Senior year. It's what we've all been waiting for. As we first walked through these doors, we thought: "This is where it begins. This is the place that's going to determine our path, where we can work on building up our dreams, one year at a time." As we gradually ascended the grades, we were known for our drama, but in our senior year we all realized we had a common bond, and one life to live. It's our time to grow up. It's IT's been an astounding four years at Algoma High School, with unforgettable experiences. As senioritis kicks in, we shall still stick side by side, never abandoning anyone. This school is where friendships were created, lost, found, and remade. There will always be that bond, but life forces us to separate. Every person in this class has the potential to be a great leader, and make their mark on the world. As we walk out these doors for the last time, we will always remember-Algoma is our home.

MUSICAL

What's better than an Algoma High School musical production? An Algoma High School musical filled with candy and a chocolate factory! Willy Wonka is the beloved musical with popular songs like "Pure Imagination," "I've Got a Golden Ticket," and "I want it Now." The main character, Charlie, wins a golden ticket and learns that honesty is the best policy. She is rewarded in the end with a lifetime supply of chocolate and becomes Willy Wonka's apprentice.

For the first time, the musical was performed three times to a nearly sold out auditorium. Middle and elementary school students were also featured in Oompa-Loompa and squirrel roles. Cast, crew, and pit band members had a blast with this show because it was filled with fun songs, bratty and lovable characters, eye catching costumes, and a larger than life set design.

Spring sports fought an up hill battle this year. Mother nature cancelled or postponed more than one half of the spring sports season. As the weather turned the teams fought relentlessly to earn Packerland Conference Titles in both Girls Softball and Track and field. Congratulations on your victories!

SPRING SPORTS AWARDS

State Softball Champions

Algoma, started the day off with a 5-4 victory over Newman Catholic in the Division 4 championship game.

The Wolves trailed 2-0 entering their half of the 5th inning and then exploded for four runs in the frame.

Baleight Delorit and Meg Ryan each came through with 2 RBI hits. Tanika Jorgenson had the other Algoma RBI, driving in a run in the 6th.

That was enough offense for the Wolves to win 5-4 and capture their first state softball title.

Kennedy Blahnik had two goals this year at the state track and field meet at Memorial Stadium on the campus of the University of Wisconsin-La Crosse and after winning the Division 3 state title in the discus for the third straight year on Saturday, mission accomplished.

Blahnik's goal is to finish her high school career with eight state titles — four in the discus and four in the shot put. She has three in each now with her junior season complete.

Saturday she broke her state record in the discus with a throw of 154 feet, 3 inches.

"It definitely felt good," Blahnik said. "I really wanted to get that record again. Getting it this year, even if it isn't my p.r. is pretty cool."

Blahnik had the event won in preliminaries, but in the finals it was all about going for the record. After her first two throws fell short, she unleashed the record-breaker, but she wasn't sure she had done it.

"It's like I have nothing to lose," Blahnik said when asked about setting the record in her final throw. "It didn't fly very nice so I wasn't sure if it was the record. It's just leaving it all out there."
