Cross Country

The cross country team had another exciting year. Except for some problems, the year was great. They had a lot of fun throughout their season working and sharing in several events. These events include the Pot Run, tailgating, and lots more.

The Pot Run stands for the Potawatomi State Park Run. The cross country team goes there every year before school starts. The team runs two times while there. In between, they have hamburgers on the grill. After they are all done, they go swimming in the lake. On their way home, they stop to eat at Dairy Queen.

After a Saturday meet, the team tailgates, hangs out and just has fun.

The problems that were encountered centered around the meaning of the word seniority. Everyone knows that the seniors get to decide what happens after meets and games. Instead of letting the seniors pick what they wanted to do, the underclassmen always tried to overpower their decisions. The seniors still got the final say, but they had to fight for it.

Varsity Volleyball

The volleyball team finished 5th in conference with a record of 11-7. The overall record was 14-11-2. The girls started out strong, winning their first four matches and opening some eyes along the way. They ran into some tough competition but the girls continued to play well with the top in the conference, almost defeating L.C. and Denmark. This year's bench has been credited with much of our success as they continued to yell and cheer to keep the girls on the floor into the games. They were also more than ready to play when called upon to do their job and they did it well. Most of the matches played this season were very close and could have fallen either way. Unfortunately many of those times it did not fall our way. Throughout most of these matches the girls continued to play tough. Even though the season ended on a disappointing note, we do have memorable moments.

"The highlight of the season turned out to be winning our own tournament for the first time. The team went 7-1 to capture the first place trophy and medals. Now that was an exciting day."

JV Volleyball

The JV volleyball team had a learning season this year. Besides just learning the basic skills, the team had to adjust to injuries and small roster numbers. Through this challenging season, they prepared themselves for future adversity and will be better prepared.

"Quitters never win and winners never quit."

Freshman Volleyball

The 2003 volleyball season had both its up and down moments for the girls. With a 12-5 record the team excitingly won some upsets, but in turn also lost some close ones. Through several adversities that arose this season, the team had to learn how to pull together and play as a real team and they did just that.

This year, the Environmental Science Club travelled to Hartman State Park near the city of Waupaca. The group left early on Saturday, May 15th, and returned in the evening of Sunday the 16th. Activities included hiking, camping, tanning, card playing, canoeing and "throwing a ball into a can". Canoeing took place off of Ding's Dock on the Crystal River. All meals had to be cooked over an open fire in a coffee can. Mr. Nelson, Mr. Burkard, Dean Meister, and Nick Rankin supervised the trip. The group had a great time!

Improv

The team's mission was to create a skit on the spot. The team was given a few themes they were to put into their skit. They were given 30 minutes to make props out of only a few items and to come up with the skit. Finally the group had a few minutes to perform in front of the judges.

This year's math team experienced a decent year. "Algoma is an up-and-coming team with many younger participants," stated Coach Buczek. Buczek also marked the success of two freshmen. Brad Zeitler and Jenna Grzeslo had a great season with near misses for both for All-Conference Awards. You must be in the top five scorers for this honor; however Jenna placed sixth and Brad placed ninth overall. Great year, guys!

Top overall scorers for each class included:

- Seniors - David Harmann
- Juniors - Joe Sayre
- Sophmores - Kayte Dettman
- Freshmen - Jenna Grzeslo

Post Prom

This year's post prom was a huge success. There were a variety of games offered which included blackjack, Family Feud, over/under, Wheel of Fortune, slot machines, poker, dice throw, roulette, and sumo wrestling. There were many students who attended, and many parents were more than willing to help out with the events. There was plenty of food for everyone. Thank you to everyone who helped make this year's post prom a real success.

This year's yearbook staff faced several problems when creating the 2003-2004 Scroll of the Wolves. A new version of the program Josten's Adobe PageMaker was introduced and taught to the yearbook staff. Pictures and text were placed with ease. This comes as an enormous welcome as years ago, pictures were tediously cut by hand. Hundreds of pictures had to be waxed to pages and were placed at the mercy of the company. PageMaker was truly a great help!

**Thanks to all of the students and staff who helped make this publication possible.
Our appreciation to Todd Thiewes, our Josten's yearbook representative,
and Harmann Photography.**

**Also, special thanks to Laurabell Erdmann and Jason Melotte,
without whose help the 2003 yearbook would not have been finished.**
