys interested in intramural basketball the first week in January. There was a large turnout and eight teams were chosen. Two nights a week were set aside for playing. It was a close race with "Failey's" team finally winning out over "Demuese's". E. Eggert led the scoring with 69 points. T. Failey and R. Weidner were close behind with 60 and 59 points respectively.

Team Captain	W.	L.	Pct.
T. Failey	6	1	.857
O. Demuese	5	2	.714
J. Tenor	5	2	.714
G. Kramer	4	3	.571
G. Schmitz	4	3	.571
C. Wichman	2	5	.285
D. Gordon	1	6	.142
B. Maedke	1	6	.142

The minor sports activities have been greatly aided by the purchase of new equipment. New mats have been obtained for boxing, wrestling, and tumbling. The gymnasium floor has been marked for tennis, volley ball, badminton, and softball.

Harold J. Schumerth conducts the boxing, wrestling, and tumbling during gym periods. One fight took place during the period between halves of a conference game. The boxing match went the full three rounds and supplied the basketball crowd a surprise and a few laughs. Art Gwynne won a disputed decision over Sid Holub.

Soft ball teams are chosen in the gym classes and provide keen competition for their members. Baseball and spring football are other important athletic activities. The baseball team competes with the surrounding schools for a mythical championship.

WHOOPS AND HOOPS

Algoma again had a good turn-out for the girls' basketball team which was coached efficiently by Miss Marjorie Pederson.

First and second teams were selected with plenty of "subs" for each. At the practice periods, which were held every Tuesday evening at 7 o'clock and every Friday at 3:45, the beginners were given instructions in shooting, dribbling, the different kinds of passing, and how to work together. During the remainder of the time, practice games were played. Substitutions were made during the game, giving everyone a chance to play.

The team wound up its season with a victory game over the Door-Kewaunee Normal girls on Friday, February 13. Arlene Sibilsky, Joyce Kipping, and Ione Zirbel were high scorers for Algoma with two field goals respectively. At the half, Algoma was in the lead 13 to 4, with the final count at 18 to 6.

Miss Tegatz: "What nave you in your mouth Lloyd?"
 Lloyd B.: "Gum."
 Miss T.: "Well, don't chew it so loudly that you make us all jealous--including myself."
 Gerald K.: "Was the F. F. A. Banquet last night a quiet affair?"
 Edson S.: "Yep--after the soup course."
 Teacher: "Now, Johnnie, if you have \$12 in one pocket and \$14.50 in the other, what have you?"
 Johnnie: "Someone else's pants."
 Miss W.: "Write a sentence about 'Time'."
 Freshie: "The hours seemed like minuets."
 Gerald K.: "How much did you say the apples are?"
 Clerk: "Fifteen cents a peck."
 Gerald K.: "What do you think I am, a bird?"
 Baggy D.: "Pat said she'd be true to the end."
 Lloyd H.: "Why, that sounds good."
 Baggy D.: "But, I'm the quarterback."
 Clinton H.: "If you refuse me I shall die." She refused him. Sixty years later he died.
 A group of boys were approaching a haunted house in the country. One boy speaks up: "Go ahead, Phil, we're behind you."
 Sid H.: "Do you enjoy listening to the honk of a wild goose?"
 Ralph F.: "Not when he's driving an automobile."
 Mr. Canney: "What substance is HNO₃, Lloyd?"
 Lloyd H.: "I don't know, I seem to have it on my tongue."
 Mr. Canney: "Well, you better spit it out, because it is nitric acid."
 Mr. Canney: "What state is oxygen in when given off by a chlorine generator?"
 James L.: "Texas!"
 Gangster films not only have their influence on Freshmen but on the teachers too. The other day a popular one here wanted volunteers and he absent-mindedly said, "Stick 'em up."
 Then, too, there's a fellow in Miss Tegatz's class who thinks Emily Post is a branch of the American Legion.
 A GOOD REASON
 I like an exam
 I never cram
 And I don't flunk one.
 I'm the teacher.
 Romaine M.: "Miss Pederson, I can't type. My feet are cold."
 Miss P.: "Use your hands then."
 Found on a freshman's registration card: Name of parents--Papa and Mama.
