THE WOLVES

ALGOMA HIGH SCHOOL

CLASS OF 1946

P R E S E N T S

SCROLL OF THE WOLVES

ALGOMA, WISCONSIN

## FOREWORD

Fond memories of busy years at Algoma High School are often recalled by the returning GIs we have met in the halls and classrooms during the past year. To capture these memories and to hold them vividly for the future have been the aims of the 1946 "Scroll of the Wolves" annual staff.

By joining the visiting GIs the readers may find what makes Algoma High the school that it is. Here may be seen education for world understanding . . . for economic efficiency . . . for character building . . . for health . . . for self realization . . . for peace and security.

**DEDICATION**

We, the students of the Algoma High School, dedicate this yearbook to our supervising principal, Mr. Frederick A. White. His untiring efforts, his wise counsel and leadership have won for him our friendship and respect.

**PRINCIPAL'S MESSAGE**

Between the covers of this yearbook is told in detail much of the record of the school year 1945-46. Like other years, it has brought its quota of success and failure, happiness and sorrow, victory and defeat. But unlike most other years, it has brought us into that much talked about post-war world. It is my sincerest hope that this school year, and those that preceded it, may have given our students, and most particularly the Class of 1946, all the skills and all the vision necessary to enable them to play an important part in shaping this world so that it will fulfill our dreams of a prosperous and peaceful planet.

It has been a real pleasure to work with the students of Algoma High School. They have proved themselves to be cooperative, receptive of new ideas, courteous, and friendly. I offer my congratulations to the Class of 1946. May their achievements, both of the past and the future, inspire all of us on to better things.

#### **BOARD OF EDUCATION**

The foundation of a school is its Board of Education. The Algoma High School is standing firmly because its School Board is composed of able men who are always working to better our school system.

Mr. R. J. Ihlenfeld, who resigned from the School Board in January because of illness, was an active member since 1931. The highlights of events during his years in office were the building of the new school, the establishment of the industrial arts course, and the enlargement of the school districts.

Algoma High School students wish to thank Mr. Ihlenfeld for his efforts toward the promoting of better educational facilities in Algoma High School.

### Loyalty Song

We'll fight for our Alma Mater,  
And sing to her fame.  
We'll cheer her royal banner  
And glorify her name.  
Our faith will go on forever;  
Our hope never die.  
We'll raise our own Algoma  
To the victor's throne on high.

### School Song

It's your school and it's my school,  
We'll fight to bring it fame  
And to show we have the spirit,  
We'll be at every game.  
  
We fight fair and we play square  
And proudly we confess  
The man who cowers at defeat  
Is not in A. H. S.

### Alma Mater

By old Michigan's proud waters,  
Rolling waves of blue,  
Stands Wisconsin's fairest high school,  
Alma Mater true.  
Sing her praises, let the chorus  
Ring o'er land and sea,  
Hail, Algoma, Alma Mater,  
Hail, all hail to thee!

## Music Hath Charms

#### BAND

The Algoma High School Band, although decreased from fifty to thirty members by the loss of many graduates, began an excellent year under the direction of Mr. Maurice Bleick. The members of the band elected the following officers: Donna Mauer, president; Ed Wacek, vice-president; Ray Birdsall, treasurer; and Gloria Schmidt, secretary.

Throughout the year the band was busy furnishing music for various events. At football games, the band provided entertainment and at the Homecoming Game it exhibited its marching ability by executing several difficult maneuvers. On December 12, 1945, the annual Christmas Concert was held. A complete program, including "Barber of Seville," "March Militaire," "Hall of Fame," and "Stardust" was played. The saxophone quartet, in which Donna Mauer, Norma Nell, Jean Hubbard, and Louise Fluck participated, also played.

The Pep Band provided music for the basketball games. Their lively marches added to the school spirit.

The band attended the regional tournament at Two Rivers in May. They entered into competition with Class B bands. Members who took solos were: Donald Pfile, Donna Mauer, Louise Fluck, Verna Kostichka, Robert Naze, Edward Wacek, Nancy Jerabek, and Arnold Blahnik. Other members were included in ensembles.

# Mellow Voices

## ADVANCED CHORUS

The advanced chorus, under the direction of Mr. Maurice Bleick, made its first performance on the evening of December 12, 1945. This date marked a great event. The Christmas Concert was formal. The students sang selections of secular and sacred music. The program consisted of several Fred Waring arrangements of patriotic numbers, one Negro spiritual, and several Christmas carols. Ramona Heuer was the accompanist. Lyla Lou Schmidt and Ione Rohr sang a duet called "Bethlehem."

After Christmas, the chorus was cut from 110 members to approximately eighty to aid in rehearsing for the tournament. The tournament was held at Two Rivers on May 11. Solos and ensembles were selected from the group. Last year, due to the shortage of gasoline and tires, no tournament was held.

A group of chorus members assisted in the grade school operetta, singing a number of songs. The name of the Christmas operetta was "The Poor Little Rich Girl." The Nativity scene was an impressive feature of this program.

An operetta entitled "The Belle of Bagdad," was presented by Mr. Bleick and his high school chorus in March. It listed fourteen roles, assisted by a mixed chorus of fifty members.

### DANCE ORCHESTRA

"Come on you jitterbugs, let's dance—'Boogie Woogie' is up, and for all the rest we'll soon play your slow and dreamy waltzes." That was the invitation dance orchestra director, Maurice Bleick, extended to the students of Algoma High School.

This year the members had rehearsals every Monday and Wednesday and soon were capable of playing for all special occasions. The orchestra then made its 1945 debut playing for the homecoming Dance and its "Queen" Elaine Entringer, and "King" John Meyer, with their court of honor—Edith Gilson, Robert Wheeler, Coleen Olson, Arnold Blahnik, Jean Wagner, and David Seiler.

The orchestra, which this year consists of thirteen members, includes: Arnie Blahnik, Don Pfile, Bob Naze, Donna Mauer, Ione Rohr, Margaret Prausa, Louise Fluck, Norma Nell, Jean Hubbard, Joan Stade, Bill Groessl, Ed Wacek, and Shirley Albrecht. As a reward for their effort in making the school dances a success the orchestra was given a banquet which everyone enjoyed.

We've started off with jive, but the dance is over, so for all those nodding heads we'll close with "Sleep."

# When you write You're right

### "SCHOOL DAZE"

Have you written your story? When one hears this familiar question one knows the deadline is near. To the thirty-two members of the Journalism Club this means it is time once more for another edition of the school paper. Besides writing articles, students also type, mimeograph, and proof read the publication "School Daze."

In former years, the "Record-Herald" was the students' source of information concerning school activities. The school paper, "School Daze," now serves as the monthly dispenser of news. Students eagerly await its arrival each month to find out who made the news. Tidbits, Superwolves, and Superwomen are among the most popular features.

The school paper, being new this year, had to have a name. To choose this name the entire student body was asked to submit suggestions. The club voted for "School Daze," the name they thought best out of those submitted.

The purpose of the Journalism Club, directed by Miss Sneesby, is to improve the students' ability to write good stories and to further their interest in the field of journalism. The staff officers include: editor, Shirley Hanson; junior editor, Louise Fluck; business manager, Lila Lou Schmidt; and circulation manager, Janis Wheeler.

### **FUTURE HOMEMAKERS OF AMERICA**

An ambitious group of officers are at the head of the F. H. A. meetings this year, under the direction of Miss Elaine Lohrey. Lauretta Entringer is the officiating president; Joyce Koenig, vice-president; Bonnie Ruhnke, treasurer; Ramona Heuer, secretary; and Carol Kostichka is the historian.

In October, the F. H. A. members met at a District Convention in West Green Bay. The purpose of the meeting was to acquaint the members with the officers in their national organization, which was formerly a state organization.

The girls have added to the fun of the spectators at football games by keeping them supplied with soft drinks and hot dogs.

The hostesses are very social-minded this year. Scheduled events are as follows: a joint winter party with the F. F. A., an April Fool's party, a Mother and Daughter Banquet, and, of course, the annual style review.

Two girls have received awards for outstanding work in their summer home projects. The young ladies are Joyce Sibilsky and Bernice Collins.

### **FUTURE FARMERS OF AMERICA**

The Future Farmers of America is a nationwide organization for promoting vocational agriculture. Under the leadership of Mr. Koss the following officers were elected: president, Milton Jerabek; vice-president, Adrian Tlachac; secretary, Robert Olson; treasurer, Dick Buege; reporter, Kenneth Burke; and sentinel, Gerald Wagner.

Every member of a vocational agriculture class has a farming program, which is under the supervision of our instructor, Mr. Koss. The farming programs range from a calf project to management of an entire farm.

The club has such activities as the annual parent and son banquet, camping trips to Kelly Lake, basketball team, kitten ball team, treating of seed grain, pruning orchards, selling seeds, and participation in the F.F.A. speaking and quartet contests. The Oconto Falls chapter exchanged the Green Hand initiation ceremony with the local chapter.

The boys of the F.F.A. have been elected honorary members of the National Farm Bureau, which also chose Dick Buege outstanding F.F.A. member of Kewaunee County this year.

Since the club was organized in 1931, ten members have received the State Farmers award. The organization won the 1945 traveling trophy for a winning float of the Homecoming parade.

### **JUNIOR PROM**

The annual Junior Prom, one of the social highlights of the year, was held May 31st in the high school gymnasium. Harold Farron's Orchestra, of Appleton, furnished the music. The "King" Dee Durst and his "Queen" led the grand march. Mr. Maurice Bleick was the faculty adviser for the Juniors.

### **SENIOR CLASS PLAY**

Who killed Aunt Caroline? Nobody knew—until the night of May 24th, when the Senior Class presented the mystery play, "Who Killed Aunt Caroline." Aunt Caroline was a mean, domineering old woman who deserved to die. The audience was kept in suspense until the very end, when the unexpected killer was revealed. Eight girls and four boys were members of the cast. Each member of the class participated in making the play a success. The production was under the direction of Mr. Robert Herold.

### DEBATE

**Standing**—Ramon Stade, Lyla Lou Schmidt, Mr. Herold.

## Pros and Cons

### FORENSICS

"Resolved: That every able-bodied male citizen of the United States should have one year of full-time military training before attaining the age of twenty-four." This was the question of debate during the past year.

The debaters, under the direction of Mr. Robert Herold, attended the debate meeting at Two Rivers on December 1, 1945. All were beginning debaters except Louise Fluck and Venice Berg. The members of the affirmative teams were: Jean Haasch, Ethel Wagner, Louise Fluck, Venice Berg, and Ramon Stade. The negative teams consisted of: Joe Strnad, Clarence Baudhuin, John Birdsall, Lyla Schmidt, Lois Heidmann, and Barbara Hanson.

Miss Joyce Chubb and Mr. Robert Herold handled the declamatory work which began in February. The district Speech Contest was held at Algoma on March 19, 1946. Various schools competed in victory speaking, oratory, humorous and serious declamations, extemporaneous reading and speaking. Algoma had two contestants in each division.

# Let's Talk It Over

## STUDENT FORUM

The "Student Forum" began the new school year with twenty-two members. Officers were elected and a program for the following weeks was planned. Verna Kostichka was elected president; Carole Kostichka, vice-president; Ethel Wagner, secretary; and Louise Fluck, treasurer. Topics that were discussed dealt with postwar problems and world affairs.

The club met every other Tuesday after school for the remainder of the term to discuss current topics. The members also became familiar with the rights of all Americans to voice their opinions because they realized that these opinions greatly influence the developing of good citizenship.

The method used by "Town Meeting of the Air" radio programs is followed by the Student Forum. The Town Meeting bulletins are also used by the members. Valuable aids have been received from the "Junior Town Meeting League," an international organization to foster discussion of current affairs among youth in the United States and Canada. This is the first time that the club has been affiliated with this league.

Among the topics chosen for discussion were the following: G. I. Bill of Rights, A Living Wage, Should Everybody Go to College? and United Nations Organization. Games, contests, and other social activities added to the interest of Student Forum meetings. "America in a World Setting" has become the slogan of the group, which aims to clarify ideas in a democratic way.

### "THE BELLE OF BAGDAD"

The high school chorus presented the annual operetta on March 22 under the direction of Mr. Maurice Bleick and accompanied by Ramona Heuer. In the "Belle of Bagdad" Lyla Lou Schmidt played the role of "The Belle." Other characters in this modern operetta included: Ione Rohr, Jackie Stephenson, Claire Gilson, Donald Delain, Junior Holtz, Dick Melchior, Charles Stach, Milton Eggert, Gloria Schmidt, Shirley Kirchman, and Donna Kolstad.

Fair Day in Bagdad was the setting for the operetta. Hollywood was in search of the Belle of Bagdad for a role in their pictures. A planned assassination was a secondary plot. The story climaxed with the discovery of the Belle and capture of the assassin.

### "GALAHAD JONES"

It seems that Tommy Jones admired the knights of old so much that he decided to become Galahad. He was doing fairly well when, much to his misfortune, he was discovered by his family and friends. They cooked up a plot which involved an out-of-town number, "Miriam," whom he fell for. Everything turned out all right, finally, when Tommy aided in capturing some smugglers.

Tommy and Miriam were played by Junior Holtz and Joan Stade. His mother and father were Louise Fiuck and Clarence Baudhuin. Alice, his older sister, and George, her fiance, were portrayed by Lyla Lou Schmidt and Alan Groessl. Gloria June Schmidt, Donna Kolstad, Carol Kostichka, Harvey LeRoy and Dick Melchior played parts as Tommy's friends. Dick Wells, Shirley Albrecht and Herbert Zimmerman contributed their talents as a newspaper photographer, maid, and villain, respectively. This all school play was given November 9, 1945, and was under the direction of Robert Herold.

### **ALGOMA LOSES OPENER AGAINST KEWAUNEE 6-0**

The Algoma Wolves opened their gridiron season with a hard fought game against their rival, Kewaunee. The team had many "breaks" but failed to make them count. Algoma threatened to score several times when they reached Kewaunee's twenty yard line. Kewaunee made its only score during the last half-minute of the game, by intercepting a pass and returning it forty yards for a touchdown. A large crowd of Algoma fans attended the game to witness the clash between the traditional rivals.

### **ALGOMA MEETS DEPERE HERE AND WINS 6-0**

We won! The team played an outstanding game which gave the Wolves the victory. Algoma took possession of the ball in the opening of the game and marched down the field for four first downs, which were run by Qualman and DeDecker. DeDecker pushed the ball over from the seven yard line. The fast and razzle-dazzle playing of the Redbirds almost upset Algoma in the last minute of the game when they blocked Norb Dier's punt on Algoma's eight yard line.

### **WE LOST. THE FALLS GOT THEIR REVENGE 20-14**

Algoma scored the first touchdown as a result of beautiful running by Ed Qualman and Leon Younk. Shortly after the touchdown Algoma made two more points when the Falls fumbled in the end zone. The Falls came back hard as they took the ball on Algoma's two yard line and made a touchdown as a result of passes and end runs. Algoma again advanced in the third period when Arnie Blahnik caught a long pass from Younk, which put the ball on the ten. Bob Zastrow threw a short pass which was completed to Blahnik for the score of 14-13 at the third quarter. The Falls caught up, however, in the last forty-eight seconds of the fourth quarter with a long pass to give them the game.

### **ALGOMA AND OCONTO END IN TIE 6-6**

The strong Oconto team succeeded in holding the Wolves to a tie at their Homecoming. Oconto scored in the second period when Bostedt crossed from the twenty-two yard line. The third period gave Algoma a touchdown when Younk intercepted a pass on their own thirty-two and ran for a touchdown. The pass for the extra point was no good. The third and fourth periods saw neither side scoring any points and the game ended in a tie.

### **TWO RIVERS TROUNCES ALGOMA 21-12**

In the hardest fought game of the season Algoma lost to the powerful Two Rivers team. Algoma scored the first touchdown on a pass from Zastrow to Blahnik. Two Rivers came back with a hard driving line through the middle for a touchdown and the extra point was good. Two Rivers scored again up the middle for their second touchdown. Right after the half Ed Qualman took the ball through the middle for a fifty yard run and touchdown. In the last quarter Two Rivers ran up another mark to make the score 21 to 12. Algoma had also scored but the touchdown was called back for twelve men were on the field. Don Delain, the center, was out in the first couple of minutes of the game with a broken collar-bone.

### **HOMECOMING IS A GREAT SUCCESS, WE BEAT THE BAYS 25-13**

We won our Homecoming! The team looked great on the field. It was a beautiful day for football. Algoma had an unusually large crowd of fans rooting for the team. Sturgeon Bay scored in the first quarter of the game by plowing straight up the field. The Wolves made the first touchdown in the second quarter on a series of passes to Seiler, Qualman, and Blahnik, which brought the ball to the three yard line where DeDecker plowed over. He also kicked the extra point. Algoma again tallied just after the half with DeDecker counting large gains. Sturgeon Bay scored in the third quarter with a short pass. Algoma, determined to advance, marched down the field. Durst, Qualman, and DeDecker brought the ball to the ten yard line where DeDecker again crossed the goal line. In the last quarter Bob Zastrow intercepted a pass and ran thirty-five yards for a touchdown. Zastrow also did some fancy passing throughout the whole game.

### **ALGOMA 48 — OCONTO FALLS 20**

With one victory and one defeat on their non-conference record, the Algoma basketball team went out for their first conference win. Bud Schmitz led the winners with 12 points. The game was well played and Algoma used 12 players, everyone doing a fine job to defeat Oconto Falls.

### **ALGOMA 31 — KEWAUNEE 33**

Algoma's well balanced team was defeated in the last few seconds of the overtime by the Kewaunee Indians. They were ahead until the last quarter when a Kewaunee rally tied up the game and then beat the Wolves in an overtime. Zastrow led the scoring with 10 points. Algoma played very hard but came out on the short end of the score.

### **ALGOMA 38 — OCONTO 35**

With a 500 per cent average Algoma's team went out for their third victory and got it to the tune of 38 to 35. This was one of the best played games so far this year by the Wolves. Algoma's scoring was led by Schmitz, with 20 points. Falk counted 21 points for Oconto.

### **ALGOMA 28 — EAST DE PERE 26**

In an exciting 28 to 26 cage tilt, Algoma's Wolves edged out the De Pere Redbirds in a closely contested game. Accurate shooting by the Wolves kept them in the lead. It was a nip and tuck affair all the way but the Wolves managed to stay on the top of the count.

### **ALGOMA 38 — STURGEON BAY 34**

Algoma led the Bays all the way in a seemingly easy victory. In the final period the Bays came to life to tie up the game. The Wolves were forced to play defensive ball to keep their lead. With only a few minutes remaining, Seiler, who played fine ball, cinched the victory with two field goals in the overtime period.

### **ALGOMA 30 — TWO RIVERS 29**

The Wolves got off to a 19 to 3 margin at the half, but during the second half, the Purple Raiders, led by Bruemmer, staged a hot comeback. This rally came near to giving Two Rivers the game. DeDecker led Algoma with 8 points while Bruemmer netted 12 for the Raiders.

### **ALGOMA 47 — OCONTO FALLS 29**

Using reserves during most of the game, Algoma experienced minimum trouble at the Falls. The highlight of the game was Durst's 10 free throws out of 10 attempts. Blahnik counted 17 points for Algoma.

### **ALGOMA 37 — KEWAUNEE 51**

In what was supposed to be a closely contested game, the Kewaunee Indians handed Algoma its worst defeat of the year. Exceptionally good ball handling on the part of Kewaunee and the accurate shooting of Guse and Smithwick kept the Indians way out in front. Guse and Smithwick each had 20 of the 51 points collected by the Indians.

### **ALGOMA 59 — EAST DE PERE 48**

For the second time this year the Algoma Wolves managed to nose out the De Pere Redbirds in a hard-fought contest. The Wolves rebound and hard driving was the highlight of the game. DeDecker and Schmitz led the Wolves with 22 and 19 points respectively.

### **ALGOMA 37 — OCONTO 41**

In one of the most exciting games seen this year, the Oconto Blue Devils nosed out the Wolves in a thrilling overtime period. It was a see-saw battle the entire way and both ball clubs played fine ball. Falk took the honors for Oconto.

### **ALGOMA 48 — STURGEON BAY 29**

The Algoma Wolves, without much effort, trounced the Bays here Friday night. It was by far a reverse of a previous game with Sturgeon Bay. The Wolves who played heads up ball allowed the reserves to finish the game. Seiler led Algoma with 15 points and also did a fine job of controlling the rebounds.

### ALGOMA 37 — TWO RIVERS 40

In the last N. E. W. conference tilt of the season the Wolves bowed to the Purple Raiders of Washington High by a score of 40 to 37. It was a closely contested affair the entire period. Schmitz led the local boys with 12 points.

### ALGOMA 37 — NIAGARA 43

In a surprising upset of the team's first tournament game, Niagara edged out the Wolves due to Algoma's inability to cash in on lay-up shots and free throws. Ragged floor play and numerous fouls added to Algoma's loss. Seiler led Algoma with 15 points. Algoma missed 16 out of 19 free throw attempts.

### ALGOMA 33— MARINETTE 30

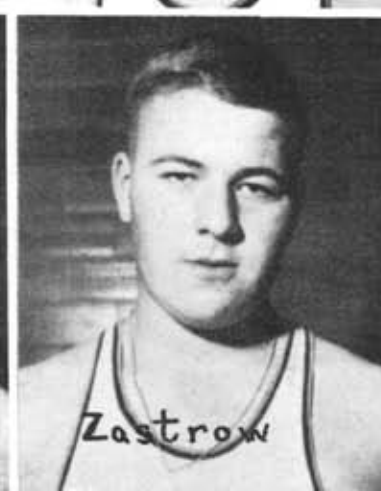

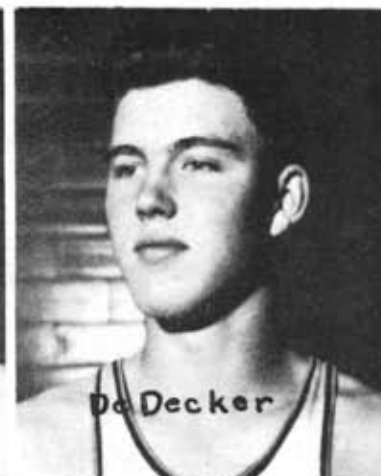

The second tournament contest proved to be a morale builder as Algoma handed the Marinette five the short end of a hard fought battle. Marinette's varsity showed a fine brand of ball handling. DeDecker and Blahnik led the Wolves with 8 points while Seiler was close with 7.

### ALGOMA 36 — WEST DE PERE 50

The Algoma basketball team ended their conference season and tournament at the Oconto Armory against the West DePere five. The very accurate shooting of the DePere team was by far the outstanding event of the evening.

## GIRLS' PHYSICAL EDUCATION

The girls' physical education classes, under the direction of Miss Kathryn Sneesby, have been held each Tuesday and Thursday. The period begins by doing various calisthenics, after which the girls participate in games.

There are one hundred and thirteen girls in the four classes which Miss Sneesby teaches. These girls range from the seventh to the twelfth grades, all of them taking an active part in the exercise.

The program which was organized by Miss Sneesby provided in the fall for group games, posture testing, and volley ball. In the winter there was basketball, folk dancing, and social dancing. During the spring months the girls played hit pin baseball, softball, and individual sports.

## PEOPLE ARE FUNNY

Louie: "Have you a warning signal on the front of your car?"

Seiler: "Yes, sir, my little sign reads 'Dodge Brothers.'"

Mr. Herold: "Dick, you should place your hand over your mouth when you yawn!"

Dick: "What? And get bitten?"

Mr. White: "I want to know what makes trees become petrified."

Ed. Q.: "The wind makes them rock."

Gassey: "I'm in a terrible fix."

Baldy: "What's wrong?"

Gassey: "I've lost my glasses and I can't look for them until I find them."

Miss Chubb: "Do you suppose it's bad luck to have a cat follow you?"

Miss Sneesby: "That all depends on whether you're a man or a mouse."

Coach: "How old would a person be who was born in 1894?"

DeDecker: "Man or woman?"

Jean Wagner: "Why do you call your dog 'Baseball?'"

LaVerne: "Because he catches flies, chases fowls, and runs for home when he sees the catcher coming."

Mr. Douglass: (wearily) "Jack, do you talk all the time?"

Jack: "No, sir. Sometimes people interrupt me."

Mr. Wiersig: "What is the meaning of the word 'space?'"

Tom A.: "It's something where there isn't anything. I can't describe it exactly but I have it in my head."

Baldy: "Say, Lee, how did you get that swelling on your nose?"

Lee: "Oh, I bent down to smell a brose in my garden."

Baldy: "Not brose, Lee, rose. There's no B in rose."

Lee: "There was in this one!"

Miss Shimek: "Do you think anyone can tell the future with cards?"

Nancy J: "My mother can. She took one look at my report card and told me exactly what would happen when Dad came home."

Mr. Koss: "If you have \$10 in one pocket and \$15 in the other, what have you?"

Ken B.: "I have on somebody else's pants."

Mr. Herold: "Young man, how often have I told you to get to this class on time?"

Joe S.: "I don't know. I thought you were keeping score."

Miss Higgins: "Junior, how many make a million?"

Junior H.: (experienced and realistic) "Very few."

Senior: (haughtily) "Oh, I know a few things."

Frosh: "Well, you haven't anything on me. I guess I know as few things as anybody."

Mr. Thorpe: "What are angles?"

Bud S.: "They are different shifts a fellow makes in his seat when you ask a question."

Don Tlachac: "Sorry I'm late, Mr. Koss. I was busy on the farm, collecting cream puffs."

Mr. Koss: "That is silly. How can you collect cream puffs on a farm?"

Don: "My cow smokes!"

Ken S.: "My chickens don't lay very well. I even tried to coax one of them by putting a glass egg under her."

Gerry W.: "Did the glass egg work?"

Ken S.: "Nope—instead of eggs, she laid a forty watt bulb."

Ione R.: "Are you a professional saxophonist?"

Margaret P.: "Oh no, I only play for my own amazement!"

Miss Lohrey: "Carole, why are you so late this afternoon?"

Carole S.: "I saw a sign."

Miss Lohrey: "What has that to do with it?"

Carole S.: "The sign said, 'School Ahead—Go Slow.'"
