Drew Justin Livermore

July 5, 1983-March 14, 2001

Drew,

It seemd like it was just yesterday that we were catching beautiful Rainbows by hand in the creeks and you trying to catch your first fish off of your brand new tip-ups that you just had to buy. You also never caught anything off of them. I'll never forget the time you, Brandon, and I went out ice fishing and there was three inches of water on top of the ice and the wind was so strong that we would get pushed around on the ice. You went out to check the tip-ups and we saw you blowing away and then we saw an ice shanty pass you up. We did end up catching one Northern Pike and two wet feet each that day. Drew you will always be my friend and I will never forget the good and the bad times that we had. No one will forget the memories that they had with you; you could get along with just about anybody. You always knew how to cheer people up. Anyone would know when you were up to no good, because you would have that grin on you face that would give it away. When we would play hangman in resource, you would always pick a Z or any other letter you knew wouldn't be there, even if you knew the words were "Buy Blow Pops From Bubba." Drew we all are going to miss you very much, but you will always be in our prayers, hearts, and memories. I hope you will never forget me or anyone else, and if you are fishing up there keep me in mind and catch a big one for me.

Friends Always,

The guys had an outstanding year. Sure varsity lost a few games... and jv won the few that they lost... but all together they had a great football season and had lots of fun during it! They worked hard and built some good muscles. The boys made new friends, and some realized skills that they did not think they had. They all achieved goals and worked harder than ever! **SUPERB JOB EVERYONE!**

Once again, Peer Leadership was a success. This year the Junior Peer Leaders attended Acting Troupe training to perform skits for the grade school. Both the Sophomore and Junior peer leaders attended training seminars in Manitowac, hosted by Michael McGowen. Through his guidance, we were informed on how to deal with situations relating to sexual harassment, death, suicide, and drugs and alcohol.

Shake your
le cul (bon
bon)!

The French Club sold candles and chocolate and thanks to a lot of you, it made a difference. This

year Mlle had many French activities going on, including: a poster contest and a French breakfast.

This summer around 30 students/chaperones are going to France. They will be traveling from Toulouse to St. Malo to Paris.

Foreign Exchange

Hi! My name is Karolina Soroko and I come from Poland. It was awesome to be an exchange student at Algoma High School. I would like to thank everybody who made the last year so special to me. First of all, I must say how much I appreciate my host family, Brenda, Tim, Autumn, and Ashley Duerst, for creating a homelike atmosphere for me. Second of all, I would like to thank all of the school staff members for their help, especially Miss Marin, Mr Burkard, and Miss Dupke. Finally, I wish all the seniors the best luck in their future. Congratulations!

Seid alle ganz herzlich begrüßt!

I'm Florian Fügemann from Saxony, Germany. I had the great chance to visit America for one year and I would never want to take back the decision of coming here. This was one of the best years of my life and I'm gonna miss some of you guys a lot. I also want to thank everybody, that made this year such a great experience for me. Special thanks to all those Dettman(n)'s out there; teachers like Mr. Schmiling (I think, I got over that "2-0" thing - and Track was great!), Ms. "K" (thanz for everything - now I see art in a different light...); and to everybody else that I forgot (I could fill books with people that are just awesome). I wish all of you a great future!

Flo, your crazy "German guy".

P.S.: Michael Braun, you're the greatest guy ever!

It was a season to remember! This year's team accomplished many things that past teams were unable to do. The biggest and probably the most memorable accomplishment for the Wolves this season was our defeat over the mighty Spartans, which is truly an outstanding feat, considering that beating LC in softball is rather uncommon.

We were also able to beat Denmark three times and make it to the second round of Regionals. GO WOLVES!!

ANNE DETJEN
VALADICTORIAN - 2001

I learned that a person can only control what is in their power. We cannot bend another person around our finger to fit our needs, and that is why personal effort is foremost in success. Several years back, someone quoted that, "I'd rather fall flat on my face, than on my butt. At least I am going forward." In truth, it doesn't matter how you fall, it's the impact you cause that makes all the difference. Thanks to everyone that helped teach me life's biggest lessons.

You Can Do it!

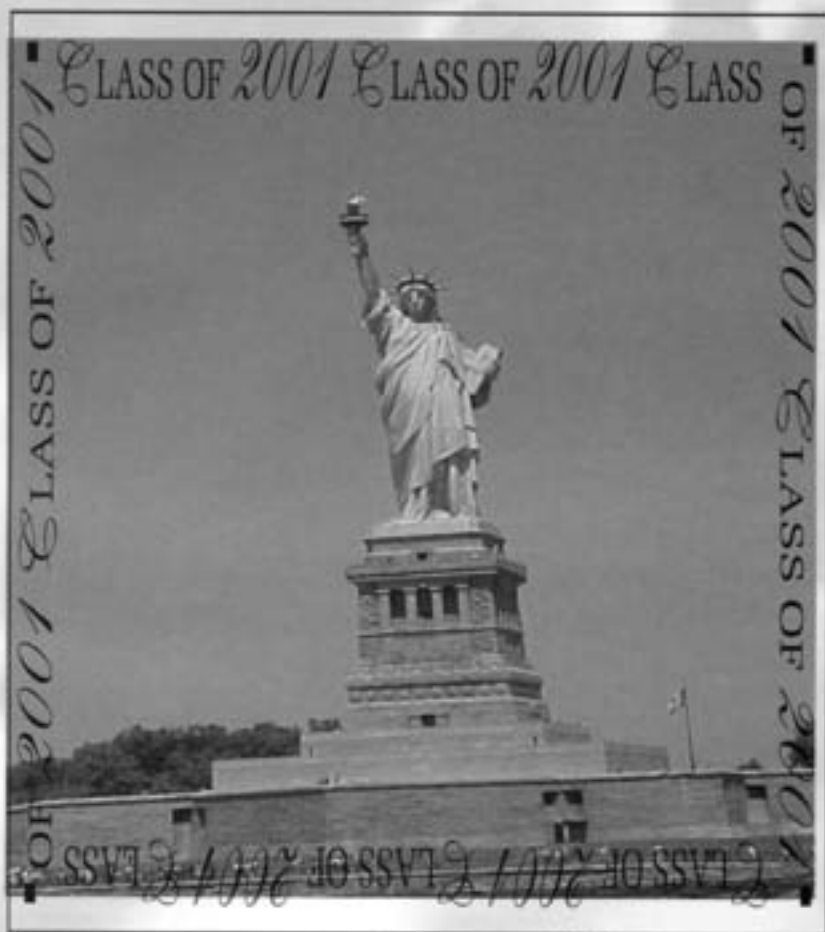

SARAH TEBON
SALUTATORIAN - 2001

High School has taught me many things, but most importantly, it has taught me to never give up. Hard work is the key to achieving all your goals and being successful in life. No goal will ever be too high if you believe in yourself and your abilities. Don't be afraid to fail either because success is failure turned inside out. I want to thank my friends and family for helping me survive high school and especially my teachers who have been there to help me find the right path.
