Scroll of the Wolves
Algoma High School
Algoma, Wisconsin

Looking over the annual of 1972, we the annual staff hope that it holds as much meaning to you as it does to us. During the past year we have tried to capture some of the memorable events that we will hold close to us after we leave. We hope that the annual staffs of years to come will find the excitement and pride of getting together as we the staff of "72" have. We wish to thank all of you who helped make this annual possible and a special thanks to Mrs. Rankin, without whose help this would not have been possible.

We Dedicate

our '72 yearbook to Jeff Rabas who guided his class as president for three years. Jeff always seemed to put his class ahead of everything else. And without the generosity of Mr. Rabas, our Homecomings might have been failures. Jeff has given us much to be proud of. We sincerely appreciate it--

Thanks Jeff!
