STUDENT COUNCIL--TOP ROW: C. Lienau, J. Schlise, G. Jenderjohn, B. Wolter, L. Tremble, E. Wiesner. SEATED: D. Feld, T. Poehls, J. Pavlik, O. Zirbel, J. Meverden, Mr. Cornell.

Foreword

This school year, with its accent on exploring new frontiers of learning, found Algoma's youth striving to "meet the challenge." Members of the graduating class of 1961 go forth to find their place in tackling the problems of a rising new generation.

The school scene--with its students discussing, listening, experimenting, studying, as well as playing--is here depicted in words and pictures for your pleasure in the 1961 "Scroll of the Wolves."

Dedication

We, the staff of the 1961 "Scroll," wish to dedicate this yearbook to the Algoma High School alumni who have labored here and will long remember their Alma Mater and their part in its progress.

As we have had countless opportunities during our school years to improve ourselves, we pledge to do all we can to broaden the opportunities for others. We join ranks with the alumni, for tomorrow is in our hands and the world is depending on our contribution.

ALUMNI--Class of 1960.

Principal's Message

The 1961 "Scroll of the Wolves" is dedicated to the Alumni of the Algoma High School. A brief survey of the names of these graduates would reveal a relatively striking number of men and women who have taken advanced study in our colleges and universities and are now serving as doctors, dentists, lawyers, teachers, engineers, businessmen, and administrators. This gives us a feeling of pride. We are proud of their success. We are proud to know that our school enabled them to attain their basic learnings so they could pursue further knowledge and become professional leaders.

Looking further we find the many sales people, businessmen, laborers, the mothers and fathers and others who are leading successful lives. We are also proud of their successes and their many endeavors to make our community the fine community it is.

We are grateful to all alumni for their help in giving A.H.S. a good name and for being ever ready to improve our school.

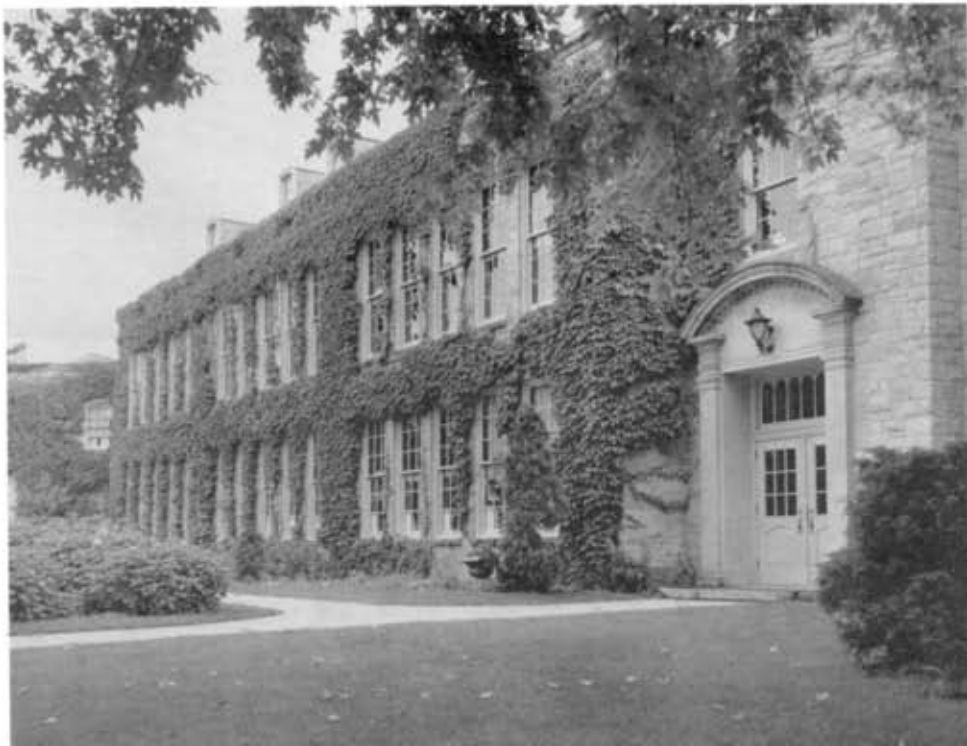

As your administrator, let me hand the torch to the graduating class and the graduating classes to come. It is now your responsibility to keep the torch well lighted and held high in keeping with the good work that has gone on before us, and to strive to become the kind of leaders our community and our nation will need in the future.

And to show we have the spirit,
We'll be at every game.

We fight fair and we play square
And proudly we confess
The man who cowers at defeat
Is not in A.H.S.

Wolves Keep Spirits High

The Wolves, handicapped by inexperience through the first four games of the season, found themselves in the Preble game. They finished the season having won three of their last four games. Hurt by injuries during much of the season, the Wolves showed us they had the will to win by giving practically every team a good match.

Because Coach McKenna was forced to use quite a number of sophomores and juniors on both offense and defense, he should have quite a nucleus from which to build next year's team.

The highlight of the season was the team's 15-0 victory at Preble, our first there since the rivalry began.

"Black Out"

Extracurricular activities are a vital part of school life and "Black Out," a one-act play, directed by Mr. and Mrs. Duvel, illustrates this point. The play won the local elimination contest October 16, went on to receive an "A" rating at Preble, placed third at De Pere, then received a "B" rating at New London.

Those taking part in the play were David Arneson, Peggy Busch, Bob Serrahn, and Becky Granius.

"Mikado"

A major activity of the a cappella choir, under the direction of Mr. Klimko, was the production of a two-act operetta, "The Mikado." This Japanese musical comedy, by Gilbert and Sullivan, was presented to the public on February 11 and 12.

All the seventy-seven choir members worked diligently to make the production a success.

Kenneth Hucek and Judy Feld played the roles of Mr. and Mrs. Smith and the parts of their children were played by Dan Lienau, Vicki Johnson, Joanne LeCloux, Mary Muench, and Jill Canney. Also in the play were Nelson Gigstad, LeRoy Sobania, Julie Viste, Marlene Mauer, Orrin Zirbel, Judy Delain, Glen Kolmorgen, and Randy Kostichka.

"Down to Earth"

"Down to Earth," a comedy-fantasy in three acts by Bettye Knapp, was presented on March 11 and 12 by the Junior Class. The play was unique in that its prologue took place in "space." The production was under the direction of Mr. Nass, with Janet Sell and Louise Rutz as student directors. The delightful characters and situations were ably brought to life by a cast of six boys and seven girls.

Young though we were when we entered these marble halls, we have found many precious things; friendship, knowledge, and happiness. We worked, we learned, we lived. We were challenged by our teachers, by our parents; and we shall continue to be challenged as we pass through these doors to begin the new life that lies beyond. We shall remember the understanding and guidance given to us by our teachers. Although we may be separated, our memories of A. H. S. will linger on forever.
