# BRIAN KISSINGER

Brian,

You are a role model of courage accepting each day and doing what needs to be done with enduring strength. You have given all of us hope and inspiration. What could be better than that?

JM Rocque

Brian,

It was great going to State with you the past three years. Keep running the race with all you've got, and in the end you will be victorious.

J. Buczek

Brian,

Thanks for the inspiration you've given us all throughout the year. Your example of never giving up is one we all need to take to heart.

DP

Brian,

You have shown so much strength of character in the last year to inspire many for years to come.

W. Vandervest

## MRS. ROCQUE

Thank you Mrs. Rocque for your hard work and dedication throughout your years at AHS!

Mrs. Rocque has been a great role model for me as a teacher. She sets very high standards for her students and expects them to take responsibility for their own learning. Mrs. Rocque has shown me that to get the most from your students you need to believe in them and their ability to succeed!

- Mrs. Witasch

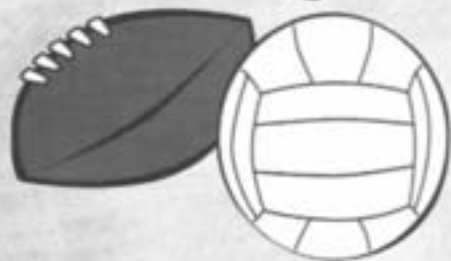

Mrs. Rocque is my friend and co-worker across the hall from me. She is also my hallway buddy. When I started teaching here three years ago, I knew no one and she made me feel right at home. She is a very caring person, her door is always open if someone needs help or someone just needs to talk.

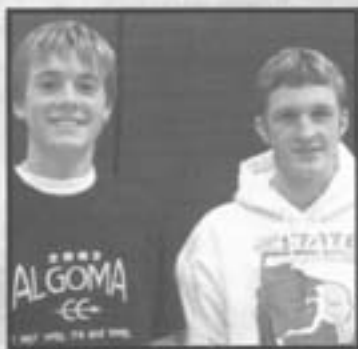

- Ms. Bullone

# 2002 Cross Country Team

Here is the 2002 Algoma High School Cross Country Team. We had a very fun year with all the bus rides and meets. We had a successful year and enjoyed every bit of it. Even Ross, who lost to Jeff in the 1st annual Old Country Buffet Eating Contest, had a good time. Our Underclass runners proved to be worthy of taking the place of the four Seniors we lose, but surely not forget. So long Nick, Tara, Ross, and Derrick. I hope to see you at Roncalli for the free run. Thanks for some of the best experiences ever.

Furthermore, an outstanding acting award was given to Senior John Barnica for his innate acting abilities as a tree and woodsman!

*This year's "Snow...Sort Of...White" was a definite success, achieving the renowned Critic's Choice Award at State competition. This award was last received in 1996 with the play, "Hamlet."*

## Quietest

**Mr. Roberts**  
I am only quiet until you start talking about Wisconsin sports or hunting

**Mr. Patterson**  
Seniors 2003-  
It's been great fun.  
Thanks for all the excitement.

Peace,

## Most Fun

## Most Dedicated

**Ms. Nivala**

This is a great senior class!! I'm hoping that they all realize that with hard work, effort, and dedication they have the ability to achieve all of their goals and dreams.

## Most School Spirit

**Mr. Schmiling**

I was very flattered to be voted the teacher with the most Wolves spirit. It's important to me to support the school. So I just wanted to say thank you to this year's senior class.

## Most Unique

**Ms. Marin**

Unique? Why unique? Weird I can understand. Crazy I can understand. But unique. Oh well I guess there is only one of me.

## Best Sense Of Humor

**Mr. Pagel**

To the seniors: Well I must say that I am very honored to have been voted as the "Teacher with the Best Sense of Humor", but I guess that just shows how incredibly intelligent this senior class really is!

# The Best of The Best

## Smartest

**Mrs. Walaszek**

If you have ever seen me do or say something very wrong in class you would probably wonder-but thank you for the honor!

## Best Dressed

**Mrs. Rockwell**

Dressing up for school is part of being a professional educator. I believe that students maintain a higher level of respect for teachers who take time to dress in a professional manner.

## Best Looking

**Mr. Nelson**

I had a great time being an advisor for this Senior Class. They were the best class I was ever an advisor for.

## Best Car

**Mr. Burkard**

I am much honored and enamored by the Senior Class for the "best car" of the year award. With all the SUV's and BMW's roaming the pavement, I was unduly surprised that my lowly bicycle could win such a prestigious award.

## Friendliest

**Mrs. Tetzlaff**

Students just love all those 6-trait writing assignments from their "friendliest teacher"!

## Loudest

**Laurabell**

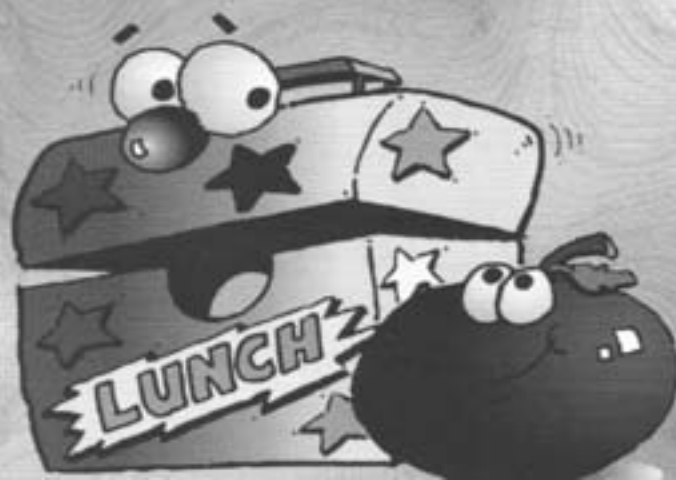

I have a long list of people to thank for this award. Because I am always so shy and quiet, I really don't understand how I qualified for this award. Thanks to a great bunch of Seniors!

**Senior Peer Leadership**

"When in doubt, act it out!"

**Acting Troupe**

**Acting Troupe - It's leadership with an acting twist!**

# Acting Troupe

The acting troupes are made up of upper class volunteers, students who enjoy creating and writing mini-dramas and then performing them. The acting troupes perform for elementary and middle school students. Unlike a drama troupe whose primary mission is to entertain, an acting troupe's main focus is to teach. Possible topics for an acting troupe might be relationships, dating, discrimination, bullying, respect, fear, anger, drug and sexual issues.

The acting troupes follow a very specific format. Once the troupe receives its teaching issue or problem, the group discusses the issue and decides what it wishes to teach to its target audience. A drama is then created and performed before the target audience. Once the drama has been performed, the performance is processed by a skilled moderator, with a dialog taking place between the actors and the audience. The acting troupe has been found to be a very effective method of teaching.

# Foreign Exchange Students

My name is Nils Pahlke. I am from Huenfelden, a small town in Germany. I really enjoyed my stay in the USA. In Algoma, I have found very friendly people and made many new friends. I would like to thank them for their friendship and memories. Also I would like to thank my host family for letting me stay at their home. They have been and will be an important part of my life. I also want to thank my parents in Germany for giving me the opportunity to travel abroad. The memories of all my friends and my new family will last a lifetime, and I am looking forward to visiting in a few years.

Hey,  
Well, just like every other foreign exchange student I have to say, this past year was an awesome and incredible experience! If I would start to thank all those people I want to thank I couldn't end. So, thank you to all the people that helped and supported me the past year, which includes all my host families. I enjoyed it a lot and am sorry to see it end so soon. Though, I will take all my experiences, good and bad, back to Germany with me, I will share them with everybody who wants to hear about them and who doesn't! I will definitely miss you guys!

Vanessa Meuser

It has been ten very cool months here in the US. I am glad that people here have been very friendly to me. My experiences in America have been fun, and I have made a lot of friends. I would like to thank all my friends for giving me a wonderful stay. Thank you for putting up with me and take care in the future.
