Running as hard as usual, the Algoma High School Cross Country team took in another good season. No one went on to state, but from the way they ran at Sectionals, there will be a strong team coming back next year.

Warm-ups, amusing conversation, and running through swamps made this season especially interesting. And how could we forget that bump the bus always went over on the way to the meets? It always seemed to bring out the best in people.

This year's team was definitely one of a kind, and was made especially outstanding because of all who participated.

After working out in the weight room and running all summer, the Wolves were eager for the season to begin - hoping it would be a successful one. Those who stuck out the season became more determined and became closer as a team. All were playing for the same purpose; to win and have fun doing it.

After going winless in preseason play, the Wolves lost their first three conference games, despite some good efforts. Following this, the Wolves played against Sevastapol/Gibraltar and picked up the first win of the season. Next, Algoma won a huge Homecoming game against the defending state champions, Oconto Falls. This will most definitely be a game that the players and fans will never forget. Shortly after, the Wolves faced disappointment in Oconto. However, parents' night against Kewaunee lifted everyone's spirits. Algoma played an awesome game, winning 36-6. The seniors enjoyed the season and had very memorable moments. They will all miss the team and wish them the best of luck in the following years. All of the players would like to thank the fans for coming to all of their games. They would also like to give a special thanks to Mr. Mayheu and the coaching staff for everything they have done.

The 1998 Varsity Volleyball team met with early success in their win over Gibraltar, but failed to win another match for the remainder of the season. Despite a disappointing 1-15 record, these girls put up a good fight in every game they played. Perhaps this year's most memorable match was played at Oconto, when the wolves shut down one of the conference's top players and showed how much talent the team really had. However, this season was not all about winning and losing; the team unity shined through, even when their record was dim. Overall, it was a great year, and the memories of pre-game dance parties and post-game tears will be cherished for years to come.

Student council also sponsored a talent show this year in which 61 students showed off what they could do best. We also had our third annual faculty basketball game to benefit the Kewaunee County Food Pantry in Luxemburg.

Peer Leaders and Helpers

This year, we attended two Peer Leadership seminars by CESA, hosted by Michael McGowen. He taught us about coping with death, suicide, and sexual harassment. We have grown together as a group, and are willing to help anyone in need. We are also looking for new members, so sign up next year! They have great food at the Holiday Inn in Manitowoc. Mike is a great man!

SADD/AODA/SOS

Despite the fact that students know right from wrong, they face tremendous pressure in decision making. It is the goal of the Algoma SADD/AODA/SOS chapter to offer support in making safe, responsible choices. Algoma SADD/AODA/SOS offers several alternative activities for students including dances and a Post Prom party. Algoma SADD offers scholarships to deserving students and contracts for life are available as well.

Hey Guys!

My name is Leonardo Nagata and I am from Brazil... I'd like to thank everyone who helped me in my hardest time, especially my host family (Tim Duerst and Family). I will never forget my year here in America! I hope to come back some day again.

Good Luck Everyone!

The AFS club did not host an AFS student this year, however, we hosted a student Leonardo Nagata, from Brazil. The student going to France this summer joined the club to prepare to host their French counterparts in April 2000.

French Club

This year the French Club saw an increase in membership due to the preparation for the trip to France. We had a Christmas party with fun and games, a Mardi Gras dance, a dinner and variety show, and an end of the year picnic. Twenty five students and seven chaperones are going to France this summer. They will stay with families for eleven days, in Blois for four days, and Paris for four days.

Art Club

The Algoma High School Art Club was formed once again this year. Although its membership was small the students involved were bursting with talent and creativity. During the year we managed a trip to the Chicago Art Institute along with Ms. Marin's French Club. Highlights of the trip were the Moreau exhibit, artists painting in the gallery and the mystery truck that made contact with us on the highway.

The five member group has also spent many Tuesday nights working on a mural above one of the art room doors. This work combines several famous paintings from history. With almost all of our members involved in spring sports, we have been forced to work whenever possible. Even though we may have to finish up some of the mural next September, it is a wonderful reminder of the students that have worked so hard to add a part of themselves and their talent to our school. Good job crew, and thanks to you all!

"When at first you don't get the right answer, try the number nine." This was the unofficial motto of the 1999 math team.

The team was, for the most part, young this year, but Mr. Buczek can look forward to a strong team next year. Sophomore Tony Gregerson and Freshman Levi Straka were named All-Conference for outstanding performance throughout the season. Congratulations to all who participated this year!

For the second year in a row, Algoma's one-act play received the coveted Critics Choice Award at the State Competition. Everyone involved contributed to this success. However, Joe Zastrow and Mr. Loos received outstanding acting and directing awards respectively. "Hamlet II (Better Than The Original)," was a twisted takeoff on the Shakespearean favorite. Algoma High School's tradition of excellence in this activity was definitely upheld by this year's group.

This incentive program is designed to promote self-esteem and generate positive attitudes in both students and staff. Students are rewarded for doing good and this helps build their self-esteem. We have weekly drawings and two auctions per year. Our adult staff committee meets several times a year to plan and revise activities. During American Education Week we promote activities for both the Elementary and High Schools, as well as the Algoma community. This has been a very positive program and we are always trying to better it.

Trees For Tomorrow

This year's FFA had the largest number of members in a long time. We participated in various activities throughout the course of the year. We sold brats and burgers at football games and sold concessions at basketball games. All of the profit will go toward our trip to Wyoming this summer. We also sent a team to the FFA Olympics, but the results weren't quite as successful as hoped. Thank you to all who supported our endeavors.

Coming into the 1998-1999 season the Algoma Wolves men's basketball team had great expectations for their season. They had all but two players returning from last years squad and were confident that they could compete for the Packerland Conference title.

The year did not go as expected because the wolves finished 6-15 and lost in the first round of the playoffs to a Southern Door Eagles team that made it down to state.

Matt Piesler was named second team all-conference, and Jim Ray, Mike Bergemann, and Bob Graf were all named honorable-mention all-conference.

Once again, the AHS ski club had a fun and successful year. We managed to go on three one-day trips. In addition, after selling our share of apples and oranges, we were able to go on the annual three day trip. This trip consisted of two days of skiing at Whitecap and one day at Indianhead. Whether we skied down the slopes (or just fell down) everyone had a wonderful time and enjoyed the beautiful weather. While on this fun-filled trip, it was easy to see why every day is "a great day to be alive."

A most outstanding feat by the Algoma High School Band happened at Band Festival this year. The band earned a first rating in Class A competition in its first try in over 50 years. To think back about four years ago, the band had only 23 students in it. Mr. Dennee was able to bring students in, and had a band of 37 after one year. During the past three years under Mr. Kopetsky's direction, the band has grown to a total of 62 members. This definitely is a growing trend, as next year's band should be near 80 students.

On an individual basis, Levi Straka, a freshman, was accepted into the Wisconsin High School State Honor's Band. Levi was a member of the Middle School Honor's Band for two years, also. Liz Detjen was honored with the reception of the John Philip Sousa Award and Crystal Berger was also presented with the coveted Semper Fidelis Award.

One statistic Mr. Kopetsky is very proud of, is that over 95% of the band participated in State Solo/Ensemble this year. Hopefully, next year it will be 100%!

It was a new year with many changes. Ms. Halberg, the new chorus teacher, made a lot of changes and insisted we give our best. She was constantly making sure we used proper breath support, hit pitches correctly, and kept our "darn legs uncrossed."

Although extra effort was exerted before each performance, special care was taken when preparing for the newly named pops concert, "Gotta Sing, Gotta Dance." The long hours of preparation paid off and the show was a success with its lively choreography, detailed staging, and specialized costuming.

The year was a lot of work, but it resulted in good times and fun performances.

Nemetz Award Winner

Elizabeth Wautlet

Earning trophies at every regular season meet, the AHS Forensics team had high hopes for the state tournament. We took our pride, poise, and professionalism to Oshkosh and returned to Waukegan with a Division II State Championship trophy. While this is a second in our school's history, the fire truck escort was a first! This season was incredible for so many reasons, but the rewards do not come without hard work and dedication from the coaches and participants. Although the season has come to an end, the memories and the skills that we have learned will endure for the rest of our lives.

A special congratulations to Elizabeth Wautlet for making nationals!

This year has been the salt on our pretzels, the stars in our sky, the ...okay, enough of that. In short, the Algoma High School Odyssey of the Mind season "rocked our world".

We met victory at Regionals in Sturgeon Bay, and advanced to state competition in Steven's Point on April 17th.

Even though state had many disappointments, it wasn't completely unsuccessful. We didn't have any dead batteries, and the entertainment couldn't have been better.

WE USE A LITTLE
MAGIC

Academic Decathlon

Nine students represented our school at the local Academic Decathlon Competition, a grueling test in 10 different subject areas. Although we didn't advance to the Regional Competition, Jake Rabas did us proud by scoring second in our area in the Social Studies category!

This was the first year of the Powerlifting Club at Algoma High School and it was a successful one. Mike Norton was the coach and founder of the club. This is more of a sport than a club. You are always competing; not only with others, but with yourself as well.

We sent three lifters to state this year: Steve Gartzke, Brad Kissinger, and Jesse Duerst. They all did very well at state considering this was the first year of powerlifting.

Mr. Norton was a great coach and tried to get the best out of everyone. Each person that was in the club thought he was a great and irreplaceable coach. He made it much more fun than the average coach would.

This year's baseball experience will be one not forgotten in a long time. The reason for this isn't exactly a good one, but it is a memorable one. There were many feelings this year that the team will remember for eternity. Two of these feelings were loss and determination. The record might not show it, but this team is a group of fighters. This was demonstrated by the team's willingness to play hard and fight in every game. Sometimes they even wanted to fight after the game, just to show the opponents that the score wasn't everything. Our runs might not be higher than the other team's at the end of the game, but hey, at least we're more attractive than they were!

The 1999 Algoma Softball team was coached by Kim Nivala. Assistant coaches were Melissa Dupke, Renee Fulwiler, and Kristin Veleke.

Our girls really had to play as a team this year. Due to the two season-ending injuries, among all of the others, our team had to pull together to be able to compete with the other teams in the conference.

This season was an enjoyable and unforgettable one. We, again, have a young team consisting of three freshmen, four juniors, and three seniors. During the season, we had to bring up Junior Varsity players to complete our roster.

In the beginning, our team was very inexperienced. Throughout the season, we learned from our mistakes - and everyone improved their game.

The Algoma Track and Field team operated according to the motto of "Expect Excellence-Accept No Less." This was proven time and again during the season, but culminated in the post-season when Algoma was strongly represented in the WIAA Regional, Sectionals, and State track meets. The boys' team brought home the Regional Championship plaque for the second year in a row. The Sectional qualifiers for Algoma numbered in the thirties-one of the strongest showings for the Wolves in their history. By the end of the season three school records had fallen and new ones had been established. Mike Bergemann earned a record in the triple jump, Max Seroogy set a new standard in the 300 M Intermediate Hurdles, and the relay team of Ben Groessel, Josh Rankin, David Haubenschild, and Levi Massey broke the 20-year-old record for the 1600 M Relay and competed at State. Along with the relay, Levi Massey qualified for State in the 400 M Dash.

1999 was a great season with the Wolves Track and Field team representing Algoma High School with pride and strength. The senior leadership will be missed, but the underclassmen are ready to take control to lead the team into the future.

Youth Apprenticeship/Work Experience

The Youth Apprenticeship Program is a two year work experience program that offers alternative courses. Apprenticeships are offered in auto technology, finance, health, hospitality, manufacturing, and tourism. Through this program individuals are prepared for the work force by taking classes that are associated with their field of choice.

This year four graduates of AHS participated in the YAP program; Jessica Cmeyla-health, Tiffany Teske-health, Cynthia Mohr-finance, and Amanda Wendricks-Tourism. These four students were among ten students in Door-Kewaunee County to graduate from the Youth Apprenticeship Program.

Mr. Schoenberger

School Daze will be entering its 53rd year next year at AHS. The school "newspaper-magazine" relies on a cross-section of the 9-12 students' input to make it a success. Publishing six times per year, School Daze attempts to offer a wide variety of articles: news, editorials, features, and letters to the editor. Fairness, accuracy, balance, and objectivity are its goals for each issue. Two advisors and an editor lead the way in keeping students, faculty, administration, and community aware of news and issues relating to the school scene in particular.

School Daze staff and journalist students have worked hard on this year's editions. A special thanks goes to Mr. Schoenberger and Ms. Nivala (advisors), and Laura Michaletz (editor). These people spent countless hours working on coordinating everyone's efforts, planning, layout, and printing. Creating the paper took cooperation, brain storming, and thought to create some of the unique stories and articles that has given School Daze its reputation.

The 1998-99 yearbook staff has seen a number of changes this past year, the most important being that the class was changed to an extra curricular activity. Although there are still some bugs that need to be worked out, we have seen many more advantages than disadvantages to this new system. One of the biggest has been that we have had more flexibility and more room to grow from year to year. However, with the group numbering over sixty in September, we have been left with only about eight die hard members as the yearbook closes its covers. We have hopes of seeing the numbers remain high next year. Our days have largely included taking photos, collecting and editing type, fund-raising, creating page layouts, selling ads, taking photos, typing pages, filling books, and taking more photos! In spite of all the work (and there has been a LOT) we must not forget the Fall Yearbook Conference, gorging on pizza and subs, the ice cream parties, visits from Mr. Armaby and the question that is still on everyone's mind, "Gloria, what's a pica?" Thanks again to everyone for their hard work!

Find something you love to do and strive to become the best at it. Never settle for second best and never back down. These are just a few of the important lessons I've learned while in high school. I would like to give a special thanks to my brother for being a positive role model for me while I was growing up. Star Wars is the greatest cultural phenomenon this world has ever seen.

- David Haubenschild

Don't worry about what others think- be your own person. Following your own heart will bring you happiness and satisfaction, while acting to please others may only heighten your reputation. Let The Force guide you.

- Liz Detjen

Congratulations on your great achievements at AHS!

Salutatorian

It's true that there is no substitute for hard work. What you get out of life depends on what you put in so study hard and get involved. Thanks to all my teachers and my parents for teaching me the value of education. Star Wars is overrated.

Senior Class Trip Washington, D.C.

After four years of fundraising, the senior class had its final trip together in Washington D.C. Although taking in things like the Washington Monument, Lincoln Memorial, and Arlington National Cemetery was memorable, perhaps just spending time together was even more so. Everyone on the trip cooperated nicely and got along great. For all involved, this trip brought about new experiences (For some-the rollercoaster in Sandusky, Ohio) and it was a great way to end our time together.
