# "Visiting All the Way from..."

Hello: I'm Liu Hui-qing, the AFS exchange teacher from China. I've come to improve my English, and to have some experience of American people and American schools.

Since I've been in Algoma High School for nearly 4 months, my experience in Algoma is really a good community. People in this community are so nice and friendly, and Algoma High School is one of the best I've visited. Both teachers and students are really doing a good job. I'm happy to be one member of Algoma High School and I enjoyed my stay here.

My name is Arturo Morales La Madrid. I am from Lima-Peru. I'm 18 years old. I am an AFS student and I'm spending this year at AHS. It was a wonderful year. The people that I met here gave me their friendship and help. I was lucky to come here to Wisconsin, to Algoma, to AHS. I'll miss all these: My town (Algoma), my family, and all my friends (I've learned a lot from you!). I got all these experiences because of AFS. They are really a great group of people, and give you the best experiences of your life. I'll miss you!

The 1985 football season opened on a hot humid night losing to the Denmark Vikings in a squeaker, 6-5. The squad dominated with seniors, had hoped this was the year to challenge for the Packerland Crown. But it was not to be. After a loss to Sturgeon Bay, the Wolves started to rebound. Relying a punishing ground game with running back leader John Slaby, Dan Wech, and Mark Kostichka, with Eric Mayheu at QB, the Wolves hammered past L-C 7-0, clipped the Southern Door Eagles 20-0 on Parent's Night. Gaining momentum, Algoma breezed the Sevastepol Pioneers 33-0 displaying an awesome ground game. The tide turned the next week as Algoma could not contain Oconto Falls and lost 20-7. Homecoming brought the league leading Oconto Blue Devils to Perry Field, which was ankle deep in mud and water. The element failed to solw down the champs as they romped, 34-0. The last game of the season pitted Algoma against its arch rival, Kewaunee. The Indians ripped the Wolves , snapping a four game Algoma winning streak, in a hard fought game, 7-6. Post season honors included All Conference selections for John Slaby and Phil Schmidt. Team honors were to Phil Schmidt Best Blocker, Best Tackler, John Slaby MVP, Eric Mayheu Team Captain.

# Algoma Wolves take it all!

1985-86 Season

The change to Class C this year turned out to be a very nice change for the Girls Basketball team this year. The results of that change was a Class "C" STATE Championship.

The season started out with a loss, but from then on things went very well for the team. On the road to winning the State Championship, they laid claim to their 7th Straight Conference Championship, with a perfect 16-0 record. This was the second year in a row with an undefeated season.

The tournament was a whole new story, as they had to play many teams that some of them never even heard of. It started with a lopsided 105-4 win over Washington Island which made National News and culminated with wins at state over two undefeated teams that were ranked 1 and 2 in the State just ahead of Algoma. In the championship game they defeated the defending Class "C" Champion, Fall Creek, 49-48 in a come from behind victory.

Many individual honors came from the fine season the girls had. In the team awards, Kathy Knoebel and Terri Blahnik were named Co-Most Improved players and Stacy VanEgeren was named Most Valuable and Captain.

The All-Conference voting finds Carol Knoebel, Stacy VanEgeren and Amy Blahnik all making 1st Team, with Stacy and Carol making it unanimously. Terri Blahnik was given Honorable Mention.

After the state tournament, Stacy VanEgeren was named to the 5-girl all-tournament team as well as being named 1st team all-state UPI and 2nd team A.P., and Carol Knoebel 3rd team UPI and Amy Blahnik was named honorable mention A.P.

Finally this summer Carol, Stacy and Amy Blahnik will be part of the North All-Star team in the Wisconsin Basketball Coaches Association All-Star Game.

The Algoma Baseball Team has a 3-13 record. Seeing that there was only one senior and two junior on the team, it looks like a lot of underclassmen will have to really pull together for 1987 season to improve this years record. The most valuable player was pitcher, Shawn Rankin, with three victories Paul Zima and most improved Brent Nylan. Pete Haack and Andy Guth scored the most runs and Brent Nylan and Andy Guth had the best batting average.

### The year in Forensics:

Mr. Loos started off the season with some troubling thoughts of how to fill out his team. He still had strong Seniors but the underclass ranks were dwindling.

Our first tournament was Ashwaubenon where the team took first. The season continued strong with five more invitational tournaments, to the Coaches Invitational Tournament. This tournament had 69 schools entered and over 1500 students participated. Algoma came in first place for the first time in the team's history.

Algoma also gained the most points in taking 24 of 25 entries to State and topped out the crop of 424 schools.

Lisa Tebon was most valuable Frosh, Laura Schmiling gained most valuable Soph, and Stacy Deprey and John Slaby as most valuable Junior and Senior, respectively.

Eric Mayheu was awarded the Nemetz Memorial Award for most points gained over four years of competition.

A thank you goes to all the members of the teams, Mr. Loos, Pat Bair and everybody else who upheld the reputation of this great program. We showed everybody our pride, poise, and professionalism.

## ORGANIZATIONS

# WAHLERS TAKES BATON

This year's band started out a little different from other years, mainly we had a different band director. Mr. Wahlers replaced Mr. Niessner's job down in Germantown.

This year we started out by marching the halftime shows at the home football games. Basketball games were confusing, having games on the same night. But we made it through it. Then tournament time came. The boys ended their trip very fast, but the girls went all the way to state. And the band followed them all the way. This year we stayed down in Madison overnight. This trip will not be forgotten by many people. The Christmas Concert was held on December 17. Right after the Christmas break we started out working on some music. At contest know one from AHS received under a second. The band contest was held at Gibraltar. The band came out on top receiving a second. The final performance of the year was Graduation which was held on June 5.
