PUBLISHED BY

THE SENIOR CLASS

ALGOMA, WISCONSIN

Alice Higgins

We, the Senior Class of 1941, feel it is a pleasure to dedicate our new yearbook to Miss Alice Higgins, our annual staff adviser and teacher, for the service she has rendered our school and the guidance and aid she has given willingly that we may have the best annual possible.

Miss Higgins, because of her loyalty, thoughtfulness, friendliness, and fine work on the annual, deserves all the recognition that we can bestow upon her.

PROGRESS ON PARADE

FOREWORD

Life to each one of us is an ever changing panorama. In this edition the aim of the annual staff is to help each one relive in memory his happy days at Algoma High School, our Alma Mater.

For the 1941 "Scroll of the Wolves" we have selected a movie theme. This motif features the new moving picture machine, which was recently installed in A. H. S. School activities are depicted in a grand panorama of scenes, showing Algoma's youth at work and play in their well balanced "preparedness-for-life" program.

ALGOMA HIGH SCHOOL SONG

It's your school and it's my school;
We'll fight to bring it fame,
And to show we have the spirit
We'll be at every game.
We'll fight fair and we'll play square,
And proudly we'll confess
The man who cowers at defeat
Is not in A. H. S.

PRINCIPAL'S MESSAGE

The 1941 Scroll of the Wolves, the sixth of its kind has been brought into being. It is the result of the creative ability of quite a few individual talents. The students who have given unselfishly of their time and energy to build the book are repaid in the training that the project has furnished them. Some were called upon to develop skill in writing; others, in sketching, photography, typing; and still others, in managing, planning, and negotiating with others.

The whole program was carried out in conformity with an original purpose to furnish students a laboratory for real experience, for creative work.

Nor was this purpose spontaneous with those who learned by doing the work. Water does not run uphill. The flow of inspiration and instruction that motivated the work in producing the Scroll of the Wolves, came from a lofty source, a source imbued with the spirit of service, working devotedly, patiently, intelligently, and creatively. To that source of inspiration, this volume has been affectionately dedicated. To her we extend our sincerest congratulations for the work performed exceedingly well.

ALMA MATER

By old Michigan's proud waters,
Rolling waves of blue,
Stands Wisconsin's fairest high school,
Alma Mater true.
Sing her praises, let the chorus
Ring o'er land and sea,
Hail, Algoma, Alma Mater,
Hail, all hail to thee!

WINNERS OF SCHOLARSHIP KEY AWARDS

VALEDICTORIAN-- Loretta Ciha
 Marie Heldmann
 Janice Mateju

SALUTATORIAN--Barbara Wehausen
 Stanley Fulwiler
 Vivian Heidmann

The Board of Education, to encourage all students to strive for excellency in their courses of study, has instituted an award of merit called a "Scholarship Key." Each senior qualifying must have a minimum of ten grade points per semester of their attendance at high school.

JUNIOR CLASS

In 1938 a group of fine fellows and girls entered the portals of Algoma High School--many of them for the first time. I surmise that many of us were just a little wary and wondering what the future would hold for all of us. To lead our group we chose: Arthur Gwynne, president; Paul Cihlar, vice president, Marion Naze, secretary; and Earl Kostichka, treasurer.

Somehow we got through the first year and started on the second lap of our journey. We now became a little more sure of ourselves. As "sophs" we walked around with heads high and began to look forward to our future. The governing body elected consisted of: president, "Bob" Dommer; vice president, Francis Coppersmith; secretary, Edythe Hunsader; and treasurer, Alice Leischow.

Now we are juniors with only one year to go and then a new world opens before us. We gave a Junior Class party this year and it is our pleasure to have a Junior Prom. As officers this year we selected: "Bob" Dommer, president; Lloyd Blahnik, vice president; "Bud" Eggert, secretary; and Harvey Daul, treasurer.

SOPHOMORE CLASS

Last year as "Freshies" we were said to be an "up-and-coming" group. As sophomores we certainly live up to that reputation. Let's hope that we can keep on the next two years.

Among the extra-curricular activities in which the sophomores have taken part are football and basketball. Outstanding sophomores on the football team were Arnold Friex, Glen Kemp, Charles Zastrow, and Lloyd Kirchman.

The sophomores not only participated in sports but also in Debate, Band, and Chorus. The sophomores on the first debate team were Thomas Lang and Edith Birdsall. On the second debate team were Carl Failey and Laurabelle Gilson.

Mr. Harold Schumerth was the Sophomore Class adviser. The officers for the Sophomore Class were: Arnold Friex, president; Mike Kohlbeck, vice president; Glen Kemp, secretary; and Lewis Schwedler, treasurer.

FROM A FRESHMAN'S DIARY

I'm a member of the smallest freshman class in recent years--one of fifty-seven students who enrolled on September 9th. While walking down the hall, I heard some one remark how little and helpless freshmen are. Did that make me angry! Why, the freshmen are perfectly able to take care of themselves (if the other guy isn't too big), and they certainly aren't dumb if that's what he meant. They have elected their own officers: Billy Fellows, president; John Wheeler, vice president; James Wolf, secretary; and Richard Kolstad, treasurer.

On October 31st the freshmen had a party. There were refreshments served and there was card playing, games and dancing. The more timid ones stayed to play games, while the others danced (I'm not saying how) with the girls.

No one can say that the freshmen aren't full of pep! Many of them are members of the Home Ec. Club, F.F.A., Band, Debate, and Camera Club. Many of the boys have gone out for football and basketball. The girls also showed some of their enthusiasm by joining the girl's basketball team.

ACTIVITIES

SCROLL OF THE WOLVES STAFF

The chimes of the radio system were heard.....then came the voices of the editor, Elda Nell, assistant editors, Ed. Feld and Vivian Heidmann, and business manager, Edson Stevens. The skit which followed launched the campaign for year-book subscriptions. The salesmen, M. Naze, S. Levin, J. Kipping, C. Gerhart, and the staff officers caught the spirit and began their successful drive. Day by day the book grew and took shape under the able guidance of Miss Higgins.

Students who wrote class reports were: Margaret Zimmerman and Joe Halada, seniors; Peter Weber and Alice Leischow, juniors; Carl Failey and Edith Birdsall, sophomores; Billy Fellows and Pat Lohrey, freshmen. The snapshot staff: Ernest Bero, Betty Hruska, "Bud" Maedke, Kenneth Hoffmann, "Phil" Dart, and many students, gathered snapshots for our book, with fine cooperation from Mr. Canney, Mr. Schulz, and Mr. Doepke. A school calendar was kept by Jean Perry and "Bob" Peot. Ralph Zettel and Harold Hucek collected "class room boners".

Capable students, who presented accounts of club activities include: Betty Jerabek, annual staff work; Kathryn Wolf, forensics; Gerald Kramer, F.F.A.; Blanche Heck, F.H.A.; Grace Sibilsky, journalism; Carol Albro, chorus; Jeanne Zastrow, band; Jeannette Dix, orchestra; June Poehls, camera Club; Edythe Hunsader, Discussion Club; and Stanley Fulwiler, athletics.

Student artists, who made our book more complete by contributing drawings, were: Marion Ponath, Don Mueller, Janice Mateju, Bonnie Shillin, Francis Klarowske, and June Johnson. Credit should be given to the typists, Romaine Miller, Barbara Wehausen, Marie Heldmann, Marion Feller, and Eileen Nell.

The staff members wish to thank Donald Heidmann for the use of the picture of the school used on the title page, also Edgar Nell for the sports snapshots, and all others who have cooperated to make the 1941 yearbook possible.

TUNEFUL GET-TOGETHERS

During the past year, the dance orchestra has been making very increased progress. Although the number of members has decreased, their playing ability has improved. This organization has fourteen high school members, one being a post-graduate.

Playing for high school assemblies and school parties is the main activity of the orchestra. In October, they played for a large group at the homecoming dance. The vocalists who have performed with the orchestra are: Robert Goetz, Bob Zettel, Collette Gerhart, Alice Leischow, Grace Kenney, Marie Thiry, Betty Laurent, and Mary Ann Zastrow.

The most important events of the year were the picnic on June 27, and the dinner-theater party on December 7th, 1940, at Green Bay. Mr. and Mrs. Leist, Mr. and Mrs. Zirbel, and Mr. and Mrs. Schumerth accompanied the group to Green Bay.

Two mute racks and stands for music were added this year to the orchestra equipment. The director, Mr. Fred Leist, meets with the dance orchestra every Thursday evening. Much credit for the success of this organization should be given to him for his cooperation with the members.

STRIKE UP THE BAND

The membership of the band this year is sixty-eight, showing a slight increase over that of last year.

On May 4, 1940 about fifty members attended a solo and ensemble tournament held at Kaukauna. Besides an unusual number of firsts, two outstanding places were awarded them. These places were received by Bob Dommer's baritone solo and the girl's vocal trio, which included Dorothy Krause, Collette Gerhart and Alice Leischow. At the district music festival the Algoma band received first in marching, second in concert, and second in sight reading. When the National Tournament was held at St. Paul, Minnesota, May 17-19, a number of solos and ensembles were entered. The following second place ratings were earned: cornet trio---Dorothy Krause, Jeannette Dix, and Rufus Weidner; piccolo solo---Sylvia Levin; baritone solo---Robert Dommer; and bass clarinet solo---Alice Leischow. Mrs. Pfile and Mr. Leist accompanied the students. Since it was a new and different experience everyone enjoyed the trip.

The annual Christmas concert, which was presented on December 20, 1940, brought many favorable comments from those attending. The band as a whole performed excellently and much credit goes to our leader, Mr. Leist. It has been with his enthusiasm and leadership that the students have been able to make music organizations so outstanding at Algoma High School.

THEIR MUSIC HATH POWER

Our A Capella Choir, in the spring of 1940, performed for the first time in the District Tournament held at Kaukauna. Their performance was excellent.

At the spring concert, the choir sang one of the grandest programs they had ever done up to that time. The two tournament numbers, "The Long Day Closes" and "Open Our Eyes", were contrasted with the madrigal, "My Bonnie Lass She Smileth", the lively and powerful "Cherubim Song", the brilliant "Hallelujah", the modern version of "Drink To Me Only With Thine Eyes", and a rhythmic arrangement of the negro spiritual, "Ezekiel Saw De Wheel". The program ended with Dorothy Krause singing the solo part to the beautiful "All Through the Night", after which the curtain closed with the choir humming our "Alma Mater."

The choir of 1940-1941 began its year with a much larger enrollment than it ever had. The Christmas Concert, sung by eighty-three members, was an exceptionally interesting program. In conjunction with the band, the presentation of "God Bless America" was very unusual. Collette Gerhart sang the solo and during the performance of the tune, the American Flag, with an amber spotlight shining upon it, could be seen waving in the center of the stage.

The officers elected by the choir were: Alice Leischow, president; Orville Demeuse, vice president; and Betty Hruska, secretary and treasurer.

INFORMATION PLEASE

Our next stop is room 205, the meeting place of the Student Forum. Just a minute, maybe you would like to know a little more about the club first. It is barely three years old, yet it has developed quite completely. The purpose of this informal discussion group is to help the students understand and interpret recent national and world affairs.

Shall we open the door now? I can see Miss Higgins, their faculty adviser. Warren Maedke, the president, is at the head of the group. Margaret Zimmerman, the secretary, is taking a few notes. I wonder, are we in the right room? It sounds like a heated argument. No, it is just some of the members expressing their opinions on an event in the news. There is no doubt that the members are enjoying themselves. There are thirty members in the club this year.

The topics of discussion are selected by student committees which arrange the programs and provide for panel speakers to lead the discussion. Some of the topics discussed thus far were: Christmas in Other Lands, A Review of Important Headlines of 1940, National Defense, Aid to Britain, and many others. The club members have enjoyed a Christmas party and a Washington Birthday party.

LOCAL CORRESPONDENTS

The meetings of the Journalism Club are called to order every Monday at 3:45 by Miss Dorothy Walters, the instructor. The club consists of nine senior reporters and five cub reporters. The editor, Vivian Heidmann, and the assistant editor, Margaret Zimmerman, take care of the business matters that are brought up by club members. At intervals the club reporters are given an assignment of new beats. Our meetings are adjourned at four o'clock.

The rules of journalism are taught to the beginners the first few weeks of school, after which a test is given to determine the acceptance of the club members. Student reporters write the news and activities of the school, which are typed by advanced students in the commercial department, and published in the Algoma Record-Herald.

In order to help raise money for the above picture, candy bars and pop were sold at basketball games. The club enjoyed a Halloween party on November twenty-fifth.

We hope that this club will continue growing for it is very interesting to be a reporter.

THEY'RE ALWAYS IN DEMAND

Let us now review the activities in which the Future Homemakers of America have participated during the past year.

Last fall the old members met and elected the following officers: president, Elda Nell; vice-president, Kathryn Wolf; secretary, Collette Gerhardt; treasurer, Jeanne Zastrow; historian, Jeanette Dix; reporter, Anna Marie Schmitt; and song leader, Margaret Stade.

The F.H.A. of Algoma carries on many social and professional activities. It entered a second-prize booth at the State Fair and a first-prize booth at the County Fair. The booth was a "Home Beauty Salon." It presented a very successful Professor Quiz program for the assembly, gave Thanksgiving baskets to the needy, spread Christmas cheer through the school by decorating and caroling, gave a Mother and Daughter Banquet, and sponsored a basket social for all of the students in the high school.

Two radio skits were given by the club over station WIBA, Madison, on August 1, 1940 and March 23, 1941. The members who went in August were: Collette Gerhardt, Sylvia Levin, Delores Serrahn, Jeanette Dix, and Ruth Banks. The members who gave the skit on March 23 were Jeanette Faken, Agnes Hettiger, Kathryn Wolf, Jeanne Zastrow, and Elda Nell. They were accompanied by Miss Olson.

This organization has an enrollment of sixty-three members. It's popularity is continuing to grow.

FRONTIERS OF THE FUTURE

Being interested in the F.F.A., a national organization for boys taking vocational agriculture, I attended a meeting at the Algoma High School one evening in September. The activity had just begun when I arrived. On entering, I noticed that the meeting was being opened with the F. F. A. ritual, a ceremony which is planned to solemnize the meeting and to bring out the true spirit of all F.F.A. work. The president, Joseph Halada, was stationed under a picture of the rising sun; the vice president, Melvin Machut, by the plow; the secretary, William Stoller, near an ear of corn; the treasurer, Gerald Kramer, under a picture of Washington; the reporter, Robert Weidner, under the American flag, and our adviser, Earle Sanford, beside the owl. From these positions the officers conducted the regular meeting. I was informed that twenty-two out of twenty-five boys were present.

When the regular discussion started, Wm. Stoller outlined the activities for the next year. They included such things as a camping trip, Father and Sons banquet, judging teams, party with the Home Economics girls, stag party, State Fair exhibits, basketball team, F.F.A. clinic, treating of seed grain and corn, selling garden seeds, and improving the quality of barley in our community. The main purpose of our organization is to make today's boys better farmers of tomorrow.

After a lively discussion a call came that refreshments were ready. The meeting adjourned and there was a grand rush for something to eat. Everyone went home happy and contented after doing justice to ice cream and cake.

SPEAKING OF SPEAKERS

The question for debate this year was resolved: That the power of the federal government should be increased. The Debate Club met several times a week for practice, during the fall, under the direction of Mr. Harold Schulz.

In the debate tournament, which was held at Neenah, the Algoma teams participated. Three debates were won by the local contestants. The first team consisted of: Affirmative--Edith Birdsall, Thomas Lang; Negative--Betty Jerabek, Robert Dommer. The students, who represented the second team, were: Affirmative--Laurbelle Gilson, Carl Failey; Negative--Joyce Birdsall, Lloyd Schmeling.

Robert Dommer, Betty Jerabek, Thomas Lang, Edith Birdsall, and Carl Failey received bronze medals for two years of service. Laurbelle Gilson, Lloyd Schmeling, and Joyce Birdsall were awarded letters for one year of service.

FORENSICS

The serious declaimers, who represented A.H.S. at the speech contest held in Algoma on April 16th, were Betty Jerabek and Dorothy Root. They were chosen at an elimination contest on March 18th.

Humorous declamations were given by Marie Thiry and Sylvia Levin. Students who competed in the elimination contest were: Kathryn Wolf, Lila Anderegg, Alice Leischow, Dorothy Root, Eunice Lehmkuhl, Betty Jerabek, Marie Thiry, and Anna Mae Schmiling. Miss Fayne Tegetz directed the work in declamatory.

Orations were given by Lloyd Schmiling, Irene Van Lannen, and Eileen Nell, under the supervision of Mr. Harold Schulz.

Pigskin Parade for '40

With the past seasons' mediocre record as a foundation, and enthusiasm as the keynote, the '40 Wolves are once again in action. The squad, the lightest in years, with ten lettermen and a score of "new boys", is thought to be capable of better performances than those which have characterized the Wolves of the two previous seasons. Their first opportunity to prove this takes place on the home grounds of the Oconto Blue and Gold.

A KICK IN TIME

Oconto 7 - Wolves 6

With the score should be mentioned, Old Sol, 76°. Playing in this temperature handicapped both "elevens". The game was the usual early season story, with the teams showing little drive and a few rough spots. The first half gave the Algomen the edge, but no "pay dirt". The Blue and Gold took full advantage of the slight opening offered by the Wolves' third period slump and scored with a run by Colson, who also converted. The Wolves, by means of a long pass, Dart to Bero, scored, but the dropkick-for-point went wide. The fellows came home determined to do better next week against the all-powerful Sturgeon Bay team.

Sturgeon Bay 18 - Local Boys 0

Sparked by "Bud" Maedke's tackling and Bero's good all-around performance, the Wolves made a good showing against "Bernie" Paul and his feared powerhouse. Up 'til the point in the third quarter, when the officials removed Dart, the score was the Bay's 6 and the A. H. S. O. Weakened by lack of reserves and the loss of Dart, the Wolves were over powered. Several injuries, important ones, are expected to handicap the team still further in the contest with the Golden Air patrol of Two Rivers, the next opponents.

Two Rivers 60 - Wolves 0

Bad performances, injuries, and an opponent who was "hot", all contributed to one of the worst beatings the plucky Wolves have ever sustained. By monopolizing the ball, and constant pressure, Coach Hall's men stopped the boys cold. This beating should put the Algomen in a psychological frame of mind to meet up with their rivals, the Kewaunee Indians.

Indians 12 - Wolves 0

Swagle proved to be the Wolves' headache, for he and the "tribe" fought the Wolf "pack" to a stand still. Kewaunee capitalized on their weight by ripping large gaps in the defensive line. Maedke again played outstanding ball. Homecoming is next week, with a battle against the mighty Redbirds.

De Pere 27 - Algoma 14

Rain, rain, and more rain! This is the annual homecoming--plus rain. The spirits of the students and team were not dampened but the playing field was. The contest was staged on a muddy field, which had little effect on the use of passes and tricky reverses by both teams. The game, a wide open affair, pleased the crowd which expected to see a push-over. Demeuse and Bero crossed the line for the counters. The next week brings another team from De Pere, the Saint Norbert College Squires.

13 All

The Wolves romped over the visitors during the first half of the contest and scored their touchdowns with little difficulty. Dart and Demeuse plunged through big holes for most of the yardage and also for the scores. Though it seemed to be the Wolves' day, the Squires came back hard and fast to tie it up and share the glory. The last game of this season is to be played next week.

Algoma 12 - Oconto Falls 0

The Wolves, who are usually the perfect hosts, misused their guests from Oconto Falls. Coach Schumerth's boys came through with the power and fight to make this game theirs. Demeuse led the graduating footballers with two touchdowns. The Algomen were on for the first time this season, both defensively and offensively. Maedke led the victors in tackles, while Dart, Demeuse, and Bero played the outstanding games of their careers. Those fellows and "Stan" Fulwiler, Roy Durst, Ralph Zettle, "Don" Nelson, Harold Hucek, Gerald Kramer, "Ken" Hoffman, Edson Stevens, and Charles Alexander will be hanging up their spikes. They formed the main part of the '40 Football team and will be remembered next year when the team needs a yard or could use a little spirit.

THE '41 BASKETBALL SEASON

Coach Harold Schumerth and his pack of Wolves opened this season on Oconto Falls' home hardwood. The Wolves this year are represented by a likely crop of sophomores and the trio of returning lettermen---Dart, Demeuse, and Bero. The clicking Falls team came through to beat the home team 27 to 7.

Back on their home range, the "A" squad clashed with the Indians from down the lakeshore. The Kewaunee team did not accept the defeat planned for them by the Wolves, but instead took the decisive victory back to camp with them. This game uncapped the surprise package of the season for the home team's rooters, a brand new high-g geared sophomore team. Although unable to swing a 27-11 verdict to our favor, they showed considerable spark and promise.

With this secret weapon in their possession the Wolves traveled to De Pere with an upset on their minds. The senior five got off to a bad start by giving the Redbirds an early lead. The "sophs" came in during the second period with vengeance in their hearts. With the pace set by Weber and Gerondale, they took control, scored 11 points in quick succession tying the game at 15 at the half. A second half jinx, a hangover from the gridiron, put the game on the predicted course, and gave the De Pere team a win. The score at the end stood 34 to 21.

Once more playing at home, our teams were unable to break through the stalwart defense of the Bay team. Paul and his teammates held the local boys down to 14 points while they themselves scored 28. The high scorer for the losers was Bero, with 6 points to his credit.

Algoma was the guest of the conference-leading Raiders in Two Rivers. As usual when the cellar team met the stellar team, there was a runaway. Although not as badly outplayed as the score would indicate, the Wolves were "easy meat." The final count of this game was 52 to 14.

After the drubbing received last week, the Wolves just couldn't get clicking as they played Oconto Falls here. The invaders made themselves right at home and tallied up a large percentage of points for the number of shots. The home team played a good brand of ball but the shots just wouldn't pass through the hoop. The Falls team took the game 28 to 17.

In the return match with the Indians, the Algoma team got off to a tough start, by letting the Indians gain a six point advantage early in the opening period. Kewaunee's team held tooth and nail to this lead to the very end. The "sophs" team played its usual colorful game but it was to no avail. The Indians were not to be denied. Weber and Bero accounted for 10 of the 17 points which Algoma scored.

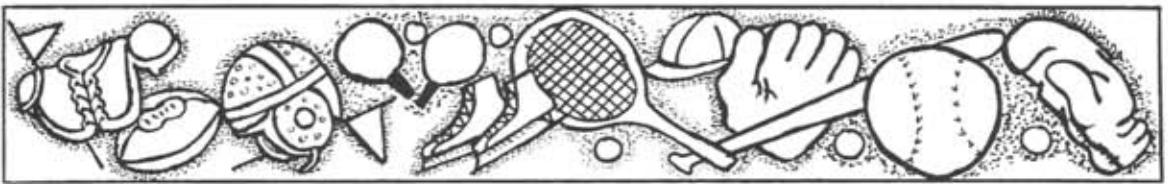

The Squires from St. Norbert's High started poorly, Algoma grabbed a nine point lead at the half, then the Squires came back to tie the score in the last minute. With a start like that, it seemed like the St. Norbert team was greatly underrated and the game an easy victory. Instead, the game was a fight to the last minute. With the score tied and only 26 seconds remaining, it was anybody's game, but "Chuck" Zastrow came through under fire with a crucial free throw, and with Weber's "in" shot, won the game 25 to 22.

With confidence renewed, by the victory of a week before, the Wolves gave the De Pere team a scare by scoring the first 5 points. The Redbirds evened the game off at the half by leading 9 to 7. The De Pere center, Hermans, played top-notch basketball in an attempt to break the scoring record for a season. He led his team to a 38 to 14 victory.

ATHLETIC ASSOCIATION BANQUET

Forty-four lettermen were presented with "A"s at the annual athletic banquet held March 13 at Alaska. The dinner was given by the Algoma Alumni Booster Club, which also gave each of the eleven senior major lettermen a white sweater having orange service stripes and the school's traditional orange letter. This event differed from those of former years in that the public was invited. All together there were eighty-six people in attendance.

The banquet was followed by a fine program organized by the club president Edgar Nell. Mr. Bertram, the chief speaker of the evening, chose as his topic, "Athletics for National Defense."

INTRAMURAL BASKETBALL

With the basketball squad so small, there was a great demand by the near-good basketballers for intramurals. Just after the holidays Coach Schumerth set aside the use of the gym after school on Mondays for the use of an intramural basketball league. The boys who answered Coach's call were divided into six teams. Then the championship race was in full swing. The Apes and the Bulls tangled first, with the apes winning 10-3. As it turned out this was the decisive game, for both teams finished the round undefeated. The main teams met again at the close of the season and again Hucek's five won 21-12.

<u>Teams</u>	<u>Captains</u>	<u>W.</u>	<u>L.</u>	<u>Pct.</u>
Apes	Harold Hucek	5	0	1.000
Bulls	Gerald Kramer	4	1	.800
Tigers	Donald Nelson	3	2	.600

MINOR SPORTS

In addition to the competitive sports, boxing, archery, tumbling, volleyball, and calisthenics are coached in the physical education periods.

With the coming of spring and drier grounds, the football and baseball teams will again be on the job. The baseball team last season turned in a fair performance by winning 1 and losing 4. One of these losses was a heart-breaker. At Kewaunee, Dart pitched a no hit game and lost 2 to 1. The physical education boys again will have a soft ball league in 1941.

FLYING SQUAD

The girls' basketball team was again started this year under the direction of Gertrude Cumber. The girls have games scheduled throughout the season. The following are on the team: Joyce Kipping, captain; Blanche Heck, Jeanette Faken, June Poehls, Joyce Schulz, Frances Klarowske, Marjorie Moore, Alice Jean Graan, Betty Laurent, Shirley Stephensen, Pearl Demeuse, Rosabelle Laurent, Verna Mae Blahnik, Edith Rock, and Florence Verheyen.

All the girls on the team aim to thoroughly enjoy the game and cultivate a sportsmanlike attitude. This organization hopes to encourage girls to become a little more athletic-minded and to have them join this group to have fun and exercise after school each Friday.

Because of her interest in the sport, and her past record of being an all around girl athlete, Gertrude Cumber, an N.Y.A. post-graduate student, has been chosen to lead the group in basketball.

NOW LET'S SMILE

Miss Tegatz: "John, will you give me a sentence using the word income?"
John W.: "I opened the door and income the dog."

Mr. Leist: (To a clerk in a music store) "Have you 'Kissed Me in the Moonlight'?" "No! It must have been the other clerk!"

Mr. Schulz: "What is the smallest living thing that can be divided and still exist in life? Miss Annoye, do you know?"

Ethel: "Well, (pause) I suppose--"
Mr. Schulz: (misunderstanding) "Cell, I suppose--why don't suppose--That's correct!"

Miss Boedecker: "Give me three collective nouns."

Norbert: "Fly-paper, waste-basket, and vacuum cleaner."

Mr. Schumerth: (to a freshman entering class late) "When were you born?"

Roy: "April 2."

Mr. Schumerth: "Being a little late must be a habit with you."

Mr. Schulz: "Sidney, what are the seasons?"

Sidney: "You mean in the U.S.?"

Mr. Schulz: "Yes, of course."

Sidney: "Baseball and football."

Miss Higgins: "When was Rome built?"

Carl W.: "At night."

Miss Higgins: "Who told you that?"

Carl W.: "You did. You said Rome wasn't built in a day."

Whoop! Whoop!

Phil: "What size shoe are you wearing?"

Stan: "Twelve, I think."

Phil: "Did you get a whistle with them?"

Stan: "No, why?"

Phil: "Wow, Such big boats and no whistle!"

Mr. Canney: (explaining the light diffusion theory) "Bud, can you give me examples of this vital theory?"

Bud Maedke: "Well, er--no, but why does the moon seem larger when seen through the trees?"

Mr. Canney: "Well, that could depend upon whom you're with!"

Mr. Schulz: "How do geologists tell time?"

Billy A: "They look at their watches."

The femme's rush for the gallant Freshie, Herman, has subsided. He's too smart for us, they say.

Mr. Doepke: "Can you give me a good example of how heat expands things and cold contracts them?"

Pete W.: "Well, the days are much longer in summer."

Mr. Leist: "What do you think of Kreisler?"

Bud Eggert: "Great! Splendid! Swell pickup, a lot of pep, and twenty miles on a gallon."

Mr. Schulz: "Tommy, why is your composition only half a page long when I asked for two pages?"

Tommy L.: "Well, you see, I wrote about condensed milk."

Mr. Doepke: "Now, Mr. Demeuse, can you give the class an example of wasted energy?"

Orville E.: "Yes, sir--telling a hair-raising story to a bald-headed man."

The Bookkeeping Class was completing a business transaction in a daily problem.

Miss Chape: "Stan, can you tell me what we do on January first?"

Stan: (enthusiastically) "Celebrate New Year's!"
