DEDICATION

We, the Annual Staff of 1968, find it an honor and a privilege to give recognition through this dedication to our guidance counselor, Mr. Jacob H. Sheffy. His wise counsel and untiring efforts have aided us throughout our years at AHS, making them profitable and enjoyable.

Thank you, Mr. Sheffy, for your kindness, help, and understanding.

... impatiently waiting for Friday ... running to class just ahead of the tardy bell ... cheering wildly so that our team knows we're with them ... hoping to see our class on the spirit jug ... students filling the halls with laughter ... studying madly at lunch for that test fifth hour ... bringing clean gym clothes at least once a year ... the smell of the chemistry lab after an experiment ... Seniors giving measurements for caps and gowns ... images of our school. We, the Staff of the 1968 Scroll, have tried to capture the spirit of this year. It is our hope that in future years you may take a long look back through these pages and remember the faces and events of this special school year.
