A WALK THROUGH TIME...

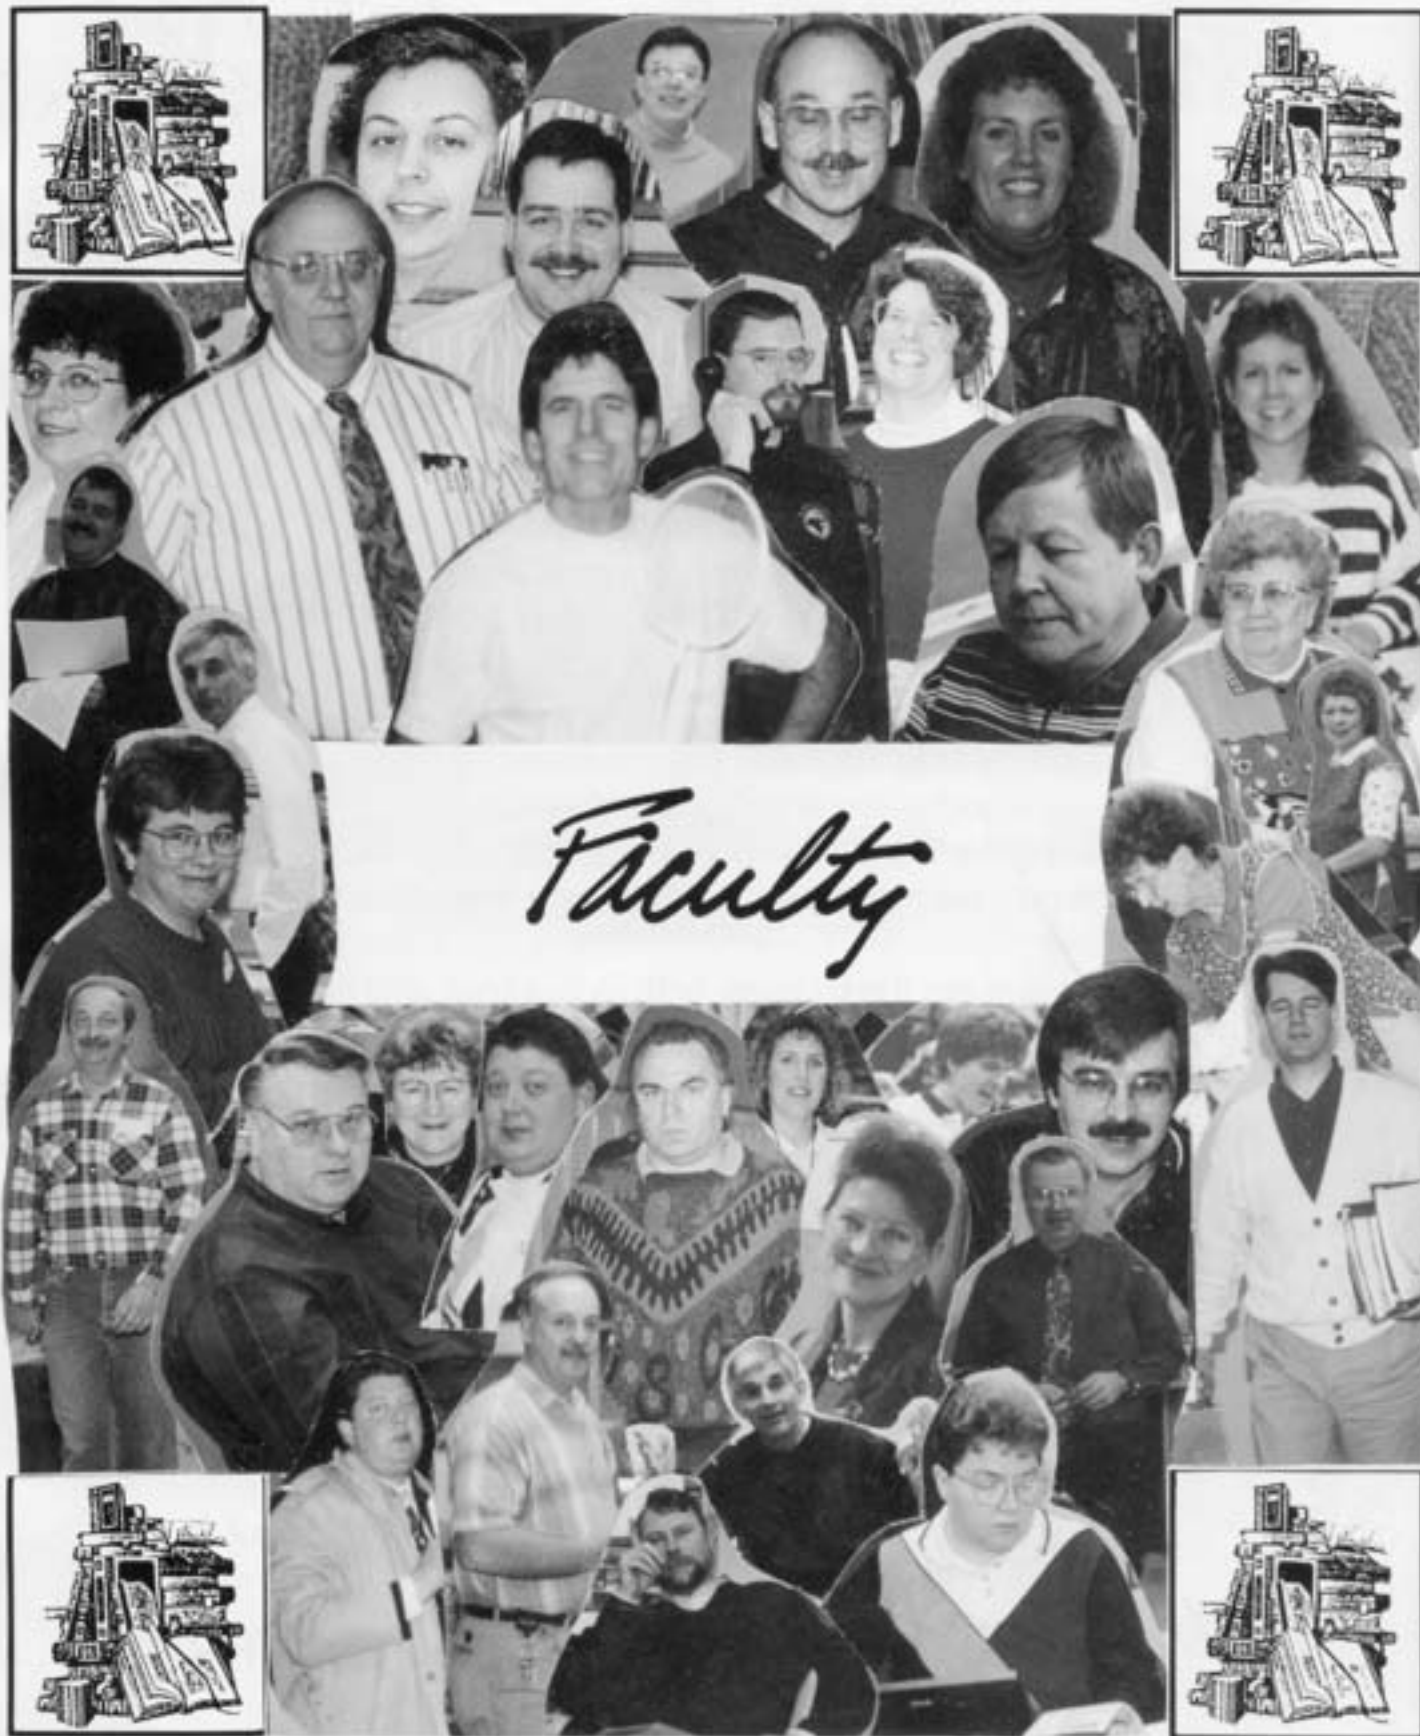

As our walk began, we were hand in hand
The years were our hourglass, our memories the sand
We were given time to make the most of
We were blessed with friendships filled with love

As time went on, many tears were wiped away
And we found we grew stronger with each passing day
The laughter from yesterday still echoes in our hearts
The pain we may have caused, slowly then departs

All that remains are the pictures, both in this book and our minds
So often simply treasures, that no one ever finds
The sun had risen, and now it has set
The times we've shared together, we never will forget

With heavy hearts, we look to the future and forget about the past
There is no use in dwelling on that which can never last
As you turn the pages of time, the clock still ticks
So bid a farewell to The Class of '96

The 1995 football season opened with an air of optimism based on the number of returning starters from a previous championship season. Hosting the four-way scrimmage, Algoma displayed what appeared to be a promise for a successful season. But the regular season opener disrupted the path of the Wolves and it took longer than expected to relocate the trail to victory. Opening with a strong Manitowoc Lutheran team, Algoma found that it would take a little more work and some positions to fill as they fell to the eventual state finalists, 22-6. Traveling to Denmark to take on a physical Viking team, Algoma's offense moved the ball up and down the field but struggled to get the ball across the goal line. Although Cory Cmeyla had a record setting 19-28 for 294 yards passing, the Wolves lost to Denmark 28-14.

The conference opener found the Black and Gold in Indian country as they faced their arch-rival, Kewaunee. Even though the Wolves scored on their first drive, their defense could not stop the quicker Indians and lost 28-13.

Finally returning home to Perry Field, Algoma hosted pre-season favorite Sturgeon Bay. Despite being outweighed on the line in some cases by 100 lbs, the Wolves battled the Clippers only to lose 6-0.

Looking to get on track from the losses Algoma traveled to L-C to play a scrappy Spartan team. Al-

goma had displayed a dormant running game in the first half dominating it. But a last minute Cmeyla to Schmidt TD gave Algoma its first win, 14-13.

On the road again, this time to Sevastopol-Gibraltar who was looking for its first conference win since 1984, Algoma dominated the first half and looked as if it were going to blow them out, until the Pikes running game took over, even Scott Daubner's two second half TDs couldn't stop the Pikes as we lost 26-22. It was a long ride back to Algoma.

Homecoming brought Oconto to town on a rainy night. They dismantled us with a strong passing and a stout defense 21-7.

The next week we traveled to Southern Door for their homecoming game. Displaying the passing attack that had been expected from pre-season, Cmeyla connected with Schmidt for a record tying 3 TDs and hammered the Eagles and ex-Algoma coach Mark LaCaptain 39-0.

The final game had Algoma hosting the undefeated Oconto Falls Panthers. Algoma fell to a quick 21-0 deficit. The wolves crawled back with a little help from two of Brian Nell's on side kicks and made a game out of it only to lose 31-14. Although the Wolves did not fulfill the dreams and hope of the team, it should not diminish the efforts of the players who worked and played hard.

"Far Behind"

This year's Cross Country team certainly did not fall far behind. The 1995 Wolves season was one which varied between the hope of the future and the sadness of "good-bye". Our team was composed of extreme age groups with the men being mostly seniors, and the girls being mostly freshmen. Those extremes made it difficult to work together, but there was still success.

This year's team overcame a lot; from the absence of "Roy", cold, damp weather, little time to get to Kewaunee and back, to a lack of people. Even so, the greatness of this team will not overshadow the leadership demonstrated by the seniors, nor will it erase the promise of tomorrow.

Christina Baird, State, 38th place

Once again, Algoma High School's One-Act production, "The Search for Signs of Intelligent Life in the Universe", advanced to the State Competition at UW-Stevens Point, where it received one Critics Choice nomination. The play provided a hilarious look at our society and the human heart trying to mend its bruises. Serving as narrator to unite the characters and scenes was Trudy, a new York city bag lady. For her characterization of Trudy, Jackie Schmiling was named as an outstanding actress at the State Theater competition.

The 1995-96 Lady Wolves ended the season with a 8-13 mark. This included a 7-9 record in conference play, good enough for a fifth place finish. The highlight of the season may have been the come-from-behind victory against Hilbert. The Lady Wolves were down by 14 points going into the fourth quarter and pulled out the victory. Carisa Bohman was honored with a first team all-conference selection. Carisa finished fourth in the conference in scoring and third in rebounding. Jackie Schmiling and Becky Priebe received honorable mention.

1995-96 Basketball

This season started off with high expectations from the players, coaching staff, and the community. With four returning letterman and the biggest team in Algoma history, everyone was expecting a conference championship.

We started off with two straight losses and I began to get very impatient with seniors who already had Varsity experience. We proceeded to win the next three games including a big win against Oconto Falls. A disappointing loss to LC was the start to some ups and downs for this veteran team. Two more wins after the LC loss got me thinking that we were back on track to make a serious run at the championship. Our next opponent, Kewaunee, was a very intense battle only for us to lose in overtime. We bounced back with two more wins and then a crucial game at home against Sturgeon Bay, in which we lost on a last second shot. Our next opponent, LC, shot the lights out and we suffered our worst defeat of the year. We then played very well against SD, only to loose in the end. I thought the kids gave an excellent effort that game and seemed to be coming around. We won our last seven games with great team effort, especially against Kewaunee. Although we showed what we were made of during

the first of our tournament games, we came up short at the end to Brillion.

This team has learned a lot about team work. Basketball is not a game for individuals who look for personal achievements, but rather, team accomplishments. I have always felt that teaching players the game of basketball and trying to develop them into reaching the height of potential will also, and more importantly, prepare them for the game of life and make them better people in our world today.

Youth Apprenticeship Program

The Youth Apprenticeship Program is an alternative educational option to the regular high school curriculum. Sponsored by the Department of Industry, Labor, and Human Relations, this rigorous, two-year program includes coursework at the high school and technical college, on-the-job training, and paid work experience. Apprenticeships are available in finance, health, auto technology, printing, hospitality, tourism, and manufacturing. Graduates of this program are prepared to enter the workforce or continue their education at a technical college or university.

Debbie Ferron is Algoma High School's first graduate who has taken advantage of the Youth Apprenticeship Program. Debbie completed the requirements for the finance apprenticeship and plans to further her education in the field of accounting.

Second Row: April Townsend, Chrissy McCosky - 14th in conference, Nicole Noonan, Nichole DeNamusur

The math team finished the year stronger than they started. The scores on the team portion of the competition continually improved throughout the year. The only individual medal this year was won by Chrissy McCosky at the JV math meet where she placed 4th among all the sophomores in the conference.

Foreign Exchange... "Somewhere Out There"

My name is Leonie Sham and I am an exchange student from Australia. I'm staying with Virginia Stoller and her family. I would like to thank my host family for taking me in and treating me like a daughter and sister. A special thanks to all my friends and my teachers. I hope to one day come back to Algoma and visit with all the people I met.

My name is Maren Fieguth and I am from Berlin, Germany. I am staying with Dr. and Mrs. Schultz and their family. I had to learn the language when I came here. I also had to deal with new and sometimes really different people. I would like to thank everyone who made this year so special for me.

My name is Sandra Loellgren and I am from the Northwestern part of Germany. I'm staying with Tim and Brenda Duerst and their family. The family is really nice, I get along with them very well, and I'm glad that they're my host family. Although Algoma can be pretty boring sometimes, I like it. I'm pretty sure that I will come here again.

YO, What's up?
I'm Miriam van de Laar from the Netherlands.
Special thanx 2 the Pattersons, 4 sharing everything with me.

Art Club..."Images"

In a perfect world, there would be no famine, no war, everyone would have a home, and the Art Club would have accomplished everything it had initially set out to do. Unfortunately, this is not a perfect world.

We started out the year with big plans. Our major goal was to complete a mural. We had everything set up when we came to a major obstacle. All plans were off. We fell off the proverbial horse and chose not to get back on.

It wasn't all disappointments though. We hosted a Youth Art Month Art Show and offered refreshments for the students and faculty at Christmas. Both of these endeavors were extremely successful.

This was the first year in recent history that Algoma High School had an Art Club. No one knew what to expect and it was a learning experience for all involved. We hope that next year's Art Club will accomplish all we set out to do and more.

Second Row: Brian Nell, Natasha Laurent, Jackie Schmiling, Nikki Yunk, Jeff DeMeuse, Peter Schmidt
Missing: Alison Massey, Josh Varga, Chris DeNamur, Carisa Bohman, Ashley Thomas, Jason Tweedy

This year, *School Daze* celebrated its Golden Anniversary. Throughout the 1995-96 school year, the student body of AHS played an active part in achieving the high level of quality that has come to be expected of *School Daze*. The two advisors, Mr. Schoenberger and Ms. Nivala, along with the editor, Nikki Yunk, headed a staff of supreme talent. Fifty years after this project began, *School Daze* remains one of the most respected programs at AHS.

Yearbook... "Take Me Back"

First Row: Dan Chosa, Becky Priebe, Second Row: Jackie Groessl, Leonie Sham, Third Row: Geoff Willemus, Josh Varga, Cory Cmeyla, Cassie Worachek, Sarah Plesler, Jessica Peinar, Missy Trinko, Melissa DeGrand, Fourth Row: Amy Hendricks, Gloria Peterson, Amber Tiedtke, Amy Sutton, Shana Brietlow, Amy Hafeman, Maren Fleguth, Brian Nell, Peter Schmidt, Fifth Row: Debbie Lautenbach, Carl Prokash, Nikki Yusk, Sara Malcore

Our yearbook class began as a mass of confusion and has become somewhat akin to a well oiled machine. All of us have endured the problems of missed deadlines, computer and printer snafus, missing, stolen, and late pictures, ad sales, fund raisers, and learning diplomacy. In the midst of all of the work, there has been time for computer games, pizza parties, zany pictures, and Ms. Nivala's computer club.

We could not have done it all without the cooperation and hard work of all of our staff and guidance from our Jostens' rep, Mr. Barnaby. With deadlines looming before us, we are all working furiously to finish up our production and create the best yearbook possible for our loyal readers.

Senior Class Trip... "I'm Only Happy When It Rains"

The Class of 1996 would like to acknowledge the chaperones of our senior class trip: Mrs. Cindy Bohman, Mr. & Mrs. Jeff and Noreen Buczek, Mrs. Annette Walaszek (a.k.a. Mom), and above all, Mr. Steve Mayheu. Thank you for making Washington D.C. a wonderful city, even in the unrelenting rain! We left AHS behind having learned many lessons, but thanks to you guys, we'll never forget how to count (especially Jerry).
