SCROLL OF THE WOLVES

PUBLISHED BY

THE SENIOR CLASS

ALGOMA, WISCONSIN

Dedication

We,
the class of 1943,
dedicate this annual
to those
who are today
serving
in our armed forces,
making sacrifices,
honoring
their Alma Mater,
and
fighting
to uphold
the precepts
which are the
heritage
of an American.

Foreword

Now is the time for all Americans to come to the aid of their country--so deduced the students and faculty of Algoma High School as they directed their energies throughout this memorable year toward victory on the home front.

The 1943 edition of *Scroll of the Wolves* aims to portray the personnel, the activities and the patriotic spirit of the A.H.S. as it does its part for the United Nation's cause.

In Memoriam

Second Lieutenant Robert L. Mraz, of the U. S. Army Air Force, outstanding student and athlete of the class of 1937, became Algoma's first casualty of World War II. His sudden death, caused by a plane crash in the Alaskan area, brought great sorrow to his many friends in Algoma where he was well liked by everybody. The memory of the spirit and personality of Robert Mraz will forever be an inspiration to those at Algoma High.

Death does not end our friendships true,
We all are debtors to the dead;
These, wait on everything we do,
The splendid souls who've gone ahead.
To them I hold that we are bound,
By double pledges to be fine,
Who once has had a friend has found,
The link 'twixt mortal and divine.

---Edgar A. Guest

ALGOMA HIGH SCHOOL SONG

It's your school and it's my school;
We'll fight to bring it fame,
And to show we have the spirit
We'll be at every game.
We'll fight fair and we'll play square,
And proudly we'll confess
The man who cowers at defeat
Is not in A.H.S.

Board of Education

We are justly proud of the school system of Algoma. The opportunities that are afforded for securing a well-rounded education are furnished by our community and are administered by a capable and alert Board of Education.

In a democracy the success or failure of the nation depends upon the enlightenment of its people. Algoma is doing its bit to furnish for its youth the training best suited to the making of desirable American citizens. Thus leadership is given in safeguarding the heritage of our nation and in planning for our future. Appreciation of the work of the School Board can be shown by good use of our time spent at Algoma High School.

ALMA MATER

By old Michigan's proud waters,
Rolling waves of blue,
Stands Wisconsin's fairest high school,
Alma Mater true.
Sing her praises, let the chorus
Ring o'er land and sea,
Hail, Algoma, Alma Mater,
Hail, all hail to thee!

Principal's Message

FOR FREEDOM'S SAKE

Who would have known, when they were here,
That, ere the close of this school year,
A tragic death would overtake
So many men for freedom's sake?

Who would have thought that athletes brave
Would ever meet a watery grave;
That cheerful voices would be stilled;
That humble scholars would be killed?

They planned for quiet, peaceful days,
They studied kindly, gentle ways,
They dreamed of happy homes to be,
They hoped a better world to see.

Our heroes hoped to build a world
Where freedom's flags would be unfurled
For every man of every creed---
In every land might all be freed.

No hatred filled their noble mind.
They loved the race of all mankind.
They planned to lend a helping hand
To children poor in every land.

When, sudden from an open sky,
The pagan hordes came forth on high,
All this was changed in one short night;
And gentlemen were forced to fight.

The ruthless raiders of the East
Thought our boys to be the least
In courage, stamina, and strength;
Not built to endure any length.

Not knowing free men's urging zeal,
They little thought that they would feel
So strong a force, such rapid flight,
Such daring skill, such deadly might.

The price of life is great to pay;
Yet, there are few who would not lay
It freely down, if that must be,
For God, for home, and for country.

As sorrow fills the aching heart,
For those who played the noble part,
Let free men know that freedom's call
Is to be heard by one and all.

This is the lesson taught by those,
Who, when the call came through, arose,
Left home and dear ones, all, behind
To fight the fight for all mankind.

When yesterday we felt the clasp
Of student hands held in our grasp,
We could not know that on this day
Some would among the heroes lay.

Mem'ries will live forever more
Of those dear dead who've gone before.
No time nor tide can e'er erase
Their work for our human race.

SCHOLARSHIP KEY AWARDS

An award of merit called the Scholarship Key has been provided to encourage Algoma High School students to strive for excellence in their courses of study. Each senior qualifying must have had a minimum of ten grade points per semester of his attendance at high school. All final averages with a grade of A receive three grade points; B, two grade points; and C, one grade point.

The members of the graduating classes who earn the key make up a Scholastic Key Society of Algoma High School. The honor graduates of 1943 who will receive awards are: Mary Ann Zastrow, Edith Birdsall, and Margie Rose.

Senior Class Play

The seniors chose for their class play this year Booth Tarkington's famous comedy, "Seventeen." The play was directed by Miss Laretta Rohan.

The cast of characters included the part of Willie Baxter (Jim Evans), the lad who is seventeen. His humorous experiences are developed in a swift moving plot. Willie falls madly in love with the girl who talks "baby talk" (Dorothy Root.) His father and mother, Mr. and Mrs. Baxter, (Edith Birdsall and Arnold Freix) are nearly frantic because of his many antics. Other supporting roles are: Johnny Watson--Thomas Lang; Genesis, the colored man--James Lindeke; Willie's small sister, who always gets in his hair--Laurabelle Gilson; May Parcher--Cecelia Cihlar; Joe Bullitt--Carl Failey; Mr. Parcher--Lloyd Kirchman; George Crooper--Edward Albro; Ethel Boke--Marion Dier; Willie Banks--Marcus Zettel and Mary Brooks--Alice Jean Graan.

The production staff consists of the following: General Managers--Le Nore Mraz, Mary Ann Zastrow; Prompters--Lorraine Stodola, Gladys Vania; Stage Crew--Harold Kirchman, Robert Hucek, James Miller, Lloyd Junio, Charles Zastrow, Bill Stoller, Glen Kemp, Harvey Zimmerman, Gilbert Flansky, Robert Kramer; Lighting--Lewis Schwedler, Richard Storm, Roy Baumann; Property Managers--Jo Ann Peot, Beatrice Marin, Edith Slaby, Delores Blahnik; Publicity--Margie Rose, Charlotte Vogel, Bonnie Shillin, June Johnson; Tickets--Lucetta Eggert, Verna Wierschke; Audrey Hoppe, Marie Baumann, Ethel Annoye, Marjorie Densow; House Committee--Lyla Demouse, Margaret Stade, Veronica Reince, and Mary Ann Lawrence.

WOLVES TAKE OPENER 13-0

A 13-0 win over "Catholic Central" of Green Bay marked Algoma's 1942 football season as the Wolves gave an impressive performance. Algoma's scoring was done in the second and fourth quarters, when Chuck Zastrow and Bob Marr crossed into pay-dirt. The backfield did outstanding work with the help of one of the best lines in the conference. Next week it will be Oconto Falls on the Wolves' own Perry Field.

WOLVES WIN FROM OCONTO FALLS 26-7

Algoma High School opened their conference football season with a 26-7 win over Oconto Falls. The Wolves had little difficulty shoving across a touchdown in each quarter against the weak Falls aggregation. Algoma's blocking section was again handled in tremendous style. Three of the four touchdowns were made by Arnie Freix, the conference ace fullback. Robert Marr made the fourth tally with Zastrow and Kemp, each one accounting for one extra point. Next week the Wolves meet Oconto on the Blue Devils' home field.

WOLVES TAKE SECOND CONFERENCE GRID GAME

A 7-0 win over Oconto on the Blue Devils' field, marked the first out-of-town football win since 1937 for the Algoma High School. This decision made it three consecutive wins. With the exception of a 45 yard drive to open the offense in the first quarter, the "Wolves" were in the hole the entire game until the lone marker in the final two minutes of the match. The touchdown drive was started by Bud Kirchman who recovered a fumble in one of his spectacular, power drives. The only touchdown came on an end sweep from the three yard line by Jim Slaby with Red Kemp kicking the extra point. Next week it's Sturgeon Bay at the Perry Field.

ALGOMA TRAMPLES OVER STURGEON BAY HIGH 27-7

Displaying a brilliant backfield with a hard driving line, the Algoma High trampled Sturgeon Bay 27-7. Marr accounted for two touchdowns, with Freix and Schwedler accounting for one each, and Red Kemp converting for the three extra points. The ground attack was truly effective, it being responsible for their four touchdowns. Next week we get a test as to whether we'll be the conference champs as we journey on to Two Rivers for a "tough" battle on the Raiders' home field.

WOLVES TASTE THEIR FIRST SETBACK

Battling through one of the "hardest" games of the football season against the great Two Rivers team, the Wolves got their first taste of defeat. Fighting hard and getting to the five, the three, and the one yard line, and then failing to score, proved indeed heartbreaking. Two Rivers made their lone marker on a hard drive from the 10 yard line. Marr and Zastrow played "outstanding" ball, each one credited with gains that proved threatening. A better matched game was never seen before, although the Raiders' large reserve team did prove to them a great asset. Next week we battle the old rival, Kewaunee, Algoma being guests at their homecoming.

LACK OF RESERVES PROVES FATAL

Keyed for their homecoming, and fighting hard in a cold November wind, Kewaunee downed the Algoma Wolves 14-19. The Wolves played a great game and led at the half 7-0. Then things began to prove fatal. Kewaunee came back at the half and scored on the first series of plays as Kulhanek drove hard for a touchdown. The extra point was good, making the score 7-7. "Arnie" Freix received a leg injury which stopped his progress for the remainder of the game. Chuck Zastrow was eliminated and Bernie Feld received injuries which kept him out during the rest of the game. Showing great spirit and despite heavy odds, we scored again and made the extra point. As the game ended, the Wolves were at the short end of the score. Next week it's the final game with De Pere.

ALGOMA ENDS SEASON WITH TRIUMPH

Playing the final game for the Algoma High School, and celebrating the '42 homecoming, proved effective as eleven of the seniors played their final match. Many questions were in the minds of all of us during the homecoming week. Would "Red" Kemp do justice to his position as fullback? Would Arnie Freix see action and would the Wolves still have the drive they had before the last two defeats? This was confirmed by the score 27-7. The touchdowns were made by Arnie Freix, Chuck Zastrow, Bob Marr and Jim Slaby, with Kemp kicking the extra points. The boys playing their last game were: Arnold Freix, Charles Zastrow, Glen Kemp, Ed Albro, Robert Hucek, Bernhard Feld, Carl Dachelet, Lloyd Kirchman, Robert Marr, Lewis Schwedler, Thomas Lang, and Glen Poehls.

Fight 'till the Final Gun

WOLVES 33 - COMETS 18

The Algoma "Wolves" opened their schedule at home highly favored over the small, but hard fighting Casco five. Casco held the edge in the first quarter leading by a score of 6-4, but from there on Algoma used their set plays to win by a score of 33-18. Kirchman led the "Wolves" with 11 points.

WOLVES 51 - REFORMATORY 33

The Algoma "Wolves" romped to an easy victory over the Wisconsin State Reformatory by a score of 51-33. Algoma used their fast break system of play to great advantage by leading in first quarter by a 20-8 score, and at the half by a score of 32-16. Kirchman again led the scoring with 13 points.

WOLVES 17 - INDIANS 18

In a rough and hard fought contest, the Kewaunee Indians won the game by a score of 18-17. Algoma, although leading at the half, lost in the final stages of the battle when Kulhanek's last minute free throw proved to be the "Indians" margin of victory.

WOLVES 41 - STURGEON BAY 24

In the first of a four game series, Algoma bumped off Sturgeon Bay to the tune of 41-24. The Wolves held a 9-5 advantage for the first quarter, 18-7 at the half and 32-17 for the third period. Kemp led the "Wolves" with 14 points.

WOLVES 39 - CENTRAL 23

Algoma chalked up another easy victory over the Green Bay Catholic Central by a score of 39-23. The locals led at the half by a score of 17-6. With reserves finishing the game, the Wolves coasted to victory. Lindeke sparked Algoma with 13 points.

WOLVES 30 - INDIANS 25

In an exciting and hard fought battle, Algoma again came through with flying colors by defeating the "Indians" at Kewaunee by a 30-25 margin. The game was a hot battle from beginning to end with the "Wolves" holding the edge most of the game. A large crowd attended the game, a high percentage of which were Algoma boosters. Kirchman scored 11 points.

WOLVES 27 - ALUMNI 15

The Algoma High School five had very little difficulty in beating a disorganized Alumni squad. The latter team was the strongest Alumni team in years, but lacked the practice essential for good team play. The "Wolves" held an 11-1 edge at the half and went on to win 27-15. Lindeke led the Preps with 9 points.

WOLVES 26 - W. S. R. 28

The Algoma "Wolves" in a hapless and poorly played contest fell victim to the Wisconsin State Reformatory by a 28-26 final score. Algoma held a 9-8 lead for the first period, but was behind at the half by a 16 to 13 score. Algoma's performance was the poorest exhibition ever shown by any of the Algoma teams in the past seasons. Kirchman led the local cagers with 9 points.

WOLVES 39 - BAYS 24

The local five made it two wins in a row over a much improved Sturgeon Bay squad. Algoma led at the half 16-6 and at the third period 30-13. From there our reserves took over and coasted to victory. The final score was 39-24. The game was exceedingly rough having a total of 29 fouls. Kemp led the Wolves with 17 points.

WOLVES 50 - RAIDERS 22

In a fast and furious contest Algoma won over the Raiders of Two Rivers by a score of 50-22. The local cagers playing a hot brand of basketball built up a 23-14 lead at half time. The second half saw the Wolves undermine the visitors so completely that they scored 27 more points. It was considered the classiest playing ever seen on the local court. Algoma's giant center, Zastrow, led the scoring with 17 points.

ALGOMA 43 - KEWAUNEE 38

Algoma's basketball quintet, playing on the Kewaunee Indian's court, made it two victories in a row, and two to one in their four game series. The contest showed swift action from the opening tip-off to the final gun. The score throughout the game was exceedingly close, with a half-time score of 25-25. Algoma's center, Zastrow, with his second half rebound work, proved to be murder for the Indians offense and defensive play. Kemp scored 21 points.

ALGOMA 25 - INDIANS 31

In a complete reverse of last week's performance, the Algoma "Wolves" were downed by an inspired Kewaunee five by a 31-25 score. Algoma's exhibition was far below par. They played poor ball on both offense and defense. Kewaunee's ability to capture all rebounds and jumpballs proved to be the deciding factors in their victory.

WOLVES 53 - BAYS 23

Due to a hot second half in which Algoma scored 42 points, the locals took Sturgeon Bay into camp 53-23. Algoma started slowly but built a half time lead of 11-6. Dividing the scoring evenly they turned in the best second half of the year. Zastrow and Kemp took scoring honors with 11 and 12 points respectively.

WOLVES 37 - CHERRYLANDERS 24

Repeating last week's performance, Algoma gained another easy victory from Sturgeon Bay 37-24, to make it a complete sweep in their four game series. The "Wolves" substituted freely using 13 men in all. Three new sets of plays were experimented with successfully in preparation for the tournament. The scoring again was divided evenly among Coach Schumerth's boys. Kirchman and Kemp paced the scoring with nine points.

Physical Fitness

The U. S. Army in its training program during the past year has discovered that it could speed up its program of training the recruits considerably if the boys had experienced physical training in pre-induction courses in high school. Therefore, through the cooperation of the State Office of Education, it has prevailed upon the high school districts, throughout the nation, to introduce pre-induction physical training.

Algoma fell quickly in line at the end of the first semester of this year, and organized three large classes composed of junior and senior boys. The first few weeks of this course were devoted to the fundamentals of army marching. The work had to be done in the gymnasium on account of the cold weather. Later during the spring season the work was done outside on the school campus.

Other features of this course, in addition to military drill, are toughening activities such as wrestling, boxing, rope climbing, and running obstacle courses. Fine enthusiasm with which the boys are cooperating with the Federal Program gives evidence of their patriotism, and proves that they have a natural inclination to prepare for the military problems that may lie ahead of them.

For Health and Beauty

Following the example set by the boys' basketball squads, girls under the direction of Miss Schueler, have organized basketball practice to give the feminine enthusiasts a chance to test their skill on the hardwood. During eighth periods, and after school on Friday, the girls have been in the gym practicing ball-handling and shooting baskets.

The Wolvettes often have a chance to put some knowledge of basketball into use by having scrimmage games. Wednesday, March 24, a game was played with the Luxemburg girls' team. The Algoma girls played a hard game, but lost 34-12.

Victory on the Home Front

FUTURE FARMERS

Eleven years ago the Algoma Chapter of Future Farmers of America was organized. The chapter strives always, with the rest of America, to help promote the agricultural program in our country's cause. Under the direction of its adviser, Mr. Earle Sanford, and its officers: president, Robert Kramer; vice president, Kenneth Dufek; secretary, James Weidner; treasurer, Wallace Machut; and reporter Roland Smith; the club has sponsored many projects to aid the war effort.

The first event attended this fall was the state agricultural contests held at Madison on October 23rd. Algoma sent two teams and two delegates to this convention. In grading, our teams received a rating of good in farm crops, and also creditable in potatoes. In cooperation with local farmers, our chapter treated 2000 bushels of seed grain, purchased and distributed to the farmers 5300 pounds of certified seed potatoes, and introduced a new strain of cats. At present the F.F.A. members have purchased the most war bonds of any club in school, and have had a scrap iron drive.

There are thirty-two members in the local F.F.A. chapter. The boys are now engaged in many types of enterprises. Twenty-five members are testing 375 cows for the purpose of improving their home herds. Eighteen of the boys have swine and poultry projects, and the majority of this group show their projects at the county and state fairs. In addition, the club is active in orchard improvement, pedigree grain, and dairy cattle. Eighty-five per cent of the agriculture students are members of our local farmers' chapter.

FUTURE HOMEMAKERS OF AMERICA

A large, active club organized to further home economics work is the F.H.A. with its seventy-two members. Meetings are held every other Wednesday. In order for a girl to be eligible for membership in the F.H.A. she must be taking a program of home practice work.

At the State Fair, the F.H.A. chapter of Algoma, in conjunction with Kewaunee's chapter, entered a first prize booth, entitled "Yarn Salvage Center". In keeping with the victory theme, Margie Rose, Beatrice Marin, and two girls from Kewaunee, demonstrated how to salvage, wash, and dye yarn from old knitted garments. On August 27th, Claire Ruhnke, Dawn Storm, Ruth Stoller, Ruth Poehls, Verna Blahnik, Evelyn Blatsky, and the afore mentioned girls, took part in the "Youth Day Pageant" held at the fair. The theme of this pageant was "Youth Answers the Call." A large number of girls also entered the judging contests. Algoma's booth was entered for display at the Kewaunee County fair, and it again received first prize. Carole Heidmann won first prize modeling a dress that she made.

Under the capable supervision of our adviser, Miss Garthwaite, the club has carried on the following activities: milk sales at basketball games, the joint F.H.A. and F.F.A. Christmas party, a "big and little sister" plan to help freshmen and new members get acquainted, a Thanksgiving party, scrap collections, the Mother and Daughter banquet, and style revue. Delegates were sent to the convention at Stout Institute, and at the end of the year an honorary senior homemaker was elected.

The following officers were elected: president, Audrey Vandervest; vice-president, Ruth Stoller; secretary, Margie Rose; treasurer, Joyce Blahnik; and historian, Rosemary Junio. The organization this year has been successful and its popularity is continuing to grow.

In the Groove

During the present year the dance orchestra has made great progress. This fine organization now consists of twenty-three high school members. Rehearsals for orchestra are held every Monday evening, under the leadership of Mr. Arnold Jones.

The chief activities of the orchestra are: playing for the school parties and for the high school assemblies. The highlights of many of the parties this year were the novelty dances, especially the broom dance. At one affair we were fortunate to have Mr. Doepke, home on a furlough, lead one dance as he did when he was teaching here. The alumni, who formerly played in the orchestra, find it fun to come back and play for the dances occasionally. They say that playing in the dance band is one part of school life that they miss the most.

The dance orchestra also took part in the Christmas Concert this year. The vocalists who have sung with the dance band are: Bernhard Feld, Betty Laurent, and the girls' trio consisting of: Mary Ann Zastrow, Joyce Birdsall and Shirley Stephenson. Much credit should be given to Mr. Jones for the fine co-operation he has given to make the dance orchestra a success.

Heartly Voices Build Morale

This year under the able leadership of Mr. Arnold Jones, the high school A Capella choir has presented again its annual Christmas and Spring concerts. The choir has many favorite selections, including "Beautiful Saviour," "Cradle Hymn" and "When Curtained Darkness Falls." The first two selections were accompanied by soloists, Bette Laurent, singing "Beautiful Saviour," and Pearl Gaulke singing "Cradle Hymn."

The choir tournament was held at New London last year. A number of solos and several group presentations were given. High honors were given to a number of the soloists and the entire choir received a super-rating.

"Pirates of Penzance"

An honest-to-goodness "pirate" setting, even up to the high tenor voice of Frederick (Bernhard Feld and Keith Iwen), and down to the low bass voice of the "pirate king" (Ralph Detjen and Richard Storm), provided the atmosphere for the operetta sponsored by the music department.

"Mabel" (Pearl Gaulke and Joyce Birdsall) and Frederick made up the serious love angle, while "Ruth" (Mary Ann Zastrow and Le Nore Mraz) played the part of Frederick's jealous nurse maid. There was a double cast of characters this year to provide opportunity for more students to take part. Gay costumes added color to the performance. Miss Fayne Tegatz and Mr. Arnold Jones deserve a big hand for their first-class production.

Strike up the Band

Music which sets the feet to marching is characteristic of the high school band of Algoma. Mr. Jones, our new director, wields the glittering baton.

Each fifth period delightful music fills the air as full band rehearsal is held. This year finds the band decreased in size from sixty-three to fifty-nine members. Many new players with promising ability are seen with the band. Fine concerts presented in assembly and the fifth annual Christmas Concert are proof of its continued excellence of performance. Following through in glorious style band members accompanied the operetta "Pirates of Penzance."

The solo-ensemble and band tournaments were held in May, 1942, at New London, where the reputation of A.H.S. was upheld with an excellent showing. The outstanding members were: Alice Leischow, Marion Naze, Mary Ann Zastrow, Joyce Birdsall, Colette Gerhart and Robert Donner. The National Band Tournament held in Duluth, Minnesota, for outstanding musicians, saw Algoma march off with three firsts, three seconds, and a third rating.

Signed, Sealed, and Delivered

Students of A.H.S. wish to have a keepsake of their high school days which will preserve memories of highlights of the year. Lewis Schwedler, editor; Thomas Lang and Le Nore Kraz, assistant editors; Edith Birdsall, business manager; with Miss Alice Higgins, faculty adviser; have led the staff in their efforts to catch and preserve in words and pictures representative school scenes.

On a Scientific Mission

The Scientific Sleuths

The science minded students have organized a club in which they study and discuss the numerous phases of science. Throughout the year, they held regular meetings when movies and slides were shown. The officers chosen by the members included: Aloysius Ciha, president; Carole Heidmann, vice-president; W. Fellows secretary-treasurer; with Miss Schueler and Mr. Knezevich as advisers.

They discussed chemistry quite extensively, for they know chemistry has an important part in the war and in industries. Mr. Canney appeared at one of the meetings and spoke on Chemistry in Industry. A contest was held in which each member entered three photographs. The winners were awarded prizes by the club. The pictures were mailed to the Milwaukee Journal's Camera Clickers, and to the Eastman Kodak Contest.

A Scientific Fair was presented by this club. The numerous booths at the fair were headed by the following people: Mahlon Dier, photography; W. Stoller, chemistry; Miss Garthwaite, homemaking; Keith Iwen, biology; Frank Maedke, physics; Gilbert Haegele, aviation. Each student gave demonstrations to the large crowd present. Refreshments were served by the Home Economics girls.

Making Democracy Work

STUDENT FORUM

The "Student Forum" opened a new year with thirty members in the organization. Officers were elected and a program for the following weeks was planned. Le Nore Mraz was elected chairman; Lyla Demeuse, secretary; Tom Lang, assistant chairman; Bob Kramer, treasurer. It was agreed that suitable and interesting topics would be World War II, problems of modern youth related to the war, and post-war problems.

At the next meeting the constitution of the organization was introduced to the new members. The remainder of the year the students met every other Monday during the eighth period to discuss current topics, and to become familiar with the rights of all Americans to voice their opinions, because they realize that these opinions have great influence on developing citizenship. The active youth of high schools and colleges all through United States are forming these groups to exchange views on present and future problems.

The method used by "Town Meeting of the Air" radio programs is followed at the Student Forum, whose members also use the Town Meeting bulletins. Among the topics chosen for meetings were: Women's Part in the War, Rationing, Civilian Defense, Maintaining Morale, Commandos and Wartime Movies. Current developments in the news were also discussed at sessions of the organization. "Let's talk it over" has become the slogan of the group, which aims to clarify ideas in the democratic way.

Weekly News

It's Monday morning, and to the thirty members of the Journalism Club this means news must be gathered. Much information for the articles is obtained by interviews with the teachers. The news articles are checked by the club adviser, Miss Rankin, and then typed by advanced typing students. News items are found in the Record-Herald as "A. H. S. Highlights."

At the beginning of the year the following officers were elected: Margie Rose, editor; Mary Ann Zastrow, assistant editor; and Beatrice Marin, treasurer.

The Journalism Club has various activities. Refreshments were sold at the football games by members of the club. The money was used for the purpose of having the Annual picture taken. Much enthusiasm has been shown throughout the year by the club members, and they have found their work both interesting and enjoyable.

Literally Speaking

This year Algoma debaters participated in verbal battles on the question: Resolved that a Federal World government should be established. The subject of debate throughout the high schools of this country is chosen by a committee of college professors a few months before the season opens.

Thirteen people took the debate course under the leadership of Mr. Stephen Kenezovich. Material is gathered from books on the debate subject, from current publications, and from material distributed by the committee of college professors. Algoma took part in no debate tournaments this year because of the short time for preparation and transportation difficulties.

JUNIOR PROM

It was the night of nights...the Junior Prom in all its glory. "Stardust" was the theme which provided an atmosphere of enchantment and gaiety in the Algoma High School gymnasium. This social highlight of the year was held on May 26th. Under a ceiling of blue, with clouds, stars and a moon, we danced to the music of Brault's Canadians. Norman Denamur, the Prom King, and Queen Rachel Hrabik entered through a large star to lead the grand march.

The Prom was under the direction of the Junior Class advisers, Miss Marie Shinek and Miss Marianne Schueler. The decorating committee, with the co-chairmen Norbert Thibodeau and Joyce Birdsall, included: Josephine Alexander, Joseph Bero, Verna Blahnik, William Albrecht, Edward Bank, Roy Born, Donna Moegenburg, John Wheeler, Jeanette Root, Betty Laurent, Frank Schmidt, Betty Mae Meverden, Dorothy Mura, Arnold Albrecht, Charles O'Konski, Betty Reince, Shirley Stephenson, Margie Moore, Violet Neil, and Rachel Hrabik.

Helen Klarowske headed the publicity committee which had Richard Kolstad, Jean Toppe and Bill Fellows as its members. The program committee was as follows: Pat Lohrey, chairman, Pearl Demeuse, Edith Rock, and Florence Verhyen. The refreshment committee consisted of Audrey Vandervest as chairman, Jeanette Baumann, Evelyn Blatsky. The clean up committee was composed of Donald Thorpe chairman, Frank Maedke, Bob Winter, Clinton Corbisier, Virgil Kolstad. Robert Marin was in charge of finances.

Can You Top This?

Mr. Sanford: "Did you hear about the military worm, Bob?"
 Bob K: "The military worm?"
 Mr. Sanford: "Sure, he's in the Apple Corps."

Bob H: "Say, aren't those socks inside out?"
 Mike K: "Sure, my feet were so hot I turned the hose on them."

Miss Rohan: "John, this makes seven times that I have found it necessary to punish you this week. What have you got to say for yourself?"
 John: "Well, all I can say is that I am glad it's Friday."

Mr. Knezevich: "What's that gurgling noise I hear?"
 Kemp: "That's me, trying to swallow your line."

Miss Schueler: "What's the big idea of walking out of class this morning?"
 Norb: "Well, you see I was moved by your lecture."

Margie M: "Shirley, didn't you say it was very warm at the basketball game?"
 Shirley: "Yes, Margie, I did."
 Margie M: "I don't understand that, the newspaper says the gym was filled with fans."

Miss Tegatz: "Billy, conjugate the verb phrase 'to swim.'
 Billy: "Swim, swam, swum."
 Miss Tegatz: "Now conjugate the verb phrase 'to din.'
 Billy: "You aren't trying to kid me, are you?"

Mr. Knezevich: "Bud if I drop a silver coin in this bubbling acid, will it dissolve?"
 Bud K: "No, sir."
 Mr. Knezevich: "No? Then perhaps you will explain why not."
 Bud K: "Well, if it would dissolve you wouldn't put it in."

One day Coach was explaining a problem to his advanced algebra class. After finishing, he asked if they understood the problem. With that bunch of woodpeckers he knew he would have to explain it again, so he said, "Watch the board closely and I'll go through it again."

Mr. Knezevich: "Where I came from those are fighting words."
 Chuck Z: "Well, why aren't you fighting?"
 Mr. Knezevich: "I'm not where I came from."

Freshman: "I got a check from home."
 Senior: "Good, pay me that five bucks you owe me."
 Freshman: "Wait until I tell you the rest of my dream."

Kemp: "How many subjects are you taking?"
 Freix: "Two, and dragging three."

Pfile: "I hear you're going to have a rabbit tattooed on your chest, O'Konski."
 O'Konski: "Who said so?"
 Pfile: "You always wanted a little hare on your chest."

Tom: "Nice car you had there, Edward. What's the most you ever got out of it?"
 Ed: "Nine times a block."

Nit: "His crew cut feels just like a hair brush."
 Wit: "That's just what it is--a lot of bristles in a block of wood."

Florence V: "Pat, tell me something to write about the Mexican border."
 Pat L: "Well, the Mexican boarder has to pay rent."

Mr. Schumerth: "And that which I told you is the story of my experience in basketball."
 Kemp: "But, Coach, what did they need the rest of the team for?"
