# Dedication

## *Thank You Mr. Loos!*

The Yearbook Staff of 2001 dedicates this year's yearbook to Mr. David Loos. Throughout his 35 years of teaching here at Algoma High School, he has had enormous impact on the entire student body. His tireless effort with the One Act and Forensic programs has brought great success to the high school. Mr. Loos has given students the drive to succeed and the keys to their future.

So many years, so many memories like:  
-Moving another teachers classroom outside  
-Wearing two different shoes to class and...  
-The After Forensic Banquet Meetings!  
-Laurabell & Judie

A patriarch at Algoma High School, David a master teacher, a master historian and most importantly, a master human being.  
-Judy Rocque

David Loos' contribution to mankind is his undying devotion to the Chicago Cubs. We can all feel better about ourselves knowing that we, at least, have more sense.  
-Daryll Patterson

# In Review

There were many new changes implemented at AHS this year. Probably the most dramatic change to sweep through the halls was the arrival of a new principal. With much anticipation, the student body greeted Todd Leroy -the young and first time principal! Mr. LeRoy eagerly returned our greetings with warmth and creativity.

As the school year progressed from long afternoons of musical practice to early morning Basketball practice, AHS students put in hard work and long hours trying to keep their high school years in perspective. A

glance down the hallways revealed students in costume, band uniforms, and football jerseys. After a long day of studies and exams, each student took off for his own activity, whether it be play practice, cross country or Destination

Imagination. There were fights over deadlines, and decisions to be made. But after a week filled with pressures and problems, students

and teachers alike shared expectations of the weekends-their relief from the old grindstone. Everyone lived for the weekend to catch up on term papers, art projects, and just relaxation. Everyone lived for the Saturday night of rowdiness, and a quiet Sunday of recuperation.

From the pinnacle of Algoma's 2001-2002 accomplishments, one could see the future on the horizon. Following our years at Algoma, we begin moving into an era that we will shape and control. As the sun set on our high school days we knew that the coming morning held the promise of surprise and excellence.

*As the sun sets on another year at Algoma, students were able to look back on a year of changes and previously unreached plateaus. The year was full of surprises as many students expanded their horizons to encounter new challenges and to earn new rewards. More like a sunrise than a sunset, the past school year characterized the dawn of a new era with all its pitfalls and promises, 2002 was the herald of progress, discovery and success!*

# Special Events

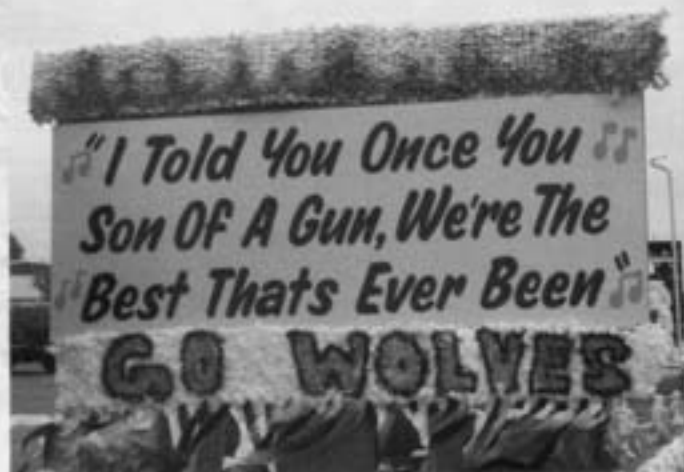

Due to the hard work of by the Senior Class and Student Council, the 2001 Homecoming weekend was a great success! Under the theme "On the Farm," the activities were a success on every level.

The first phase of Homecoming began with Spirit Week; there was Hat Day, Weird Hair Day, Backwards Day, Pajama Day, culminating with Black and Gold Day on Friday!

Friday afternoon brought the much anticipated Pep Rally which was M.C.'d by the one and only Mr. Nelson! Highlights included some fantastic skits performed by all the classes, including the staff, a rivoting performance by SMUDGE; which got the students on their feet, and the announcement of the King and Queen! The climax of the afternoon was the contest for the spirit stick! The Seniors narrowly defeated the Juniors and proceeded to dance around the gym, thereby ending the Pep Rally!

Friday after school, a parade of the King, Queen, court, and class floats headed for the legendary Perry Field. The football game was another spirited event, as a capacity crowd cheered the Wolves to a Victory over Oconto. On Saturday night students arrived in more subdude attire for the Homecoming dance, or "A Night on the Farm." The senior class under the leadership of Mr. Vandervest, and class president, Jake LeClos made the dance a huge success!

In all, Homecoming '01 was well organized and implemented. Everything went smoothly and a good time was had by all! "On the Farm" was a weekend that highlighted a terrific fall!

HI,  
This year was just awesome. I want to thank all the people, especially the A.H.S. students, for giving me such a great experience. It was always a pleasure to come to school here. I would also like to thank all the teachers for their patience and all the coaches for letting me participate in sports. I also would like to thank my host family Joly for opening their home and hearts for me. Thanks to all and I hope you had as much fun as I had! I will miss you all!

Hi,  
The last couple months have been awesome. School here is a whole lot different than in Germany, but I had so much fun! I especially want to thank Mrs. Tetzlaff for being the best English teacher ever, and Ms. K. for showing me how to paint and distort amazing pictures. But the biggest Thanks goes to the Ottens, the best host family I could get. Also thanks to all my friends I have here. It has been the greatest time in my life! Thanks!

Hello!  
I have no words to describe this past year, it's incredible how my life changed so much in a short period of time. This was the best year of my life. I grew up, I had new experiences, and met new people who I had fun with. I will always be thankful for God and my natural parents for this opportunity and I want to say thanks to my host family who helped me with my difficulties and thanks to the school who always had patience and opened their doors for us. I'll be missing this year, but I'll always have good memories.

A very special thank you is extended to all of those who helped with the production of the 2001-2002 yearbook! Especially, Jason Melotte, Micaela Massey, Bobby Scholz, Simmone Kuehn, Martha Starr, Miranda Prust, and David Harmann. Without the help of these individuals the yearbook would never have become a reality.
