Algoma's Cross Country Team, bolstered by underclassmen, made great strides from the beginning days of August to the Conference meet in Kewaunee which was held at the end of October.

Although Algoma didn't have a full team for the boys, we were represented quite well by two juniors; Richard Day and Nick Nell. The girl's team was led by M.V.P. and Captain Nichole DeNamur and Brooke Nell, our most improved runner. The future looks bright with the freshman class of Stacy Johnsrud and Maren Lehigh-Hansen. The Sophomore class was well represented by three hardworking runners, Barbraann Zastrow, Tori Kenny and Brooke Nell. Finally, Missy Anderson, a newcomer to the team, added the competitiveness and hard work ethic to set an example for the younger runners to follow. With this group coming back next year, great strides can be accomplished!!

The 1996 volleyball season may not have been what the players had expected. Our record for conference was 4-13 and overall it was 6-19. Our record doesn't show the heart and desire we had for this fast paced game. The team often got into slumps, but somehow always seemed to find a way to remind the opposing team that Algoma was no push-over.

The 1997 football season started with an abundance of changes in personnel and a new offense. The seniors stepped into the vacancies and worked hard to implement the Wing-T. The season started slowly as the inexperienced team found the opponents formidable. The final record was 3-6. The Wolves can note that every team they lost to qualified for the play-offs, including one that made it to the state final. The victories came against Oconto which saw the Wolves run the Panzer dive repeatedly down the field before going for two with Jorgi faking the dive and running the keeper. The second victory came against Sev-Gib with the highlight being a 64 yard counter run by Scott Daubner. The Wolves played giveaway during the game but hung on for the win. The remainder of the season proved difficult as the Wolves played the Spartans, Panthers and Indians tough, especially in the first half, but really struggled against the Lancers, Vikings and Eagles. But the Black and Gold saved their best effort for the last game. Many looked back and wondered if this was the same team that had played the previous eight games. Motivated by the opportunity to make the play-offs, Sturgeon Bay only had to defeat the Wolves in the last game of the regular season. Played on their home field, the Clippers were shocked by the tenacious pack of Wolves, led that night by Ryan Vandervest (289 yards, 5TD's) and Matt Halada (3 sacks). The final score of 34-17 provided Algoma with a satisfying win and hopefully something on which to build for next year.

Homecoming... Was Here, Now Gone

How do you feel about homecoming being cancelled?

I had seen how much fun seniors in the past had and was looking forward to being part of all the activities. I was disappointed that our class missed out on all of the positive aspects of Homecoming.

-senior

I don't know because I've never had one before.

-freshmen

I didn't really care. It was just the fact that the whole school got punished for individuals... "who were proud of the fact that they had managed to get it called off."

-sophomore

This year we were robbed of our homecoming. Many traditions such as pep assembly, parade, spirit week, and toilet papering were cancelled. The excitement and spirit of our school soon died as the events were revoked due to vandalism. Many had mixed feelings about the punishment allotted. Some did not care about homecoming, yet, at the same time, there were those that were very upset. The news spread, and before our eyes our little school was famous-famous for the worst reason possible.

How will the cancellation of homecoming effect next year?

Things will be worse than this year because people will want to see what happens next year.

-junior

People will be more serious about homecoming next year. If anything goes wrong, it will probably be called off for good. If you really care about it, just be smart.

-senior

We think we'll still have homecoming, but there will be a lot of restrictions, but kids will toilet paper anyway and it won't be as fun.

-junior

This year's Peer Helpers have done many small but helpful things. We have gone to a few workshops and are giving alcohol presentations to grade school children. We have been working side-by-side with the SADD program with this years Post-Prom activities, and next year hope to get more interest so that we can make the group activities even better.

Individual medals this year were won by August Sheehy, Jason Wagner, Troy Duerst, and Monica Bohman. The members of this year's team were: Seniors- Jessica Stoller, Elizabeth Weisse, Sean Wiegand, and Cory Prust. Juniors- Chrissy McCosky - 17th in conference, Nicole Noonan, Casey Buhr, and Chris Chosa. Sophomores - April Townsend, and David Haubenschild. Algoma High School's one act plays have a tradition of excellence. This year was no exception. For the 23rd time in 24 years, the play, under the direction of Mr. Loos, advanced to the state contest, where it earned an All-State Award. In addition, cast members Jesse Rye, Jenny Flack, and Ryan Vandervest received outstanding actor awards. These three actors were members of a cast and crew that performed and produced the comedy, "Greater Tuna". The play portrays the idiosyncrasies of small-town Texas life through the narration of the local radio station. Both cast and crew are to be commended for living up to Algoma's long-standing tradition.

Lia Frota From Brazil

Hey babies,

How is it going? As you know, this is Lia from Brazil and I want to tell you guys that I'll never forget you or all the great things that happened to me throughout this year. Algoma, even being tiny as it is, taught me a lot and I can say now that I see the world with totally different eyes.

Thanx all! Miss you already!

Lia Haikal Frota

AFS... American Field Service

Due to a lack of participation, this year's AFS club has not been active. However, we are hosting Lia Haikal Frota, a girl from Brazil. During the month of June 1996, the AFS chapter in Algoma sponsored two students, Jessica Stoller and Joanne Buresh, to attend the World Affairs Seminar in Whitewater. We are hoping to do the same this year. We also heard from Victoria Davitt, who spent the 1995-1996 school year in France as an AFS student. She made several presentations about her experiences and seemed to have enjoyed her stay among the French people.

This year the French Club has had the lowest participation in years. We had only 10-12 members out of twenty-five showing up at the events that were scheduled. We had a movie night and a Christmas party. Some of the events had to be cancelled due to lack of participation or conflict with sports or band activities. Mlle hopes that the club can be revitalized and strong again. Five students will be going to France this June and we will host twenty-three French students in October 1997. Mlle hopes this exposure to the French culture through its students will enhance and encourage new members to join.

Ms. Nivala

Throughout the 1996-97 school year, the student body of AHS has contributed to School Daze. The involvement of individuals has helped keep the paper a success. The two advisors, Mr. Schoenberger and Ms. Nivala, along with the editor, Jessica Stoller, were privileged to work with a group of talented students. School Daze remains one of the most respected programs at AHS.

The 1996-97 Lady Wolves Basketball Season was one of ups and downs. At the beginning of the season, first-year head coach Mike DeMeuse put a stamp on the team; trying to stray away from everyone's idea of "the season of rebuilding". The Wolves ended the season with five wins and fourteen losses, and lost their first tournament game against Mishicot. The team started off the year with fourteen players and ended up with ten. This year was definitely a tough year with hard injuries and close defeats. The five victories were against Oconto, Southern Door, Oconto Falls and two against Gibraltar.

Were you pleased with the outcome of the season?

I think the outcome was disappointing because we worked so hard and really had the heart to win.
- Laurie Melotte

No, I think we could have done better, because we started out real well, but then ended not so good. We sort of just faded away and lost the heart for basketball. I'll miss it.

With the loss of nine seniors a year ago and a single letterwinner in Mike Jorgenson returning, not much was expected of the Wolves '96-'97. According to anyone you talked to including the local paper, the Wolves could have had, at best, a rebuilding season. Following a preseason prediction of finishing last in the conference, the Wolves finished with an overall record of 4-17.

This team, and the adversity it overcame, showed its true character of perseverance and hard work. It was a season that saw youth take the place of seniority, without complaint. It was a team that lost several players, yet an injury word was never spoken. It was a group of young men that will not be remembered as individuals, but as the team they came to be.

The 1996-97 ski club had a wonderful season thanks to mild winter weather and an abundance of snow. Many new members joined the club, experienced the one leg lessons at Norway Mountain, sold fruit, and prepared for the three day ski trip to Whitecap Mountain. Sixty enthusiastic skiers invaded the mountains and chalets and enjoyed the skiing, swimming, and card playing.

After two days of hard skiing at Whitecap, the club moved to Porcupine Mountain for its third and final day. Virtually owning the hill by sheer numbers, the ski club demonstrated its awesome skiing ability as it performed the traditional cha cha as it closed a very successful trip.

POPSS - Power of Positive Students/Staff

Mrs. Walaszek, Mr. Gillis, Mr. Ruleau, Mrs. Wisnicky, and Chrissy McCosky

This program is designed to help people, students and staff, to become more positive and be able to work together. This program is an incentive program at our school. Students are rewarded for doing good and the program helps build their self-esteem. We have weekly drawings and two auctions per year for the students. Our adult staff committee plus one student council member, meet several times a year to plan activities and keep tabs on how the program is running. We also do many activities throughout American Education Week to include people in both the Elementary School and the High school, as well as the Algoma community. This has been a very positive program and we are always trying to better it.

Members of the Chorus played instrumental roles in the very successful production of the musical "Nunsense". Over two thirds of the chorus participated voluntarily in the District Solo Ensemble festival. Five of the local entries in Class A received starred first ratings which made them eligible for the State Solo Ensemble Festival. All five of these entries received first rating at the State Festival. The chorus participated in the Concert Events Festival held at the Luxemburg-Casco High School at the Class B Level. They received a second rating, with one judge giving them a first and two giving them a second. The chorus also sang for the 1997 Commencement Ceremonies.

The Algoma Wolves Track and Field Team saw a very successful season in 1997. This success was not measured necessarily in wins or points, but in personal achievements. The team was one of the youngest in the area with a roster of about forty and only four seniors competing. This young team, however, showed many glimmers at future success, especially in the sprints, hurdles, women's distance, middle distances, and jumps. The team was also able to advance four members to the sectional meet in Wrightstown and three of those made it to state. Cory Prust took fifth at sectionals. Ashley Thomas placed first in the 300 M hurdles. Joe Tuttle won the 800 and placed third in the 400. Nicole DeNamur won the 100 hurdles and high jump, and took second place in the 400. Ashley, Joe, and Nicole advanced to state in LaCrosse. The biggest success of the season, however, was that the Algoma Wolves had the team that knew how to have the most fun and that Brad Kissinger was reunited with his long-lost brother.

Youth Apprenticeship... Working For My Future

The Youth Apprenticeship program is an alternative to the regular high school curriculum. Sponsored by the Department of Workforce Development, this rigorous, two year program includes course work at the high school and technical college, on-the-job training, and paid work experience. Apprenticeships are available in finance, health, auto technology, printing, hospitality, tourism, and manufacturing. Graduates of this program are prepared to enter the workforce, or continue their education at a technical college or university.

Nick Rayome is Algoma High School's second youth apprentice. He has completed the first year of the health program and will continue his training at St. Mary's Hospital in Kewaunee during his senior year.

Do you suggest others to try this?

Yes, it is fun and exciting. You get a feel of the career world.

Would you do it again next year?

I have to because I am involved in a two year program.

What did you like about the program?

It was fun and interesting.

Algoma SADD stands for Students Against Dangerous Decisions. Despite the fact that students know right from wrong, they face tremendous pressure in decision making. It is the goal of the Algoma SADD chapter to offer support in making safe, responsible choices. Algoma SADD offers several alternative activities for students including dances, post prom, New Years Eve, and homecoming parties. Students have a safe place to spend these traditionally high risk times. Algoma SADD also offers scholarships to deserving students and Contracts for Life are also available.

The yearbook staff has a great deal to be proud of this year. We couldn't have asked for a better (or nicer) group of students to work with. What began as a small group of seniors has turned into a business run almost entirely by the students themselves.

Throughout the year we have encountered numerous obstacles: a beginning deficit, the challenge of selling our book, ad sales, and fund-raisers. We've also dealt with missing, stolen, and late photos, as well as snow days and uncooperative computers that would go off line, usually just before deadlines.

In the midst of all of the work, we have grown into a close knit group and have learned to work together. We've laughed, cried, and gone a bit crazy (especially during deadlines). I would like to say how very proud I am of all of them!

Senior Class Trip... Toronto/ Niagara Falls

This year the senior class decided to travel to Niagara Falls and Toronto, Canada. Due to lack of participation only 26 out of 65 students went along, but this did not stop the fun that the rest had. We saw many sites including the Skydome, the CN Tower, were taken on boat rides, including one that went right up to Niagara Falls and one down the Erie Canal. Some other excursions included an amusement park in Canada, a Medieval theatre, and many more exciting adventures.

Thanks to this trip, 26 graduating seniors became much closer while having a great time. A special thanks goes out to four great chaperones; Mrs. Rackow, Miss Nivala, Mr. Loos, and Mr. Gillis, and another to Mr. Mayheu and Mrs. DeMeuse for all their hard work in planning. You did a wonderful job in making this trip a success!
