## WE MISS YOU PAUL

It all happened so fast, we couldn't believe it was true.

The news hit the town, "NO" we said, it can't be you.

Our minds went wild with worry, and fear filled our hearts.

Forced to face the truth, we are left alone in the dark.

Just another victim of an unjustifiable crime, another statistic on the record, who died in such a short time.

To those who knew you, you were a special friend, the kind that no matter what stuck with you, through thick and thin.

You never hurt anyone, you were always laughing, kidding and having fun.

Confused and angry, you left us too soon. All that we have left are the memories of the good times we had with you.

It won't be the same without you near, so much of you still lingers around us here.

Years may pass, wounds may heal, the anguish will go away, but you're in our thoughts and memories and we will remember you always.

You were very special, a dear friend to all. Sincerely, from the aches in our hearts...

We miss you Paul.

The senior class of 1982 wishes to dedicate this year's annual "Scroll 82" to our friend and classmate *Paul Annoye*, whose untimely death on April 9, 1982 caused much sadness.

Paul was very active in school activities as well as sports. He played defensive end, and offensive guard for four years on the football team helping to lead the Wolves to a 6-1 conference record. He was a member of the letterman's club for three years, and also played basketball his freshman and sophomore years.

Our memories of Paul will always remain with us throughout the years. He is sadly missed by his many friends.

DEDICATION

## Wolves Finish Super Season--6-2.

The 1981 football season started with a 7-6 victory and concluded with a 7-6 loss. In between, the Wolves enjoyed an exciting season as the team put together a 6-2 season, losing the conference championship to Mishicot.

The homecoming game against Luxemburg-Casco was probably the best game the Wolves played all year. Charged with the homecoming fire, the Wolves shut out the Spartans, 24-0.

The season, although ending on a sad note, was a successful one. The Seniors provided the necessary leadership and drive. Honors at the end of the season include:

## Wrestlers Pin...

## Sport Gets 'Pinned'

The 1981-82 Algoma Wrestling season was one that will be both memorable and forgettable. It will be memorable because of the fact that the team wrestled its last season and Hwt. Shawn Monday compiled the best win-loss percentage in the schools history at 18-1. In addition Shawn set a new school pin record of 14 in one season. Chris Rocque turned a tough year in a memorable year by defeating the No. 2 seed at regionals while placing third. The season will also be forgotten because the team finished 1-10. The one victory ironically came the same evening as the school board met to cut the wrestling program, while the coach and players were practically across the hall.

Hi, I am Jens Bengtstrom. I am a foreign student from Sweden. My older brother, Olle was here two years ago as a student with a program named ASSE. I tried to go with this organization at first but I was one year too young, and I got kicked out of it. Mr. and Mrs. Patterson offered to take me. I am very grateful to them. My father sent me over here after a lot of paper work done by my mother. I would like to thank everyone for making it possible for me to come to Algoma. I would like to extend a special thanks to the Pattersons who survived a year with me. THANKS!
