Dedication

This book is respectfully dedicated to Mr. Duane Ruleau, a shop teacher at Algoma High School since 1980. After graduating from Northern Michigan University in 1977, he took a teaching job in Green Bay before coming to Algoma. Of all places he has taught, Algoma is his most memorable, not only because of the amount of time he has been here, but also the way students, parents, and faculty have accepted and respected him over the last thirty years. He never expected to teach this long, but has no regrets either. Upon retiring he has hopes to enjoy the outdoors and spend his time hunting and fishing all over the country. It is our honor as the shop classes of 2010 to bid you farewell and to say thank you and good luck in your future Mr. Ruleau.

Mr. Ruleau

Thank You!

Good Luck!

Look, I don't want to wax philosophic,
but I will say that if you're alive,
you've got to flap your arms and
legs, you've got to jump around a lot,
for life is the very opposite of death,
and therefore you must at very least
think noisy and colorfully, or you're
not alive.
-Mel Brooks

Our greatest happiness does not
depend on the condition of life in
which chance has placed us, but is
always the result of a good
conscience, good health, occupation,
and freedom in all just pursuits. -
Thomas Jefferson

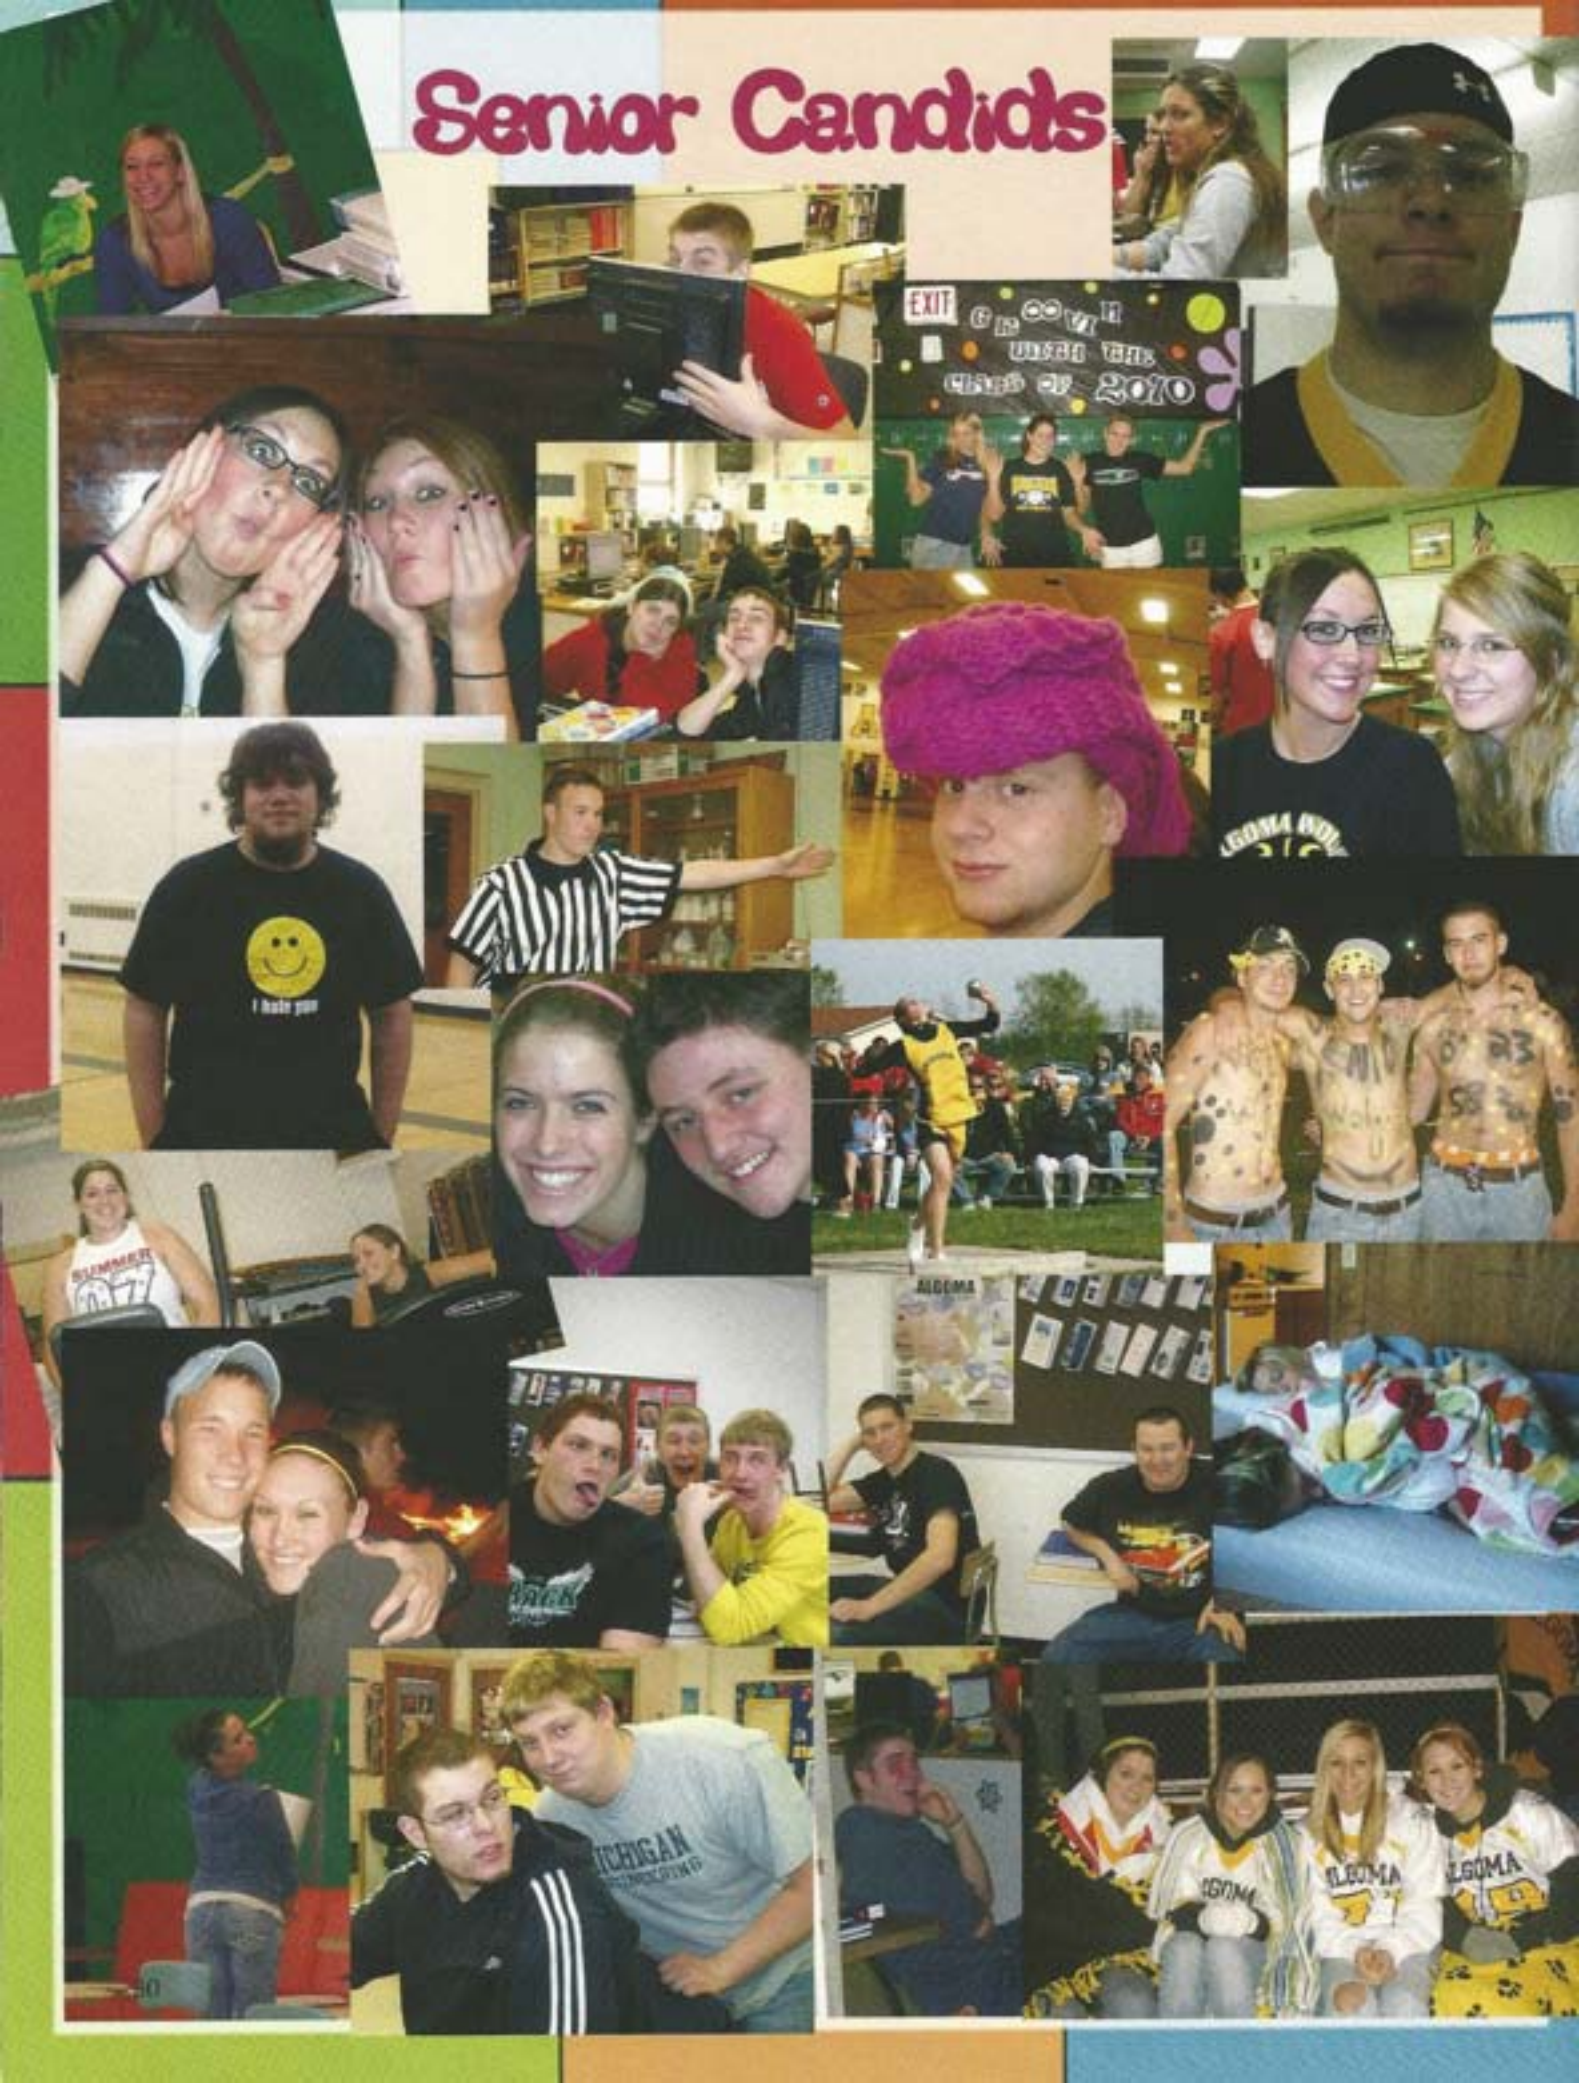

... lives but a walking shadow, a poor
player
That struts and frets his hour upon
the stage,
And then is heard no more: it is a tale
Told by an idiot, full of sound and
fury,
Signifying nothing.

- William Shakespeare

Nothing in life is to be feared. It is
only to be understood. - Marie Curie

Foreign Exchange Students

Chris Hoehnke

"My name is Chris. I'm 16 years old and from Germany. I live in Juterbog, which is a small town next to Berlin. I have a younger sister and an older brother. In my free time I like to do sports such as soccer and track. I also like music because there is a music school in my town. My experience here is different. For example, the food and the cars. I like the food here because the people here eat a lot of junk food. We have junk food in Germany too, but we like to cook it ourselves and it must be fresh. The biggest difference is the people here. They are nice and friendly and they do not mind helping when you have a problem. School is also different. In Germany, we work more on projects and school is harder. Germany and the USA have a lot of differences, but I like both countries."

Theis Vestergaard

"I am from a small town in Denmark of 5,000 people called Braedstrup. I live with my mom, dad, brother, and my dog. I have had a lot of different experiences here in the USA because almost everything is different compared to Denmark. For example, the school here in Algoma is much different than the Danish school. In Denmark, the teachers come to the students and there are no after school activities. Another big difference is that many people here are very religious and go to church every Sunday. In Denmark, it is almost only old people that go to church and people are not very religious."

Jacob Koss

I plan on attending the University of Wisconsin Madison in the fall to study Biomedical Sciences. From there, I will apply to medical school and study to be an Orthopedic Surgeon.

Jennifer Zeitler

I am going to the University of Wisconsin Madison next year with an undecided major. I will most likely go into agriculture or life sciences. Thanks to everybody who helped me these past four years.
