The 1999 volleyball season started off to be an extremely promising one, that is, until the middle of the season came along. But we did finish the season by stuffing and beating Kewaunee! Everyone really improved last year and we all had tons of fun! Our slogan was "dive for balls!" This year we also had something extra to pump us up for games. Some girl, who will remain nameless, came up with the most awesome volleyball warm-up dance!!! She expects everyone on the team next year to keep the dance going! "NIV HIGH FOOTBALL RULES!"

As we headed into the season, we were concerned about how the season would go. After all of the two-a-days, getting up early in the morning and pushing the sled, it all paid off. It seemed we really came together towards the end. With only a couple of wins and not a real chance to go to playoffs, we still gave 100 percent in practice and in our final game. There were a couple of problems during the season, but they all worked out because of close friendships. I would like to take this chance to thank Coach Mayheu for all the good times and the many learning experiences throughout the years. We didn't win many games, but we had a heck of a time trying. I, Andrew Kovacs, would also like to thank my teammates for all the good times, on and off the field. They seemed to help everyone when we were struggling.

Another cross country season filled with hard work and fun is over. Our team was larger than ever this year and it was exciting to see so many people interested in running. The 1999 season was a success, with some freshmen coming out and leading the team. With their help, the team will stay successful for years to come. Overall there has been a major improvement from last year.

Our team was hard to miss. We yelled our powerful slogan, "We're the pack and we'll lay down the smack," before every race. We also had many crazy hi-jinks on the side like forming pyramids, having rumbles, and checking out the Blackwood.

Thanks for the great memories, and best of luck to next year's team.

Homecoming was a success this year. We had a very eventful week with Spirit Days, float building, the pep rally, the dance, and of course the big game. This homecoming was dominated by the seniors, who easily won the Spirit Stick, mainly because of what has been called "the best skit in AHS history." Thanks to everyone who participated and made this a great homecoming!

# School Daze... "More Than Words Can Say"

Mr. Schoenberger

This year, School Daze was put into the hands of three new editors. They tried to make several adjustments, one of which was the discouragement of mundane articles. We had two new additions, a guest astrologer who was obsessed with the Ides of March, and a witty advice columnist. An aim of this activity is to revive the creativity of the student mind. We've all become so accustomed to writing assignments; School Daze offers the students at AHS an opportunity to put a pen and paper together for a whole new reason. Even if literature and student forums aren't your thing, there are other options. Quite possibly, nobody proved this better than Brian J. Swagel. Thank you for your comics, and thanks to everyone else who committed time to expanding the student voice.

Ms. Nivala

Student Council accomplished a lot this year. We had a bonfire for Homecoming for the first time in four years. A new sign was put up near the south entrance to the school. Also, we participated at State Competition and held a Winter Carnival. For the first time, we sponsored a Christmas party for elderly community members. Our only hope for future student councils is that they do as much, and have as much fun as we did.

# Peer Leadership / Helpers... "Help"

Peer Leadership has been a new and fun experience this year. The sophomore peer leaders went to three different training courses. There were many volunteer opportunities for us this year as well. On Mondays and some Wednesdays a few of the peer leaders were active in the F.A.S.T. program at the grade school. Two peer leaders received a \$500 donation for post prom as well. Some peer leaders from all classes are on the advisory families first board.

The post prom party will never be the same without Lee, for the prime player is no longer with us. We can only hope that he has found a measure of success in the great casino in the sky. So long, Lee, and may lady luck be with you!

Lee Rush was the heart and soul of the post-prom party each year. He really enjoyed seeing people, particularly young people, have a good time. It was his dedication, motivation, and tenacity that kept him coming back each year to put on the party. Lee loved games. He designed and built twenty-five through the course of years for students to enjoy. The casino games were his pride and joy. It seemed that with each year he took he would return with new casino games to try.

Following the successful trip to France of two five students and seven chaperones last summer, year's French Club activities have mainly been linked with the exchange program between Lycee Belle and our school. In April, most of the French students that hosted us came to Algoma for two weeks. While here they enjoyed tours of our attractions and a trip to Chicago. The Christmas party at Mille's house was quite as successful as in other years, but it was still fun for all those who participated. The club also creates school-wide activities to help celebrate and recognize the importance of knowing a foreign language.

## "Tomber La Chemise"

Viva La France! Viva La France! In June of 1999, 27 students traveled over the Atlantic Ocean for a three week stay in France and seeing all the major sites: The Eiffel Tower, the Louvre, Notre Dame, and Versailles. The students also learned about the French culture first hand by living with French families. Senior B.J. VandenAvond stated, "Going to France was one of the greatest times of my life. I guess the best way to sum it up is to say 'Thirteen?! At a bakery?...'"

*The Complete History of America* was the name of this year's state-bound production. A comical look at how America has evolved into what it is today, the play involved so much from George Washington and his ministers, to World War II and the Andros sisters. Though the ensemble did not receive a Critic's Choice Award, nor any Outstanding Actor Awards, Director Mr. DeLoos again took home an Outstanding Director Plaque! With very limited experience on the stage, the whole cast and crew were proud of themselves, and did the best they could. As senior Stacy Johnsrud lists, "Wearing black jeans and shirts is a lot better than tights and dresses!"

# Foreign Exchange... "Hey Jude"

Hi everybody! I guess most of you still remember me. I stayed here for the year 99/00. It was an awesome time and I really enjoyed it. Thanks to all those who hold me how to be "all-American" and who did not give up on explaining different ways of living to me or even how to open my locker. I'll never forget the fun I had here.

Love, Jude  
P.S: Dancing at Vibes is very educational. Happy Birthday, Sarah.

We, as cheerleaders, found that the start of the season was a bit harder than we had anticipated. In the beginning, the crowd was so unwilling to participate in the cheers that we were doing. However, later on in the season, they became more involved and willing to listen and participate. During practice we would go over our cheers and discuss how we could improve our attitudes. Our positive outlook helped us get through the difficult times and pump people up for games.

The Environmental Science Club is separate from the FFA for the first time this year. We started with many fundraisers, including an FFA event, a Shanty Days ice cream stand, and the hamburger stands at the football games. We again have a group of students going out west this summer. A group was organized to go to the Milwaukee Zoo and rock climbing in May. Also, many of us, in conjunction with AES students, went to help plant trees and leaves for elderly people in the community. This year was very eventful and fun. We will miss our seniors!

The FFA was a little smaller year due to the fact that the Environmental Science Club and FFA split. This year the FFA participated in the Agriculture Olympics held at Mishicot. It was a lot of fun. We also sent several teams to the district judging contest at Fox Valley Technical College, and several even advanced to the state contest at UW-Madison.

In October we sent five students to the national convention in Louisville, Kentucky for the first time. There we met people from all over the United States. It was a great learning experience and we all had a great time.

Cesa, Character Education Word of the Month, was introduced this fall. This was done in order to promote positive personalities throughout counties in the state. All around Algoma, and in every classroom, are words such as self-esteem, responsible, motivation, sense of humor, and friendliness and their meanings. These are changed monthly to remind students, as well as the community, how to behave and act. They are meant to help people become better friends, neighbors, and classmates.

UP, UP, UP, UP!! If you've ever attended a powerlifting meet, you are sure to hear the Neenah team yelling this and many other chants. What I wondered was-Where the heck is Neenah? Let me tell you, when it comes to Powerlifting, you know where they are from. However, even though it was only Algoma's second year, we showed Neenah and a lot of other teams where we're from...and it's not Oklahoma. This year was very successful with six of us advancing to State. Jeremy and Kathy both placed 1st in their weight classes. Next year, this success should continue. After all, we had at least two Algoma girl powerlifters to win a trophy!

As usual, this year's three day ski trip included a two night stay at Whitecap Mountain. While there, the students enjoyed the normal skiing, swimming, and movies. New thrills this year included seeing the Northern lights, screaming "Whassup" at the sky, seeing mysterious lights from the tunnel, and finally the furry little mouse that broke Mr. Hockers toe.

"I've never met so many cool people! Who could ever forget Wayne or the Triple "Z" and "S" skip caps, handmade by the British Jugz, the prom king on the other end of the walkie talkies, or the get rid of extra food party held by the senior guys in suite #3. I've never seen so much food! I guess the party was actually a flop, but the music was good."

The trip also include one day of skiing at Black-jack Mountain. The trip was a total success and no injuries occurred. Unless you count Judith's.

This year was a new experience. We came into the year with a new coach and not a lot of returning players. The season started off with a bang. We were 4-0 at the beginning, but then took a stumble. We finished better than last year, but did not meet the expectations that we set for ourselves. Team records don't mean everything. This year proved to be exciting no matter what. This year the band had great fun during football and basketball. The pep band played at these games making a lot of fun for everyone. The favorite all around song was "Hey Baby!" This song kept everyone up beat and energetic. The band also had accomplishments in concert band. For the second year in a row, the Algoma High School Band took a 1st at Band Festival playing class A music. Many of the band students also participated in a Pit Band for the musical production *Annie*. They had a lot of fun. This year the high school band had a fall, Christmas, spring, band-o-rama, and jazz concert.

This was a year of new and exciting things for the chorus. For the first time in many years, we had a musical. Under the direction of gifted and talented Ms. Halberg and Mr. Patterson, we saw the musical program reappear. It was a huge success, and we all hope that this is a new beginning. Again, we had a huge class and were able to produce fairly successful concerts.

We hope that Ms. Halberg stays here for many years to come and keeps our music and arts programs at the high levels they are at. This year was a lot of hard work, but it resulted in good times and fun performances.

*Annie* was a great success. So many people pulled  
 together and worked very hard to produce a great  
 show. Many long and stressful hours were put into the  
 planning, and some people might have gotten sick of it.  
 After *Annie* was over, I'm sure we all missed it. I  
 miss it now I do.

I really hope this showed other schools and people  
 how we can produce an excellent musical. None of this  
 could have been possible if not for Mr. Patterson, Mr  
 Litersky, Miss Halberg and everyone else who helped  
 make the whole cast look as good as it did. I know the  
 cast had a huge part, put in their ideas, and memorized  
 their lines, but many others helped too. I never felt any  
 one was more important on the stage than anyone else. Even the  
 person with the smallest part was just as important as  
 the person with the largest part or Mr. Warbucks. Every part was needed to make  
 the musical work as good as it did.

I really hope we have more musicals in the coming  
 years, because if *Annie* was this good, I am sure Algoma  
 can do it again!

Have you ever had to swim two miles, run one hundred more, then take a difficult test? Neither have I! That's not what the Academic Decathlon is like! Rather than swimming and running, a bus took members, Jake Rabas, Nick Groessler, Tony Gregerson, Justin Parkos, Lacey Eckert, Rory Groessler, Jeff Cross and team member and junior personality James "Jim" Zillmer (who missed the bus due to a wacky string of misadventures) as well as co-coach and renowned wordsmith Darrell Patterson to the test. Along the way the team discussed a plethora of academic topics such as "Where the heck is Jim?" and "What was the best baseball game for the NES? (Baseball stars). After miserably failing the test, we headed off to Pizza Hut to stuff our maws and toast to the health of absent co-coach Annette Walaszek and haphazard Jim Zillmer. Once Justin Parkos had been crushed in a lightgun arcade game, the team headed back to good ol' AHS, sleepy but satisfied for another year.

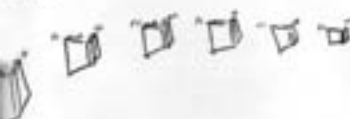

# Knowledge Master Open... "Tree Of Knowledge"

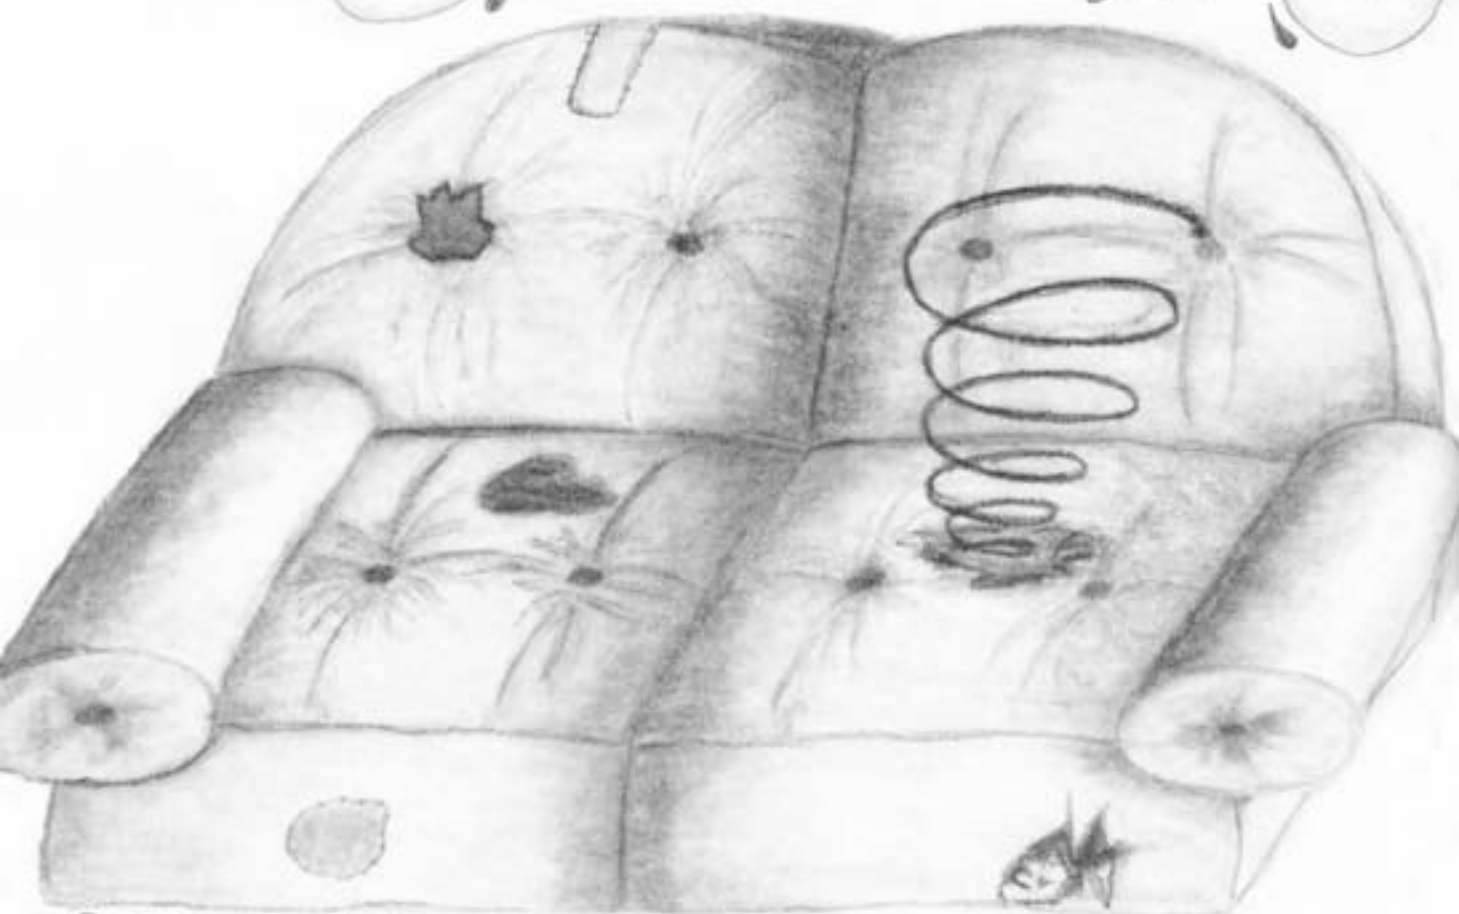

This year hosted one of the most successful Knowledge Master Open Teams of all time. Scoring, they only missed the current AHS record high by a few points. Mr. Patterson and Annette Walaszek were especially impressed with the camaraderie that the team showed throughout the competition. With hard work and maybe a little luck, next year the record will fall!

Expect excellence, accept no less. That was what the 2000 track season was all about. Graduation losses were heavy, but the 2000 season was supposed to be a rebuilding year. This year's seniors Max Seroogy, Jeremy Rankin, Josh Rankin, (the boys) and Karra Fulton, Stacy Johnsrud, Talia Sheehy (the girls), were reinforced by a vastly improved team. Along with powerhouses such as Katie Magno, Ben Groessl, and the resurgence of Scott Meverden, the Wolf had the talent to eclipse the past achievements of last year's sterling squad. Josh Dettman set a new 300 hurdles record and Talia Sheehy shattered the women's pole vault record. The future looks bright as Freshmen Charity Paque, Ben Kissinger, and Tara Novak look ready to carry the torch.

This year we had lots of returning letterman and were looking forward to a good season. This team was different than teams in the past, we had great chemistry. Our defense was consistently strong and our pitching staff, led by Rob LeBotte and Chad Laluzerne, was tough all year. Our weaknesses were our hitting and lack of concentration. Our offense, led by catcher Matt Magno, stood out from the rest. All year we seemed to be building up for the big game. As for highlights, we almost beat Southern, but lost four to three. But best was saved for the final games; they were awesome! At this time I would like to thank Coach Nelson for four filled years, and for all of the learning experiences.

This year, Algoma had a great turnout for Destination Imagination, formerly known as Odyssey of the Mind. Of the two teams, O.M. Fruits made it to state competition after placing first at the Sturgeon Bay tournament. The O.M. Jello improv team did well in actual competition, but struggled in the spontaneous category. Most participants felt that they deserved fourth place. A good time was had by all.

National Honor Society is the advocate for promoting students who reflect outstanding accomplishments in the areas of scholarships, character, leadership, honorable and admirable character, as well as service that demonstrate the member is willing to use talents and skills for the improvements of society. They are chosen by a Faculty Council for induction into the National Honor Society Chapter at Algoma High School.

Judy Rocque serves as the Advisor of the group along with a five member appointed Faculty Council. The Algoma chapter is supported through the generosity of the Algoma Optimist Club and a private benefactor.

## New Inductees

Starting this year, the National Honor Society set new basic requirements for consideration of new members: a minimum 3.25 GPA, involvement in extracurriculars, strong leadership abilities, and a set number of hours for community service. In line with the new standards, only new students were selected for induction at the banquet held at the Alaskan Supper Club. The program for the evening provided a memory that will not soon be forgotten. Thank you Mrs. Rocque for the many hours of preparation and for all of your hard work!

This was the second year the yearbook has been an extracurricular activity. Staff members that remained dedicated had some of the best times. Photos no one else sees always bring roaring laughter to those present meetings, but there are always those times work. Articles, page design, division page and typing are the worst jobs in the world. Regardless of the work, however, everyone always meets the deadline at the last possible minute. Ms. K. is the hardest working advisor we've seen. She does all of the work nobody else wants to do and she always comes through for us. However, we'll never forget the time when she broke a pen in half to express her anger. We'll be laughing at that for the rest of our high school careers. Hopefully next year we will see some new faces to replace old ones.

# Senior Honors... "Leader Of The Pack"

## Valedictorian Aaron Moede

Battles await us, and we must be prepared. When you think things first, you can eliminate many unnecessary steps. Whether on the field or in the classroom, play every possibility in your head so that you will be ready for whatever fate will bring you.

## Salutorian B.J. VandenAvond

I would like to thank all my friends but especially my family, who has always been there for me. Without them I don't think I would be receiving this honor. Oh yes, and a little friendly advice: Don't run the race if your hip hurts; you might break it!

## D.A.R. Kristie Schmidt

It has been a great honor to be Algoma High Schools Daughters of the American Revolution representative for the school year 1999-2000. The award ceremony was very meaningful. I was proud to represent Algoma among the other schools in the Jean Nicolet Chapter. Among these schools were: NEW Lutheran, Green Bay East, Green Bay West, Kewaunee, South Door, and Luxemburg. This is an award that will affect my life because receiving such a prestigious award will help me to expand my boundaries into the D.A.R. Who know? Maybe I will become a continuous member someday.

# Senior Class Trip... "New York, New York"

This year, the seniors went to New York City. After sitting in a bus for over twenty hours, we got to see the sights of New York: the Statue of Liberty, Empire State Building, Central Park, Time Square, and Yankee Stadium. Also among the itinerary was an off-Broadway play and some time in Chinatown and Little Italy. On the way home, we dropped by Cedar Point Amusement Park and spent a day there. Overall, the trip was a lot of fun for most everyone and it will remain in our minds as one last memory of high school.
